SATURDAY, APRIL 19, 1879.

WHO WAS RIGHT?

Not long since, we published the notorious editorial of the Okolona *Southern States* entitled, "Thank God, We've Captured the Capitol." We claimed then, as we do now, that the *States* only spoke the feelings of the great majority of the Southern Democrats. We held that the great war of the Rebellion had only been transferred from the battlefield, where the Rebels found themselves conquered, to the Congress of the United States. The *Tribune* immediately, through its columns, stated that the *States* was not a true representative of the party to which it belonged and copied a paragraph from a Vicksburg journal to fortify its position. By this they would seem to mean that a man's standing at home was the proper criterion by which to judge of him. We accept this as perfectly true, and think that no sane man will deny. Now to prove that we were correct in our remarks, and for the benefit of the *Tribune* and other Democrats and the delectation of Republicans, we will give some extracts from various papers published in Mississippi; all of them Democratic organs. We clip:

"The Okolona *States* is a Simon-pure Democratic paper."—*Hazlehurst (Miss.) Copiahan.*

"The Okolona *States* circulates in twenty-five States. Merit never fails to win."—*Macon (Miss.) Sun.*

"The *States*, one of the purest and best Democratic papers published in our State has entered upon another year."—*Oxford (Miss.) Eagle.*

"The Okolona *States* sparkles like a crown of precious gems. Every earnest hater of Radicalism should read it."—*Columbus (Miss.) Democrat.*

"For intelligent consistency, marked ability, superb diction, and vigorous logic, the Okolona *States* ranks with the first of Southern newspapers."—*Starkville (Miss.) Times.*

"Col. A. Y. Harper and his associate, W. H. Kernan, of the Okolona *States*, deserve special mention among the talented editors of the State."—*Prentiss (Miss.) Pleader.*

"We, in the main, like such Bourbons as Harper. On some points we might differ, but we admire his cool, steady, sledge-hammer blows in the interest of Democracy. He asks no compromise, neither does he propose to give any. That's right."—*Newton (Miss.) Bulletin.*

"Col. A. Y. Harper, of the Okolona *States*, has associated Mr. Will. H. Kernan with him in the editorial conduct of his paper. Mr. Kernan is one of the most brilliant of our young writers, and has been connected with the press in Ohio from his boyhood, where he showed himself an able defender of the doctrine of States Rights, and an earnest foe of Radicalism."—*Columbus (Miss.) Democrat.*

"Blanche, Sweetheart and Tray are now yelling at the heels of the *States*. Little papers never heard of fifty miles from home are trying to convince the Northern people that the *States* does not represent the true sentiments of the Southern people and that Harper and Kernan are both crazy."—*Oxford (Miss.) Eagle.*

If the *Tribune* is not satisfied with the above extracts, an' will say so, we have yet another batch which we will give it. It is not at all difficult to predict the *Tribune's* course about this. It will attempt to get off sharp things about "the boy," but as far as refutation is concerned, nothing of the kind will appear.

From the *States* of the 16th, we obtain some more paragraphs which will be interesting to the Union men of East Tennessee and their relatives. Especially will those who were wounded battling for their country and the old flag, and on this account receiving pensions, admire it. It says:

"We are taxed to pension *Lincoln hirelings* for killing our people, burning our homes, laying waste our fields, stealing our property and hurling us headlong into ruin, poverty and despair."

"We are taxed to pay for the enforcement of false and fraudulent laws that were enacted to cow, humiliate and put us utterly to shame."

"We are taxed to pay the salary of a criminal who stole the Presidency."

"We are taxed to pay the Returning Board thieves and perjurers and unhung scoundrels whom he appointed to office."

"*Down with the devil born amendments!*"

"Down with Centralism and its hints of crown and sceptre!"

"*Down with the pictures of Lincoln and the scoundrels who surrounded him in the battle-days of '61-'65!*"

"Down with every anti-Democratic idea and idol!"

"These be the watchwords for 1880!" [The italics are our own.—ED.]

Also,

"Revolution—Revolution—Revolution! yell the Radicals at the top of their lungs. Well, y-e-s! It is a Revolution, and no mistake. The first have become last, and the last first."

"The Federal Brigadiers have been collared and jammed into back seats and the *Confederates have been called to the fore.*"

"But this is only the beginning. Wait! We are knocking the props from under your Amendments. Wait! When the Revolution has run its course there will be never a law in the land that will conflict with *States Rights*, the *principle of Secession* or *White Supremacy*. Wait!" [The italics our own. ED.]

All this we submit with not a single comment.

VARIETIES.

Senator Jones has gone to Leadville.

Chief Moses looks very much like Henry Ward Beecher.

Official returns from Wisconsin show that the Republican majority for Judge of the State Supreme Court will be almost exactly 28,000.

Col. R. G. Ingersoll says that he intends to give $1,000 immediately, and half of his income for the next five years, to the colored refugees.

One hundred colored emigrants arrived at Saint Louis, Tuesday, from Mississippi. They say the whites are using compulsory means to stop the movement.

The Michigan Senate on Tuesday, passed a law fixing the legal rate of interest when no rate has been named at six per centum, and repealing all usury laws.

Josh. Billings says Artemus Ward was the best American drollerist, Nasby is the best political satirist, and Mark Twain is unequaled as a descriptive humorist.

Gen. Beauregard wants to see Bayard or Thurman nominated for President by the Democrats in 1880, with Hampton or Lamar second on the ticket. So do we.

Last November, Ben. Butler received 692 votes in Pittsfield, Mass. On monday, at the local election there, his party ticket received 230 votes—a decrease of 462. He is said to be losing the confidence of the Massachusetts Greenbackers.

Commandant Debberly, said to be the last survivor of the famous battle of Austerlitz, has just died near Bordeaux, in his ninety-ninth year. He entered the army in 1802, and was pensioned in 1832.

Doctor Carver, at a recent exhibition in England, placing ten glass balls on the ground, fired a bullet into the turf immediately beneath. The missile tearing up the soil, threw the balls into the air, and they were broken as they rose.

Although John G. Whittier is a bachelor his name seems to exert a nuptual influence. In his honor a Whittier club was organized in Cincinnati eighteen months ago, and the membership of the club was limited to eighteen—nine men and nine women, all unmarried. Since then one of the gentlemen and one lady have been joined in matrimony, five couples are under engagement, and there is hope for the remaining three.

President Diaz in a message to the Mexican Congress says that a contract has been signed for the laying of a submarine and land line of telegraph from a Gulf port of the United States, along the Mexican coast, touching at various Mexican ports, and passing by way of the Isthmus of Tehuantepec to the Pacific coast, where it is to terminate. President Diaz complains that the order General Ord for the pursuit of the incursionists across the border is still in force, and the treaty of 1848 is thereby violated. President Diaz hopes that the United States, obeying the dictates of justice, and considering the interests of commerce and industry, will revoke that order as, he declares, it is contrary to international law.

THERE'S no mistake, that one-half the spasms and cramps in children are the result of worms, and even adults are frequently treated under mistake, while the genuine seat of the disease is worms. Try "Dr. C. McLane's Celebrated Vermifuge," taking great care to see "Fleming Bros., Pittsburgh," on the label, and you will learn a grand secret.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MERRELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexions or a brown dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given.

LUNGS

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one-third of all death's victims, arises from the Opium or Morphine treatment, which simply suppresses as the work of death goes on. $10,000 will be paid if Opium or Morphine, or any preparation of Opium, Morphine or Prussic Acid, can be found in the GLOBE FLOWER COUGH SYRUP, which has cured people who are living to-day with but one remaining lung. No greater wrong can be done than to say that Consumption is incurable. The GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also, Colds, Cough, Asthma, Bronchitis, and all diseases of the throat and lungs. Read the testimials of the Hon. Alexander H. Stephens, Gov. Smith and Ex-Gov. Brown of Ga., Hon. Geo. Peabody, as well as those of other remarkable cures in our book—free to all at the drug store—and be convinced that if you wish to be cured you can be by taking the GLOBE FLOWER COUGH SYRUP.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease, in a thousand, is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. DR. PHEMERTON'S STILLINGIA or QUEEN'S DELIGHT is the only medicine we know of, which, with a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. $20,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it.

Price, by all Druggists $1.00.

THIS standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
