ARIZONA WEEKLY JOURNAL-MINER

J. C. MARTIN, EDITOR,

WEDNESDAY.....MAY 19, 1886

Progress of the Twist.

The JOURNAL MINER man was a little behind time this morning and consequently failed to witness the grand transformation scene in the "Roaring Farce" now on the boards at the new city hall, in which C. Meyer Zulick, an ex probate Judge of Newark New Jersey, appears in the decimal role of governor, judge, bailiff, clerk of court, deputy, complaining witness, jury, court of appeal, tribunal of the last resort, and watch dog of the treasury. When the reporter arrived the judge was engaged in reading a lengthy and wearisome homily on Michigan executive jurisprudence, while the bailiff was closely guarding the prisoners at the bar and the other officers of the court were attending to the performance of their various duties. The discourse spoken of above, which was being when the reporter entered closed with the following words; "the plea to jurisdiction is allowed and the demurrer is overruled." Evidence is very suggestive, being not law nor a decision, which will no doubt grace the pages of legal literature, and be sought after by jurists of all degrees, from the judges of the supreme court of the United States, to barristers before Judge D. Kulm's court at Cherry Creek. The decision decides that Judge Zulick's court has entire jurisdiction to try all charges preferred by Governor Zulick and affirmed by complaining witness Zulick, against any republican official of this territory.

This point being fully determined to the entire satisfaction of the late Probate court of New Jersey in all its multifarious roles and there being "no kick" against it from any of them, it was duly recorded by the clerk. The attorney for the complaining witness announced that he was ready to proceed with the trial, when the judge, in language slightly different, but in substance the same as that of the celebrated "Arkansas" justice announced "that they might introduce all the testimony they wanted, but the mind of the court was already made up," or to be more explicit said he would simply incorporate into the records, the testimony and report of the honorary board. Mr. Herndon, under these conditions very pertinently refused to introduce any testimony, and court stood adjourned until 2 o'clock in order to permit Governor Zulick to keep an appointment.

A Partisan Appointment.

The Albuquerque Journal says; The following unique letter was received a few days ago by the postoffice department from a citizen of New Mexico. It is given verbatim. It is only proper to say that "old Tom" will not be appointed:

Asst. P. M. General Stevenson: Respected Sir - Old Tom Redford is circulatin' a paper around town askin' to be made postmaster of this place and I have signed it but I don't want count, and wen it comes in please scratch my name off, as he is no more fit for postmaster than I am for minister of the holy gospell. is an awful ruff kuss drinks, swares, flies and would hit hell out of me if he know of this letter. Please burn this and dont give my way, and he no educastion nor enny manners would wnip enny republikan in town if he had that offis and believe wood steal as poor in four years. he is a retch of the first water and every one here is frade of him and would put on more airs than enyboddy dancing master and drive enny nigger out of town. I rite strong we have a refined comunity and y n want to give him that offis unless you want to disorganize this comunity, for he is a bloody liar and you may depend on it. We look to the honorable Postmaster Gen. to save us from a horribel doom. yours respecy

S K Prower, Justis of Peace.

P. S.—others would sine this, but are frade as hell of old Tom.

Mr. Bean's Resolution.

The following is the full text of the joint resolution introduced by Delegate Bean offering a reward for Geronimo:

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States be, and is hereby, directed to offer a reward of twenty-five thousand dollars for the head of Geronimo, a chief of the Chiricahua Apaches and the said sum of twenty-five thousand dollars is appropriated out of any money in the Treasury not otherwise appropriated, and shall be paid by the President upon satisfactory evidence that the said Geronimo has been killed or captured, and if captured by other parties than United States troops, shall be delivered to the custody of said troops, subject to order of the President; and the aforesaid reward shall be paid to any detachment of United States troops so killing or capturing said Geronimo, and shall be equally divided among them, rank and file.

STATUE OF "LIBERTY ENLIGHTENING THE WORLD"

More Money Needed.

The Committee in charge of the construction of the pedestal and the erection of the Statue, in order to raise funds for its completion, have prepared, from model furnished by the artist, a perfect facsimile Miniature Statuette, which they are delivering to subscribers throughout the United States at the following prices:

No. 1 Statuette, six inches in height—the Statue bronzed; Pedestal, nickel-silvered—at One Dollar each, delivered.

No. 2 Statuette, in same metal, twelve inches high, beautifully bronzed and nickeled, at Five Dollars each, delivered.

No. 3 Statuette, twelve inches high, finely chased, Statue bronzed, Pedestal, Heavily Silver-Plated, with PLUSH STAND, at Ten Dollars each, delivered.

Much time and money have been spent in perfecting the Statuettes, and they are much improved over the first sent out. The Committee have received from subscribers many letters of commendation.

The New York World Fund of $100,000 completes the Pedestal, but it is estimated that $40,000 is yet needed to pay for the iron fastenings and the erection of the Statue.
