EXCURSION TICKETS FOR A SONG!

The season for summer travel is at hand, and for a few months half the world will be away from home. An immense amount of travelling is done in this country in the summer season. People whose desires do not lead them, or whose purses will not permit them to visit Europe or the fashionable watering places, gratify their desires for change and recreation by excursions to beautiful and picturesque places in our

OWN NATIVE LAND.

Some combine business with pleasure, and take such routes as will allow them to attend to some small matter by personal attention which would not warrant the expense incurred were it not combined with pleasure and recreation. Those who seek pleasure only are often at a loss to determine which way to go or which route will embrace the most variable and pleasing scenery, give most comfortable accommodations and touch lightest that highly necessary companion, the pocket-book. For who is there among all those who travel in search of pleasure who tries to see how much expense can be incurred? And again who is there who does not endeavor in all cases to incur as little expense and get as much in return as is possible? The Illinois Central Railroad company with commendable liberality and enterprise on the part of itself and the various routes with which it connects, have issued a

ROUTE BOOK FOR TOURISTS

For the summer of 1873, containing routes and rates for excursion tickets for the summer season. These tickets were placed on sale in Cairo at the company's ticket office June 1, and will continue to be sold until August 15th, and will be good until the first day of November 1873, being four months and a half from the present time. They are sold at greatly reduced rates and may be purchased either in Cairo or at the company's office at 102 North Fourth street, St. Louis, and are sold only for the round trip. Persons desirous of taking a summer's jaunt into Michigan, Wisconsin or Minnesota have the choice of no less than

FORTY-EIGHT DIFFERENT ROUTES,

From Cairo or St. Louis. Some of these routes are all rail, others are part rail and part steamer. For instance the tourist who wishes to take a trip to Milwaukee may buy a ticket for $20 40 and take his choice of seven different routes after reaching Chicago. If he wishes to reach St. Paul, he can buy a ticket for the round trip for $24 80, and from that up to $36 40. On the first he can travel from Cairo to Dubuque by rail; thence to St. Paul by steamer, and return by the same route. The more expensive tickets take him via Chicago and other points, and a pleasing variety is added to the journey by a change from

RAIL TO STEAMER.

Excursion tickets can also be had for Madison, Wisconsin, Baraboo, Waukesha, Oconomowoc, Grand Haven, Green Bay, Green Lake, Duluth, Marquette, Elkhart lake and Ripon, the prices running from $20 to to $49 40, according to distance and route chosen. All of these routes take the traveller through some of the grandest, most varied scenery on the American continent; gives him a sight of the grandest of the great lakes, Superior, and its companion lake Michigan. The Baraboo valley, the beautiful lakes which are in the vicinity of Madison and Oconomowoc, Waukesha with its noted mineral springs, and many other places of notes, descriptions of which, together with many of the different towns of the Northwest, can be found in the guide which will be supplied free on application at the ticket offices.

The Western and Southern tourist who wishes to travel east, is not left out in the cold. Special excursion tickets from

CAIRO TO BOSTON AND RETURN,

The round trip for forty-five dollars are offered giving the traveller the choice of three different routes, from Detroit east. By the first he may go from Detroit to Portland, Maine, by the Grand Trunk railway; thence to Boston via the Boston and Maine or Eastern railways; the second, same as above, to Montreal, thence via the Vermont Central railroad along lake Champlain through the Green mountain region via White river junction, Concord and Nashua to Boston and return the same route. The other is the same to Ogdensburg, New York; thence through northern New York to Rouses Point; thence along lake Champlain same as No. 2 to Boston and return by the same route. In connection with the excursion tickets those who wish to pass through the Thousand Islands and down the rapids of the St. Lawrence river by steamer from Kingston to Montreal can do so at an extra cost of four dollars; Toronto to Niagra Falls and return via Lake and New York Central railroad three dollars and sixty cents; Richmond junction to Quebec and return for three dollars.

TO THE WEST.

For sale,—a ticket good for 1500 miles travel issued "to bearer" and good either way for one or more persons, over the Atlantic and Pacific railroad (length 327 miles) from Franklin, Mo., through Rolla, Lebanon, Springfield, Pierce City, Neosho and Seneca, Mo., to Vinita, Indian Territory, and good over the Missouri Pacific railroad (length 330 miles) from St Louis through Franklin, Jefferson City, Tipton, Sedalia, Pleasant Hill, Kansas City, Wyandotte and Leavenworth to Atchison, Kansas, and over the branches of these two roads, from Tipton to Booneville, Mo., 25 miles, from Sedalia to Lexington, Mo., 55 miles, and from Pleasant Hill to Lawrence, Kansas, 61 miles. COMMERCIAL HOTEL.

This popular hotel has been refitted and improved, and is now one of the most comfortable stopping places in the city. The travelling public and persons desiring pleasant quarters by the week or month, will always find them at the Commercial hotel. Rates of board have been reducted as follows: Day board, $4 50 per week; transit, $1 50 per day; board and lodging, from $5 to $7 per week. MRS M. J. WHITE,
tf Proprietress.

THE BARBER.

Gus. Heim, Sixth street, near Ohio levee, has just laid out a considerable sum of money in repainting, papering, and in every way repairing his barber shop, and his is now one of the nicest, if not the nicest tonsorial establishment in Cairo. Heim employs none but first-class workmen in his shop, and we venture to say the two young men who now hold situations there, cannot be excelled in their calling by any other barber or barbers in the city. Try them. 6-17-tf

KYNASTON TO THE FRONT.

Mr. James Kynaston, whose reputation as a butcher is par excellent with the people of this city, is about to open a new meat shop near the corner of Commercial avenue and Twentieth street, next door to Mr. Pat Burk's grocery store. It is a well known and acknowledged fact that Mr. Kynaston, during his long experience in the meat business in this city, never offered to his customers anything but the choicest of every kind of meat. He is a good judge of cattle, and buys nothing but the youngest and fattest, and as a consequence has the best of beef. The same may be said of every kind of meat sold by him. Give him a trial, and our word for it, you will always be pleased. 6-18-tf

SECURE THE SHADOW.

Have you visited Schlesinger's new photograph gallery on Eighth street between Commercial and Washington avenues? If not, you should do so, and give the proprietor an opportunity to try his skill in taking of you a perfect likeness and a splendid picture. Mr. Schlesinger's gallery is fitted up in the best style, with the intention of doing nothing but perfect work. The ladies' drawing room is beautifully furnished, and the operating room has a skylight unsurpassed by any in the West. Mr. Schlesinger hopes his many friends, who have heretofore given to him their patronage, will continue their favors. To them and the public generally he extends an invitation to visit his rooms, whether desiring work done at present or not, satisfied that the appearance of his gallery, the many conveniences he has procured—indeed, all the latest improvements in his art—and the skill of an operator of great merit, lately of London, Mr. Frank Locke Steele, will command their patronage when they shall need work to be done. 6-16-1m.

A GOOD INVESTMENT.

A rare chance is offered to some man with money to invest in good paying property in the most desirable part of the city. Two lots, 50 feet front on the avenue, house 3 stories. Two large stores can be fitted up on the first floor, the upper stories are well arranged for offices or dwellings. For further particulars enquire of JOHN Q. HARMAN & Co.,

SHINING UP ON THE LEVEE.

The front of the First National bank building has recently been painted, and now, Miller & Parker are painting the adjoining building with the celebrated Averill Chemical paint. B. F. Meggs does the work, and N. E. Way & Co., general commission merchants, Sixth street, furnish the paint. They have plenty more of the same sort in convenient packages and all colors mixed ready for use. It is the most durable, brilliant and economical paint in the world. Why don't you buy some? tf.

Try Dooley's Yeast Powder, you will soon find it not only the best, but also the cheapest baking powder. Put up full net weight. 6-18d&w1w.

DUNHAMS YEAST POWDER for purity and strength is unequaled. All who use it like it and recommend it to their neighbors 1-17-d6m.

NOT FOUND.—Physicians and thousands of distinguished persons who have in their homes, for the last seven years used Dr. Price's Cream Baking Powder and Special Flavorings, ginger, almond, lemon, etc., have found no hurtful substances in their composition. Parties using them can depend upon obtaining just what they wish, and are surprised, on the first trial to find how vastly superior they are to other kinds previously used. Pay a few cents more to obtain such genuine articles as Dr. Price's have proved to be. 6-11d&w1w.

STAND FROM UNDER.—On account of the great popularity and immense success of Dr. McCabe's Renowned Medicated Blackberry Brandy, in curing diarrhea, cholera morbus, dysentery, and summer complaints, unprincipled parties in some localities are attempting to manufacture and sell an imitation, a villainous compound under the name of Medicated Blackberry Brandy. There is but one Medicated Blackberry Brandy in the United States, and that is never sold in bulk; the McCabe Medicine company offer a reward of five hundred dollars to any responsible party who will furnish conclusive evidence of the violation of their rights as above. 6-11w2w

CHILLS AND FEVER, DUMB AGUE OR ANY FORM OF INTERMITTENT FEVER.

THE GREATEST DISCOVERY OF THE AGE!

There are no diseases so debilitating in their effects upon the constitution as the above, and none more difficult to cure by the usual mode of practice. The Fever and Ague Powders will effect a cure in cases of the longest standing as well as prove a preventative in the forming stages of the diseased. Being purely vegetable, they act with certainty on the disease, totally eradicating it from the system, and prevent a return at any future period.

Why waste your money and health in trying every medicine you hear of, when Thompson's Fever and Ague powders have never failed to cure the Chills in any case.

REASONS WHY THEY ONLY SHOULD BE USED.

Their reputation is established. Thousands of testimonials have been received, showing that these powders have performed miracles in curing cases of long standing, many of them considered hopeless.

There is no risk in taking them. They contain nothing injurious, and, therefore, none of the lingering diseases so often the result of the many nostrums of the day. Physicians recommend them as superior to quinine or any other known remedy, for they leave the system in a healthy state, and the patient beyond the probability of a relapse.

BEWARE OF COUNTERFEITS.—The genuine are put up in square tin boxes, with THOMPSON'S FEVER AND AGUE POWDERS stamped on the lid, and the signature of THOMPSON & CRAWFORD on the wrapper. None others can possibly be genuine.

JOY TO THE AFFLICTED!

CHALLENGES THE WORLD.

DR. SHERMAN'S

CELEBRATED

SYPHILITIC ERADICATOR

This preparation is acknowledged to be superior to all known medicine as a sure and certain cure for syphilis in all its forms, no matter how deplorable the condition of the patient. It is entirely vegetable. It can be taken in all conditions of the system, and with safety, also, in connection with other medicine, if the patient desires. The recipe, from which this preparation was made, was obtained from an old physician in South America, in 1822, by Dr. Sherman, Sr., who has used it with unparalleled success in the treatment of syphilis, not only exciting the admiration and astonishment of leading citizens, but of the medical faculty, and has saved the lives of many afflicted when given up as past hope by skillful and eminent physicians.

One bottle will satisfy the greatest skeptic as to its superiority over all other preparations now in use.

Price, $5 per bottle. Sent to any part of the United States by express. Prepared and sold only by

This extraordinary medicine, the fame of which is spread broadcast throughout the country, is undoubtedly superior to any remedy ever offered to the public, for the complaints for which it is intended. Pleasanton and others of the army; Father P. J. DeSmet, the celebrated Indian missionary; also officers of the navy, surgeons, hospital stewards, commanders of nearly every steamer plying on the Mississippi and tributary rivers, Western Sanitary and Christian Commissions, army chaplains and others too numerous to mention. Likewise highest encomiums of the press, praising its valuable medical qualities in the highest terms. No other medicine has such recommendations. We can also refer to his Excellency, B. Gratz Brown, ex-Governor of Missouri; and Hon. Joseph Brown, Mayor of the city of St. Louis, and many other State officials, for which there is no space in this advertisement.
