TO CORRESPONDENTS—We desire news from all parts of East Tennessee. Short and pointed letters, full of NEWS, are especially desirable. But as we cannot give to each locality or to each event the space or prominence they sometimes merit, we beg our correspondents to be brief. Write what you want in a few words. Such communications always are acceptable. We cannot find time to re-write long communications. To condense them is often impossible in the hurry of our work. Be short and spicy. That is the secret of success in newspaper writing.

THE TENNESSEE ELECTION.

Porter Elected Governor by 35,000 Majority.

A Light Vote and Congressional Gains

NASHVILLE, Nov. 3.—12 P. M.

Special to Knoxville Chronicle.

Porter carries the city by 415, and Harrison by 3 votes.

The returns from the most populous counties in Middle and West Tennessee indicate a light vote by both parties. It is estimated here that Porter's majority in the State will reach between 25,000 and 30,000, but many close calculators think it will be smaller. Young, Caldwell and Atkins are certainly elected to Congress in West Tennessee, the first named by 3,500 majority. House probably carries this district by 3,000 majority. Whitthorne is elected in the Seventh, Bright in the Fifth and Head in the Fourth Districts by heavy majorities. In this county, Jones (Rep.) for Senator runs Wade (Dem.) closely, but the balance of the Democratic ticket is elected by largely reduced majorities, taking the August election as a basis.

The primary election in Sumner and Bedford to determine the choice of the people for U. S. Senator was a failure. Johnson got most of the votes, but separate ballot boxes were not provided in a large number of precincts.

No disturbance here or at any other points as far as heard from. The Republican candidates for the Legislature are all defeated in this and the western portion of the State, according to the latest advices.

The Vote at Sweetwater.

SWEETWATER, Nov. 3, 5:40 P. M., '74.

Special to Knoxville Chronicle:

Mr. Maynard received 45 votes, Mr. Porter, 161. Thornburgh, 49; Mabry, 147. Cate, 48; Blizzard, 156. Fowler, 161; Rose, 46.

There was a full vote in this district, and the party lines were drawn close.

The Vote at Calhoun and Charleston.

CLEVELAND, Nov. 3—7:45 P. M.

Special to Knoxville Chronicle.

Vote of Charleston: Porter 75, Maynard 51; Nelson 73, Dibrell 53; Cate 56, Blizzard 69; Trewhitt 76, DeFord 49.

Vote of Calhoun: Porter 98, Maynard 35; Dibrell 97, Nelson 40; Blizzard 98, Cate 39; Dobson 91, McElwee 41.

Vote From Greeneville.

GREENEVILLE, Nov. 3—8:40 P. M.

Special to Knoxville Chronicle:

Vote of Greeneville: Maynard, 145; Porter, 115. Butler, 115; McFarland, 117. In five districts McFarland gains 104.

Republicans Claiming McMinn County

ATHENS, Nov. 3—9:20 P. M.

Special to Knoxville Chronicle.

Five districts give Porter 518, Maynard 554. For Congress—Dibrell 517, Nelson 547. Senate—Blizzard 515, Cate 564. Both parties claim the county and Representative.

Republicans Carry Hamilton County.

CHATTANOOGA, Nov. 3.—9:45 P. M.

Special to Knoxville Chronicle.

Maynard's majority in the city is 142, Nelson's 276. Maynard's majority in the county will be about 200. Monger and Porter, Republicans, are probably elected as Representatives. Padget, Republican, for Senate, is doubtful, on account of Snyder's defection. The vote was very light. Two hundred Republican voters are on the Cincinnati road from this city.

Washington County Democratic.

JONESBORO', Nov. 3.—10:45 P. M.

Special to Knoxville Chronicle.

Seventeen districts give Porter 114 majority, McFarland 177, Carr 131, Harris 69. The two districts to be heard from will increase these majorities 75. A light poll everywhere. It will not reach 5,000.

Republican Victory in Loudon County

LOUDON, Nov. 3—12:30 P. M.

Special to Knoxville Chronicle.

Only three districts have been heard from, which give Maynard 256, Porter 291, Thornburgh 264, Mabry 284, Cate 256, Blizzard 293, Rose 282, Fowler 268. This includes the Lenoir district, the only Democratic district in the county, with no loss to the Republican party. The Republican ticket will carry the county by about 250 to 350, which is about the usual county vote.

Jefferson County

The 10th, 8th, 1st, 11th, 7th and 8th and one voting place in the Talbott's Station district, gives the following vote: Maynard 397, Porter 285; Thornburgh 396, Mabry 320; Ellis (Senate) 353, Dick 375; Coldwell (Representative) 256, Carson 241, Andrews 113, Mitchell 53. The districts to hear from will probably increase Thornburgh's majority to five hundred. Carson (Republican) is undoubtedly elected to the Legislature.

Democratic Gains in Several States.

REPUBLICANS OF THE WEST DOING BETTER THAN THE EAST

The Next House of Representatives Probably Democratic

Alabama.

MOBILE, Nov. 3.—The city and county of Mobile has gone Democratic by about 1,200 majority. There were two riots caused by the negroes' attempting to rescue negro repeaters from the United States Marshal. The riots were easily suppressed. Two negroes were killed, and one white man slightly wounded.

MONTGOMERY, ALA., Nov. 3.—Sumter county has gone Republican by 1,500 majority. Lee county has gone Democratic by 500 majority. The returns are too meagre to telegraph. This city will show a Democratic gain of 600.

Serious Riots in Alabama.

MONTGOMERY, ALA., Oct. 3.—An immense vote is being quietly polled. Many colored men vote the open Conservative ticket.

Two fires occurred this morning, and both still burning.

MONTGOMERY, ALA., Nov. 3.—Negro women dressed as men fotch the Radical ticket at Huntsville to-day. They were jailed.

The negroes are rejoicing over the two destructive fires here this morning.

MONTGOMERY, ALA., Nov. 3.—Enough has been received to assure the election of Bradford (Democrat) to congress in the place of Pelham. A Democratic gain.

MONTGOMERY, ALA., Nov. 3.—The election is quiet. No disturbance of any kind here. The vote of this year is 800 less than that of 1872, and is claimed as that much Democratic gain. The returns are very meagre, owing to the great length of the ticket of Tuscumbia. After closing the polls a difficulty took place between the town Marshal and a citizen which resulted in the mortal wounding of the latter.

Hayes is elected to Congress in the Fourth district. Democrats elect five Congressmen, being a gain of two.

The Returns from Massachusetts.

SPRINGFIELD, MASS., Nov. 3, noon.—The election has awakened extraordinary interest and a vote nearly as heavy as that for President, in 1872, is being polled. Seven hundred new voters have been made in this city, and as four-fifths of them are Democrats, a majority of 1,000 for Foster may be expected in Springfield. A good many Republicans are belting Alexander, the Republican nominee for Congress in the Eleventh District, but the entire Granger influence of Hampton and Berkshire counties is thrown in his favor.

BOSTON, Nov. 3.—Banks' majority is estimated by his friends now at fully 5,000 in the Fifth District, over Gooch, who had a majority in 1872 of 4,159. Forty towns, as estimated by the *Traveler*, give a net gain for the Democrats of 1,563. The *Journal* gives in forty-four towns: Talbot 8,035, and Gaston 7,239 votes. The same towns last year give Washburne 6,579, and Gaston 4,224.

BOSTON, Nov. 3, 4 p. m.—Returns from 263 towns give Talbot 58,368, Gaston 55,818. Same towns last year gave Washburn 43,652, Gaston 51,458. These figures do not include the vote in Boston, last returns of the city are Talbot 10,600, Gaston 16,400. Gaston leads on these returns about 3,000 and on all sides his election is conceded with probable majority of from five to eight thousand. Frost's election in the Fourth District is claimed, but it will be very close. Butler badly beaten, Thomson having a majority of 1,051 with only one small town to hear from. Williams and Alexander are also defeated by a small majority. Ayer is defeated in Seventh District, later returns do not change results foreshadowed in earlier reports. Cities of Lynn and Salem are in blaze of excitement, bonfires, bell ringing, guns firing, street thronged with crowds of people cheering and otherwise expressing their joy. In Boston the crowds have dispersed satisfied with the election news and astonished at the result.

BOSTON, Nov. 3.—11 P. M.—George F. Hoar carries the ninth congressional district by 377 majority. His majority in 1872 was 7,681.

BOSTON, Nov. 3.—Twenty-three towns give Talbot a majority of 10,31 out of a total of 71,55 votes, about the same as last year. So far in the Second District, Harris, (Republican) has a majority of 251 in seven towns. In the First District, Buffington, (Republican) for Congress has a majority of 1,303 in ten towns out of a total of 2,401. The Republicans fear for the result in the Eighth District, Williams not receiving as heavy a vote as necessary. In the Seventh District, Ayer has a majority and good prospects.

Public Level Gen. Banks is elected in his District. Medford gave 715 for Thorpe, and 396 for Gooch. Waltham at 2 P. M. gave Banks 702, Gooch, 281. Woodward gives Gaston, (Dem.) for Governor 40,10, Talbot, (Rep.) 35,76.

BOSTON, Nov. 3, 8:15 P. M.—The returns thus far received indicate that Buffington, in the first, and B. W. Harris, in second congressional districts, are elected beyond a doubt. Ayer, for Congress, was defeated in his own town. Lowell, by a majority of 187. Sixty-six towns now give Talbot 15,442, and Gaston 14,081. Last year the vote in three towns was, Washburne, 12,578, and Gaston 7,355.

BOSTON, Nov. 3.—8:30 P. M.—Eighty-seven towns up to this hour return for Talbot 26,252, and for Gaston 24,291. A private dispatch to the *Advertiser* from Essex says it is undeniable that Butler is defeated by 1,000 majority, if not more. Pierce (Rep.) is elected in the Second District by a majority of 1,742, with his own Ward to hear from. The Congressional situation is summed up to this hour, 8 P. M., as follows by the Republicans: Chapin (D m.), in the Eleventh District, is elected by a large majority. Ayer (Rep.), in the Seventh District, doubtful. Williams (Rep.), in the Eighth District, doubtful. Hoar (Rep.), in the Ninth District, elected. Frost (Rep.), in the Fourth District, doubtful. Banks (Rep.), in the Fifth District, elected by a large majority. B. W. Harris (Rep.) in the Second District, and J. Buffington (Rep.), in the First District, are elected beyond doubt. The Democrats already claim the State for Gaston, and the Republicans are waiting for further returns. So far Talbot is ahead.

BOSTON, Nov. 3.—12 P. M.—The Congressional election results as follows: First District, Buffington, Republican; Second District, Harris, Republican; Third District, Pierce Republican; Fourth District, Frost Republican; Fifth District, Banks, Independent; Sixth District, Thompson, Democratic; Seventh District, Tarbox, Democratic; Eighth District, Warren, Democratic; Ninth District, Hoar, Republican; Tenth District, Sisley, Independent; Eleventh District, Chapin, Democrat.

PHILADELPHIA, PA., Nov. 3.—The election is progressing very quietly. It is entirely barren of excitement. Under the new election law polling precincts number over a hundred, and there being no hourly announcement of state of poll, nothing can be known to base any calculation upon until the polls close at 7 P. M. There is much scratching, and Mann, the Republican candidate for district Attorney, is a sufferer from the bitter hostility to him, made by the Democratic reformers.

PHILADELPHIA, Nov. 3.—The Eleventh Ward gives Latta, (Dem.) for Lieut. Governor, 62 majority. Randall for Congress, 755 majority. Lycoming county give 500 of a Democratic majority. In Chester county, Washington Townsend, (Rep.) is re-elected to Congress by 1,500 to 2,000 majority. Wayne county, gives Hon. Heide, (Rep.) 12 majority. Dauphin county, Harrisburg, 300 Republican majority.

PITTSBURG, Nov. 3.—The returns are meagre and come in slowly. In Allegheny county, the Republican State ticket has from 1,500 to 2,000 majority. Negley, Republican, for Congress from the 22d district is probably defeated. Thomas M. Byrne, Republican, for Congress in the 23d district is probably elected.

Roberts, Republican, is defeated in Utica District, and a Democratic gain comes from the county, with heavy Democratic gains reported throughout the State.

The *World* claims every Democratic Congressman in New York city. The following was received to-night:

NEW YORK, November 3, 1874.

To G. W. Adams:

The *World's* office, Washington, D. C. The Democratic majority in the city is 42,000, in Brooklyn 7,000. Every city Congressional District is again, but two, Roberts is beaten in the Utica District. Walker is elected in the Steuben District. Every dispatch from the interior chronicles heavy gains.

[Signed,] JEROME B. STILLMAN.

The Democrats have carried Newark and Essex county, New Jersey by a small majority. In the Sixth Congressional District F. H. Teese, (Dem.) is elected over M. L. Ward. In Hudson county Judge Beslo, (Dem.) for Governor has a majority of 3,000. Hardenburg, (Dem.) is elected to Congress from the Seventh District by a large majority. Passaic county complete gives Halsey, (Rep.) for Governor 11 majority. A Democratic gain of 800. Middlesex county has gone Democratic by a large majority.

The New York *Tribune* says the Democrats elect two thirds of their Congressmen in New York State and have 20 majority in the Assembly.

New York Election.

NEW YORK, Nov. 3.—The weather is splendid. Voting commenced early. There was a row this morning in the 21st Ward between Coroner Richard Croker and ex-Sheriff O'Brien, who is running as candidate for Congress in opposition to Hewett, the Tammany nominee. Both were backed up by their friends, and during the fighting one of O'Brien's gang shot and killed a Croker man. Reinforcements for the police have gone to the spot. A feud has long existed between O'Brien and Croker for the ascendency in the Ward, the latter being a Tammany man.

BROOKLYN, Nov. 3d.—A heavy vote, and all quiet.

NEW YORK, Nov. 3.—Sixty-five election districts in this city give Dix, for Governor, 4,421; Tilden, 8,988, indicating a majority (Dem.) in the city of 40,000. Scattering returns from the interior show uniform gains for Tilden. Wickham, Democrat, is undoubtedly elected Mayor by a large majority over both Wales and Ottendorfer. For Register the election is close; the returns present nothing of moment, favoring Jones, Republican, over Hughes, Democrat.

One hundred election districts in this city give Dix, for Governor, 6,902, Tilden 14,536, Wales, Republican for Mayor, 6,027; Wickham, Democrat, 12,443; Ottendorfer, 3,362; Jones, Republican, for Register, 10,842; Hayes, Democrat, 10,300.

LATER—9 P. M.—Returns from 141 districts in this State outside of the City of New York, show a gain for Tilden of 2,863. There are over 2,000 districts in the State outside this city.

NEW YORK, Nov. 3—9:30 P. M.—Three hundred and forty-four election Districts in this city, give Dix, 25,742, Tilden, 54,435. Two hundred and four Districts outside of New York city, give a Democratic net gain of 3,568.

NEW YORK, Nov. 3.—The vote in this city complete is as follows: Governor, Dix, 45,187; Tilden, 87,248. For Mayor, Wickham, 57,729; Wales, 37,539; Atendorfer, 24,772. For Register, Hayes, 91,606; Jones, 71,425.

South Carolina.

CHARLESTON, S. C., Nov. 3.—It is impossible as yet to approximate the result in this State. In Charleston the Green fusion beats Chamberlain (Rep.) by over 5,000 majority. The Conservatives are confident, and claim two Congressmen. The election was remarkably quiet.

Now, at midnight, it is probable that Green's majority, in Charleston, will reach seven thousand.

The returns from all parts of the State exhibit heavy Conservative gains.

The result for Governor is in doubt.

Keeshaw, Conservative, certainly, and McGowan, Conservative, probably are elected to Congress.

In the Charleston district Mackey Fusion beats Beltz, Republican. Smalls, colored, is elected from the Fifth district. Rainey's re-election from the First district is doubtful.

Rhode Island.

PROVIDENCE, Nov. 3.—Benjamin J. Evans is elected to Congress in the first district, and Latimer W. Ballou in the second district, both Republicans.

PROVIDENCE, R. I., Nov. 3.—The two Congressional districts go Republican. The results are being well assured, at the beginning of the campaign scarcely quarter of votes of the district was polled.

The Dutch Carry Holland.

AUGUSTA, GA., Nov. 3.—The election did not elicit a particle of excitement in this city. About 900 votes were polled, nearly all for Alexander H. Stephens, many negroes voting for him.

In Hancock county, the negroes nominated a colored man named Harrison in opposition to him, but he received very few votes. All the prominent Republicans in the Eighth District endorse Mr. Stephens, who may really be considered as elected to Congress without opposition.

SAVANNAH, Nov. 3.—Chatham county gives Hartridge, (Dem.) about 1,500 majority. The Democratic majority in the first District is estimated at 3,000. No reports of any disturbances.

AUGUSTA, GA., Nov. 3.—Blount, Democrat, carries the 5th district by a large majority. Cook, Democrat, carries the 3d district by a handsome majority. Candler's majority in the 5th district is estimated at 3,000. Felton, Independent Democrat, leads Dabney, the regular nominee, 1,600 majority in the 7th district. The returns include news from the strongholds of both candidates. Mills, Republican candidate in the 5th district, says he will contest Candler's seat.

The returns from the first, second and third districts indicate the election of Hartridge, Smith and Cook, Democrats. Cook is elected beyond a doubt. Decatur gives a small Republican majority for Whitely, but Thomas county, heretofore thorough Republican, has gone Democratic. Hartridge is certainly elected over Bryant, Republican, in the 1st district. Hartridge's majority in Savannah is 1,800. In summing up the returns from all portions of Georgia so far as received, there appears to be no doubt of the election of the undivided Democratic delegation. The election has been one of the most orderly that has ever taken place in the State. No disturbances reported. The returns from Florida are meagre and unsatisfactory. Nothing definite can be obtained to night.

AUGUSTA, Nov. 3.—Candler, (Dem.) in Fifth, and McMillan, (Dem.) in Ninth District elected for Congress by large majority; result in Seventh District doubtful.

Virginia.

RICHMOND, VA., Nov. 3.—The whites to-day polled an average vote in this city, but the colored vote has fallen off greatly; some of them voted for Walker, the Conservative candidate, while a good many voted for Robert A. Paul (colored), who was nominated after the withdrawal of J. Ambler Smith. The Conservatives are jubilant, and claim an overwhelming victory. Many are fixing Walker's majority over Burgess (Republican) in Richmond at from 1,500 to 2,000. The returns from half the precincts in the city, show a Conservative gain of a hundred and fifty over Governor Kemper's vote last November, which vote will be used in making comparisons. This will doubtless verify the expectations of the Conservatives. Governor Kemper's majority was over sixteen hundred. Straggling returns from the precincts in this (the third) district, show gains for Walker, although the vote was not so large.

RICHMOND, VA., Nov. 3.—The returns from all the precincts in this city, give Walker 1,848 majority.

RICHMOND, VA., Nov. 3.—Returns thus far from the Congressional Districts are meagre, such as are to indicate that Walker, (Con.) in the Third, Tucker, in the Sixth, Harris, (Con.) in the Seventh, Hunter, (Con.) in the Eighth, Terry, Conservative, in the Ninth are undoubtedly elected; Walkers majority in the Third District will run over twenty-five hundred. Hunters majority in the Eighth District over Barbour, Independent, will reach about two thousand. It is more than probable that Senor, Republican, is re-elected over Douglas in First District. Second District is doubtful, with probabilities in favor of John Goode, Jr., Conservative, over Platte, Republican, present incumbent and Worton, colored, Independent. Hon. W. H. H. Stowell was re-elected in the Fourth District. In the Fifth District the contest is close but favorable to re-election of Hon. C. Y. Thomas, Republican, over G. C. Cabell, Conservative election in Richmond was the most orderly ever known and best feeling prevail. No disorders.

WASHINGTON, D. C., Nov. 3.—Private dispatches say Florence, Democrat, in the first Pennsylvania district, and Robbins, Democrat, in the fifth were elected.

WASHINGTON, Nov. 3.—The Western Union Telegraph Company records our usual election hours. The feeling in the Republican circles, show no improvement. The best cyphering shows two or three majority on either side. In this count the Conservatives discount all doubtful Southern districts, basing their hopes upon possible and in the main upon probable gains in the North.

It is whispered that the high officials here have dispatches that Louisiana is lost by fourteen thousand votes, and that the Conservatives have four members in Congress.

WASHINGTON, D. C., Nov. 3.—Private telegrams from Chicago say the Congressional election there shows a democratic gain of two. Telegrams from Pittsburg say Negley, (Rep.) is defeated. This however needs confirmation.

NEW ORLEANS, Nov. 2—Midnight.—No returns as yet have been received of the city vote, but enough is known to warrant the statement that the Conservatives have certainly not less than ten and possibly fifteen thousand majority. Reports from the parishes are meagre, but show Conservative gains over the vote of 1872. The indications are that the vote in the State will be close. The Conservatives claim four Congressmen, and the Republicans admit the loss of but one. No disturbance has been reported from any quarter.

NEW ORLEANS, Nov. 3.—The Conservatives claim all the Congressmen except Durrell. They claim Menoure certainly elected. All quiet throughout the State.

NEW ORLEANS, Nov. 3.—The Congressional delegation will probably stand five Democrats and one Republican.

NEW ORLEANS, Nov. 3.—The election law requires Commissioners and Supervisors to sign a statement of the votes in the Fifth District. Seven Parishes give Spencer 178 majority with seven Parishes to hear from. In the Sixth District five parishes give Nash 811 majority with seven parishes to hear from. It is believed that Nash is the only Republican elected to Congress. Returns from principal towns show large Democratic majorities in every district. Texas sends six Democrats to Congress.

Republican Victory in Wisconsin.

MILWAUKEE, Nov. 3.—The returns indicate that the Republicans have elected Williams in the First Congressional District, Caswell in the Second, Magoon in the Third, Ruskin in the Seventh and McDill in the Eighth. The Democrats elect Lynde in the Fourth and Sarchard in the Fifth Districts. The Sixth District is close and doubtful, with the chances in favor of Kimball, Republican. There is a strong probability that the Republicans will have a majority on joint ballot in the Legislature, thus securing a Republican U. S. Senator. There is but little doubt but that the Republicans will have a majority in the State at large.

MILWAUKEE, Nov. 3.—The Legislature is very close, but the Republicans have a small majority on joint ballot. The Senate probably is Democratic by two majority.

The Chairman of the State Central Committee claims a majority in the Legislature, and the election of six out of eight Congressmen, which will preserve the complexion of the delegation in the present Congress. The Democrats here however, do not concede the Sixth District, which is very close.

DETROIT, Nov. 3.—A unusually heavy vote has been polled throughout the State to-day. The returns show considerable Democratic gains. The proposed new constitution is overwhelmingly defeated, though it received a larger vote than was generally expected. Indications are that Williams, Democrat, is elected to Congress in first district and Potter, Democrat in the fourth and Durand, Democrat, in the sixth.

CHATTANOOGA, Nov. 3.—Dibrell, (Dem.) is elected to Congress in this the Third District by from two to four thousand majority. The returns so far indicate a general Democratic gain in the District. Crutchfield, (Rep.) was elected in 1872 by 1,000 majority.

NASHVILLE, Nov. 3.—The vote throughout the State is at least one-fourth less than in August last. The Democrats carry the State by from 25,000 to 30,000 majority, electing the entire Congressional delegation except in the first and second districts, which are doubtful. Both branches of the legislature are largely Democratic.

WILMINGTON, N. C., Nov. 3.—Five districts heard from show the Republican loss as compared with 1872, when the State went Republican.

RUTLAND, VT., Nov. 3.—The returns for 37 towns in the Second Vermont Congressional District, received up to this time gives Dennison, (Rep.) 5,229; Holland, 2,247; McLane, (Dem.) 10,55. There are 81 towns in the District. A plurality elects at this election. Dennison is elected without a doubt by a large majority.

SAN FRANCISCO, Nov. 3.—No returns of a satisfactory character have been received from Nevada. The tickets have been terribly scratched throughout the State. Virginia City dispatches says the returns from all quarters indicate the Legislature to be in favor of Sharon (Republican) for United States Senatorship.

LEAVENWORTH, KS., Nov. 3.—From returns from a few precincts in this county it is estimated that Parrott, reform candidate for Congress will have 700 majority. Osborn, Republican, for Governor has at least 1,500 majority.

NEW YORK.

Important Action on Ritualism in Episcopal Convention.

NEW YORK, Oct. 31.—In the Episcopal Convention the Committee of Conference on the amended Canon on ritual made their report, which amended the original Canon reported by the committee, by striking out in the specifications the clauses relating to the use of incense and the retaining of the crucifix in any part or place in public worship, with a few other unimportant changes. Rev. Dr. DeKovin, who spoke briefly on this report, said he should oppose it on account of its unconstitutionality. He was of the opinion that none of these ceremonies could be suppressed by the Canon, but only by Rubrics in prayer books. Further discussion was cut short by the order of the day being called for.

NEW YORK, Oct. 31.—The Committee of Conference on Church Music, appointed on behalf of the House of Deputies, consisted of Rev. Drs. Burton and Andrews, and Judge Otis. The Committee on Amendments to the Constitution reported a resolution amending Article 37 of the Constitution, by adding to the end of it the following: "*Provided*, That the General Convention may, by canon, arrange and set forth a shortened form of morning and evening prayer, to be compiled wholly from the Book of Common Prayer, or may authorize it to be done by any diocese for its own use." A vote was taken on this by dioceses and other orders, and it was adopted with the following result: Clerical vote, ayes 37, noes 41; Lay vote, ayes 24, noes 3. The Committee on Amendments to the Constitution also reported that it would be expedient to appoint any commission to revise the Constitution, or to devise a provincial system for the Church. This report led delegates into a lengthy discussion, and on motion the whole matter was finally laid on the table, when the body adjourned.

Senator Conkling addressed a large Republican meeting without any allusion to the third term.

NEW YORK, Oct. 31.—The bark Thomas Pope sailed at noon to-day for Liberia with twenty-nine colored emigrants under the auspices of the American Colonization Society. They came from North and South Carolina and Tennessee. Of the number fifteen were over fifteen years of age. The rest were younger.

NEW YORK, Oct. 31.—The following is the bank statement: Loans increase a trifle; specie decrease $1,500,000; legal tenders increase $750,000; deposits decrease $500,000; reserves decrease $625,000.
