Notice.

If you want Election Tickets for your District call at this office and get them. We have plenty of them on hand for distribution.

Be Prudent.

Next Tuesday is the day of the election. No doubt it will be a day of more or less excitement. Let all citizens of our noble county stand steady and firm. Let us have nothing to chronicle in our next paper which would "mar the beauty of the scene." Be prudent; go to the polls and deposit your ballot like a true American freeman and let every one entitled to do so exercise the same right. Be prudent in all things, and vote for B. F. Cheatham, then, when you go home your tea will taste a great deal better and your slumbers be as peaceful as the old town well. Be prudent.

FAILED.—Gov. John C. Brown and A. A. Freeman, aspirants for Governor, were in Bolivar last Monday, but owing to the fact that there was not a "corporal's guard of "suffragers" collected they failed to make the welkin ring. The people are tired and "highfaluten oratorical jim jams" are at low tide. Everybody will be glad when the election is over

There are 1384 colored voters in this county, out of a total of 4010. The largest vote ever polled since the war was in August last, at which time 3090 ballots were cast. It is thought that the vote in the approaching election will foot up at least 3500. There are not more than 150 white radica's in the county, and they added to the 1384 colored voters, even though they should all vote solid against the Liberal ticket will be distanced by no less than 1091 majority. But the colored voters are not all going to vote against their old friends; many among them have too much sense for this, and we do not think that the radical ticket can safely rely on more than one-half or two-thirds of the colored vote of Hardeman county. Let every man come forth next Tuesday and do his duty. Hardeman is the Banner county in this State; by all means keep her at the head of the list. Do not let her go backwards in this struggle.

COMING.—The Great Eastern Menagerie, Museum, Aviary, Circus and Balloon show is wending its way towards Bolivar and will exhibit in this place on the 18th instant. Beyond cavil it is the grandest thing in the show line known to the 19th century, and has the endorsement of the public and the press wherever it has pitched its six mammoth tents. See card in another column.

PERSONAL.—Col. Mat. Galloway, the gifted editor of the Memphis *Appeal* paid us a visit last Monday. He is enjoying excellent health, and is working hard in the Democratic cause.

REFRESHING.—Last Thursday morning about one o'clock, while *we* and *our* devil were "pulling out" on election tickets John Umhaw refreshed all hands with a first-class lunch, for which he is due our thanks.

DRAMATIC.—The Gilbert Sisters, long known to the public as bright stars in the dramatic world, will give two more entertainments in Bolivar—to-night and to-morrow night. Those who admire correct delineation of character and a rare intellectual treat should not fail to see this excellent Troupe. They come among us with well earned laurels and deserve a full house.

Last night the beautiful drama of *Fanchon* was played to a large and delighted audience. To-night the great moral drama entitled Ten Nights in a Bar-Room will be enacted. The bill for to-morrow night is East Lynn, one of the most thrilling dramas ever written or played. Go and see the Gilbert Sisters.

Candidates.

Here is a list of the candidates for office, Democratic and radical, who are to be voted for next Tuesday:

DEMOCRATIC OR CONSERVATIVE:

For President, Horace Greeley.

For Vice-President, B. Gratz Brown.

For Congressman, State at Large, B. F. Cheatham; Andrew Johnson.

For Congressman, 9th District, Landon C. Haynes; A. J. Kellar.

For Governor, John C. Bnown.

For State Senator, 21st District, J. L. Rosson; F. B. Snipes.

For Floater, Ben. J. Lea; J. J. Brooks; J. T. Bryan; John R. Bond.

For Representative; M. T. Polk; M. R. Parrish.

RADICAL.

For President, U. S. Grant.

For Vice-President, Henry Wilson.

For Congressman, State at Large, Horace Maynard.

For Congressman, 9th District, Barbour Lewis.

For Governor, A. A. Freeman.

For Senator, J. H. Harper.

For Floater, J. A. Woodson.

For Representative, W. M. Beck.

We find the latter gentleman's name upon the straight-out radical ticket, and therefore give it the same position in the above list of aspirants for office.

FRESH.—Just received at the Tempest Saloon, south side of public square, a large and fresh supply of choice wines, liquors, Ale, Beer, Candies, Oysters, Sardines, Apples, Lemons, etc. Cheaper than ever; better than ever

The political irons are getting red hot in this section and are still sheating.

MARKETS.

Cotton.—17¾ to 18¾ cents per pound.

Bacon.—Clear sides, 14; Shoulders 9; Hams, 19 cents.

Lard.—Retail, 12½ cents per pound.

Coffee.—Rio, 26 cents per pound.

Sugar.—Common to choice, 12@16¾ per pound.

Molasses.—90 cents per gallon.

Flour.—Common to choice $8 to $12 per barrel.

Meal.—90 cents per bushel.

Potatoes.—Irish, $1 per bushel; sweet, 90 per bushel.

Butter.—Scarce at 35 cents.

Eggs.—Scarce and in demand at 25 cents per dozen.

Ma-ks and Faces.—Ladies who mask their faces and necks with enamels endanger their health to no purpose. The plaster work deceives nobody. There is but one article known which will restore a blemished complexion or create external brilliancy and bloom where they have never heretofore existed, and that article is Hagan's Magnolia Balm. It performs this toilet miracle by infusing vitality into the skin. The floral and herbal juices of which it is composed gently stimulate the circulation in the minute blood vessels, and brace the network of nerves through which they pass. Thus quickened and strengthened the external covering soon acquires a fresh and healthful hue, and every trace of sallowness disappears. The palest cheeks derive from the beautifying baptism of this delightful cosmetic a warmer hue, and the arms, hands and neck, a blonde lustre which the charlatans, who profess to make ladies "beautiful forever" with their poisonous cement, can never hope to imitate.

$1,000 Reward will be paid by the proprietor of Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in curing severe and lingering Coughs, Bronchits and all diseases of the lungs

Dr Tutt's Liver Pills

As a purgative medicine stands unrivalled. Their action is uniform, certain and safe. They are entirely Vegetable, and do not cause those griping pains that most pills do.

Dr. Wm. H Tutt:

AUGUSTA, November 9, 1869.

Dear Sir—I have long been a sufferer of torpid of the liver and dyspepsia, and in search of relief I have tried almost every Medicine recommended for those diseases, but have never derived half the benefit from any of them as I have from your Vegetable Liver Pills. They are invaluable, and I would recommend to all with dyspepsia, sick headache and biliousness.

Yours truly,

W. J. BLAIR, Late of Danville, Va.

Dr. Tutt' Hair Dye leaves no ridiculous tints.

SPECIAL NOTICES.

THE GALES OF ARABY are not popular upon the Arabia which the Fragrant Southern breezes fan to breath. Nor is the heart of the cocoanut whiter than the teeth that are cleaned daily with the matchless fluid.

TO OWNERS OF HORSES.—No one who has ever used Dr. Tobias' Horse Venetian Liniment, will ever be without it; it is a certain cure for Colic, Sore-Throat, Cuts, Bruises, and Old Sores. Warranted superior to any others in pint bottles at one Gas Dollar. Sold by all druggists. Depot, 10 Park Place, New York.

BURRNETT'S STANDARD FLAVORING EXTRACTS.—Are neatly put up in Unpacolled 2 and 3 oz and 4 oz bottles, and are for sale by the trade generally in every principal city and town in the United States, Canadas, and British Provinces, as well as in many other foreign countries.

HELP FOR HOPELESS.—You are weak, dejected, miserable, and nothing does you any good, you say. Don't despair. There is balm in Gilead. Have you tried Vinegar Bitters? No. Then why don't you? Whether your sickness be dyspepsia, biliousness, nervous weakness, constitutional debility, or any other trouble, Vinegar Bitters will revive and renovate your shattered system, as a genial rain refreshes the withered flowers.

FOR DISPEPSIA, Indigestion, depression of spirits and general debility in their various forms, as a preventative against Fever and Ague, and other intermittant fevers. The Ferro-Phosphor Elixir of Calisaya made by Caswell Hazard & Co., New York, and sold by all druggists, is the best, tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article for cleaning and preserving the teeth and gums. Sold by all Druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

CHRISTADORO'S HAIR DYE, stands unrivalled in the world. No lady or gentleman of discrimination uses any other. It is the most perfect, reliable and effective hair dye in the world. Manufactory, 68 Maiden Lane, New York.

CARBOLIC SALVE unequalled as healing compound. Physicians recommend it as as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, sole proprietor, 8 College Place New York.

RISLEY'S BUCHU is a reliable Diuretic and Tonic for all derangements of the urinary and genital organs. "The genuine as formerly" sold by Hay and Harrad's Risley and their wholesale, is now prepared by R. W. Risley, the originator and proprietor, and the trade supplied by his successors, Morgan & Risley, New York.

VARINA, or opium eaters, the most perfect and diviest the market, made by Queen of Dr. R. M. Bigelow, Detroit Medical College. Is always uniform in strength, which is rarely the case in other preparations of opium.

PLATT'S ASTRAL OIL, has a world-wide reputation for the safest and best illuminating oil. Over two million gallons have been sold for the past two years, from which no accidents of any description have occurred. Send for Circular. Oil House of Chas. Platt, Established 1770, New York.

T. D. Chaney & Co., Agents for South Carolina.

WE HAVE FREQUENTLY HEARD mothers say they would not be without Mrs. Winslow's Soothing Syrup, from the birth of the child until it has finished with the teething stage, under any consideration whatever.

THE SECRET OF BEAUTY. What is it? no longer taken for the world of fashion and all the ladies know that it produces by using a delicate but permanent preparation known as G. W. Laird's "Bloom of Youth." Its beautifying effects are truly wonderful. Depot 5 Gold St., N. Y.

PRATT'S

SOUTHERN-MADE GIN.

This Gin, of light draft, makes a good sample, and will pick more lint from the same amount of seed cotton, and in less time than any other Gin. It does not break the roll or choke, is simple in its construction and not liable to get out of order.

It is a good rule to try all things and hold fast to what has been approved, and answers the purpose for which it is made. This is claimed for Pratt's Gin, and admitted by practical planters who have used it

Steam Engines and Machinery.

Made by Talbott & Sons, Richmond, Va., for sale. These engines, with the latest improvements and of superior workmanship, have taken the premium over all others at fairs where the have been exhibited.

Orders for gins, engines, machinery, and gum bands promptly filled. Gins repaired by a skillful ginwright.
