Claiborne's Machine Works,
NASHVILLE, TENN
THE attention of Railroad Companies, Farmers, Manufacturers, and all persons desirous of purchasing at home good machinery, such as STEAM ENGINES, CASTINGS, of every description, GEARING, CAR-WHEELS of the most improved patterns, SAW-MILLS, PUMPS, &c., &c., is respectfully called to this new Establishment now growing up rapidly on the premises of the late Nashville Manufacturing Company. We intend to carry on the business fully as extensive as before, and shall soon be ready to take orders for Machinery and Castings. We have already commenced operations in our blacksmith shop and Boiler-yard, and shall give immediate satisfaction to old and new customers.
We are experienced Mechanics—each of us personally attending to his own department—and thus we shall be able to turn out superior work at lower rates than heretofore done in this city. We shall warrant every piece of work done at this Establishment, and give prompt and personal attention to every order left at our office; thus we hope to give general satisfaction, and be patronized by all friends of home manufacture.

Rio Flouring Mills,
For Sale or Lease.
WE have determined to retire from business, therefore, wish to sell (or lease for a term of years,) our mill, known as the Rio Mills, at Murfreesboro', Tenn. We will not attempt to give a description of the Mill in this advertisement, as we presume any one wishing to buy or lease would desire to see the Mills for themselves. The Mill building is 50-brick 56 by 36 feet, 4½ stories high, covered with tin. The Boiling House is of brick, 36 by 40 feet, covered with tin. The lot on which said mill is situated contains about six acres of ground with two Cooper Shops. Also, a good dwelling house, with six rooms and a passage, and good out houses. Said lot is as well adapted to raising or fattening hogs as any lot in the State, having a number of shade trees in it, and a never failing stream of water running through it. A railroad running to the mill door, about 900 feet track, same gauge and size iron as the Nashville and Chattanooga Railroad. And a contract with the Nashville and Chattanooga Railroad to receive and deliver all freight, going to or from the mill, at the mill, thus saving the entire expense of drayage. Five run of 4 feet Burrs, everything in perfect running order. These mills have more conveniences and possess greater advantages, as to situation, &c., we think, than any other mill in the United States.
We offer the Whole, as above described, for $40,000—$10,000 down in cash or good cash notes, the balance in one, two and three years.
The profits of the mill, if rightly attended to, will more than meet all the payments, (except, of course, the first.) For that time we have run the mill this season, it will pay at the rates of over 50 per cent per annum. Two or three energetic men could make with these mills, two or three fortune s, while they would make handsome cash or good cash notes.
Those wishing to buy or lease will please apply immediately, as we we wish to dispose of them, one way or the other, by the first of January next. We have a charter from the Legislature of our State incorporating the mills, which the purchaser can use or not as he thinks best. Address
