Rio Flouring Mills,
For Sale or Lease.

WE have determined to retire from business, therefore, wish to sell (or lease for a term of years,) our mill, known as the Rio Mills, at Murfreesboro', Tenn. We will not attempt to give a description of the Mill in this advertisement, as we presume any one wishing to buy or lease would desire to see the Mills for themselves. The Mill building is fo brick 96 by 50 feet, 4½ stories high, covered with tin. The boiler-house is of brick, 30 by 40 feet, covered with tin. The lot on which said mill is situated contains about six acres of ground with two Cooper Shops. Also, a good dwelling house, with six rooms and a passage, and good out houses. Said lot is so well adapted to raising or fattening hogs as any lot in the State, having a number of shade trees in it, and a never failing stream of water running through it. A railroad running to the mill door, about 800 feet track, same gauge and size iron as the Nashville and Chattanooga Railroad. And a contract with the Nashville and Chattanooga Railroad to receive and deliver all freight, going to or from the mill, at the mill, thus saving the entire expense of drayage. Five run of 4 feet Burrs, everything in perfect running order. These mills have more convenience, and possess greater advantages, as to situation, &c., we think, than any other mill in the United States.

We offer the whole, as above described, for $40,000—$10,000 down in cash or good cash notes, the balance in one, two and three years.

The profits of the mill, if rightly attended to, will more than meet all the payments, (except, of course, the first.) For what little we have run the mill this season, it will pay at the rates of over 50 per cent per annum. Two of three energetic men could make with these mills, two or three fortunes, while they would make one in California or Kansas. So we think.

Those wishing to buy or lease will please apply immediately, as we wish to dispose of them, one way or the other, by the first of January next. We We have a charter from the Legislature of our State incorporating the mills, which the purchaser can use or not as he thinks best. Address
