THE SINGER

This World-Renowned Sewing Machine stands unrivalled. Its Numerous Sales testify to it. 87,000 Sold during 1869.

The New Family Machine

Is capable of a range and variety of work, such as was once though impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Machines.

It is remarkable not only for its range and variety of Sewing, but also for the different kinds of texture which it will sew with equal facility and perfection, using

Silk, Twist, Linen or Cotton Thread, Fine or Coarse.

Making the Interlock Elastic Stitch alike on both sides of the fabric, thus Beaver Cloth or Leather may be sewed with great strength and uniformity of stitch, and in a moment this willing and never varying instrument may be adjusted for fine work on Gauze or Gossamer Tissue, or the Tucking of Tarletan or Ruffling, or almost any other work which delicate fingers have been known to perform.

Its Attachments for

Hemming, Felling, Braiding, Gathering, Cording, Trimming, Binding, Tucking, Embroidering

Are unequalled. These machines may be had in a variety of Cases. The Folding Case, as its name suggests can be folded into a Cabinet case of pleasing outline, and protects the Machine when not in use from dust and meddlesome fingers, and when open it presents a substantial and spacious table for the work to rest upon when the Machine is in operation. The cases are of varied designs and prices to correspond. We desire parties to call and examine for themselves.

Machines Sold on Liberal Terms to Responsible Parties.

☞ Manufacturing Machines furnished on short notice for Carriage Trimming, Cloth and Leather work, suitable for Tailors, Shoemakers, etc.

☞ Repairing of all kinds of Sewing Machines done on short notice.
