DAY'S Kidney PAD

IS STRONGLY ENDORSED.

Rev. E. F. LeGauss, Galena, Ills., writes—"For over ten years I have been a great sufferer from pains in the small of the back and region of the Kidneys which was most excruciating and at times almost insufferable. Doctoring brought no relief, and I was finally advised to go abroad and seek the climate of my youth. In Germany and Switzerland, eminent physicians, after close examinations, declared my sufferings to arise from disease of the Kidneys of long standing and could do no good. I was however benefited by the climate and consequently returned. No sooner had I been back, and began my pastoral work when the old trouble grew again so intense as to make life a burden. A few months ago I came into possession of one of Day's Kidney Pads, put it on, and the effects were truly wonderful. The pain at once grew less and are now, after wearing the second Pad, entirely gone, and there can be no doubt but that I am entirely cured, as I write this some weeks after its use, and am strong and look again the very picture of health. I write this perfectly voluntarily, and it is dictated only by truth and gratitude. Indeed, I consider the Day Kidney Pad Co. God's agents and great benefactors of mankind. May all the sufferers be helped as I have been is my earnest wish."

MRS. R. L. SPORE, SVARON, WIS.—"The doctors had given my mother up with what they called Bright's Disease. She is now wearing DAY'S PAD, gaining strength, and improving every way."

LARIMORE & DEAN, Druggists, Niles, Mich.—(30 years in business)—"Day's Kidney Pad is having a large sale and gives better general satisfaction than any remedy we ever sold."

CASPER HEWITZEL, Policeman, Lancaster, Pa.—"I have been a great sufferer from Kidney complaint and after wearing your Pad 25 days I feel better than I have for 10 years."

DR. A. J. STONER, Decatur, Ills.—"Your Pad is doing great good here. It sells every day and gives universal satisfaction."

For sale by druggists, or sent by male (free of postage) on receipt of the price—Regular Pad, $2.0; Special Pad (extra size), $3.00; Children's, $1.50. Our book, "How a Life was saved," giving the history of this new discovery, and a large record of most remarkable cures sent free. Write for it. Address, DAY'S KIDNEY PAD CO., Toledo, O.

CAUTION. Owing to the many worthless Kidney Pads now seeking a sale on our reputation, we deem it due the afflicted to warn them. Ask for DAY'S KIDNEY PAD, and take no other.

ATTEMPTING A FRAUD ON MEXICAN SOLDIERS.

Two of the Veterans Expose the Game.

JONESBORO, TENN., Oct. 9, 1880.

MR. EDITOR: The democrats are attempting to practice a new and most glaring fraud on the Mexican soldiers of the first district, who belong to the republican party. A grand re-union of Mexican veterans has been advertised to be held at Newport, Cocke county, Tennessee, on Friday, the 15th inst.

As a soldier in the Mexican war, and also in the war to suppress the late democratic rebellion, I would be rejoiced to meet with my old comrades of either war, under proper auspices and take them by the hand, and talk over old times, and renew old associations, but believing the meeting at Newport to be called simply to give a "boom" to the present democratic candidate for congress in this district, and not desiring in anyway to help to produce a "solid south," I must most respectfully decline the urgent solicitation given me to attend.

GEO. MCPHERSON.

MR. EDITOR: I see an effort is being made to have a grand re union of the Mexican veterans at Newport Cocke county, Tennessee, on Friday Oct. 15th, 1880, to which I have been earnestly invited. I respectfully decline the invitation on the grounds that it is an effort of the democratic party to practice a fraud upon the Mexican veterans who are republicans. The object is to make a "boom" for the democratic candidate of this district for congress. I am not willing to lend any aid whatever to make a solid south. I know many other Mexican soldiers who think and will act as I do. Under proper auspices I would gladly meet my comrades in arms, shake their hands, and recount the memories of the days.

J. P. O'BRIEN,
Mexican soldier.

Jonesboro, Tenn., Oct. 11, 1880.

To M. P. Reeve, of Greeneville.

Mr. Reeve you denounce as utterly false the charges made against you in an article over the nom de plume, "True Blue." Can you who claims to be a Christain, a gentleman, and a truthful man, a member of the great "non-political" (?) church, say you did not receive a hundred dollars that went to J. B. R. Lyon?

Do you deny that you had a hundred dollars in your safe which was for said Lyon?

Do you say you received no letter from Wm. D. Haynes, in reference to the sell out or "lease" as the Bristol Courier calls it of the "New Era?"

Do you dare say you handled no money under the instructions of the letter you received from Wm. D. Haynes, chairman of the democratic executive committee of this congressional district?

You can not do it and tell the truth Mr. Reeve. You are "particeps criminis" to the crime of trying to practice a fraud upon the public. You, M. P. Reeve, were the willing tool in the hands of Wm. D. Haynes, the Haynes who borrowed money from a widow and plead the statute of limitations on it, the man who in Sullivan county bears the epithet as the "corn-grabber" Haynes, you, M. P. Reeve, were the machine through which this Haynes, the impersonation of all corruption, accomplished his dirty end. Did you never exhibit a letter to any man that you received from said Wm. D. Haynes? Did you not have a hundred dollars which went to J. B. R. Lyon?

Now, deny again. The public shall know you, and shall know if you are a man of veracity. Speak out, these are simple questions.

"TRUE BLUE."

The Canvass at Athens.

ATHENS, Oct. 9, 1880

MR. EDITOR: The Garfield and Arthur club of this place met last night with a full attendance. Messrs. Matthews, Briant and Daniel, addressed the club in a few appropriate and well chosen remarks, which were received with marked attention and interest. Our club now numbers about one hundred and forty members. We are all alive to the promotion of the interest, harmony and unity of the republican party, and moving right along smoothly and quietly and using every honorable means to further the interest of our candidates.

We are proud to know that the Hon Horace Maynard is to address us on the 21st, inst. and we feel safe in the assertion that there will be a rousing crowd out to hear him. Judge Hawkins speaks here on the 15th inst, at which time the republicans are preparing for a grand rally. Bah for Garfield.

Since the introduction of this Spool Cotton into the American market, its success has been unprecedented. No other brand of thread has ever met with the same amount of public favor in the same space of time.

The "O. N. T." manufacturers were the first to recognize the importance of the Sewing Machine and to make a six-cord cotton, which has ever since been the recognized standard for machines.

All the improvements in machinery that the inventive genius of the nineteenth century has produced have been adapted by the manufacturers of "O. N. T."

At all the great International Fairs of the world, "O. N. T." has been awarded the highest honors.

The "O. N. T." factories at Newark, N. J. and Paisley, Scotland, employ 5,200 operatives—make sufficient thread daily to go around the world four times.
