ATHENS OF WESTERN MISSOURI.

LEXINGTON'S CLAIMS AS THE EDUCATIONAL CENTRE.

EXAMINATIONS IN THE SEVERAL COLLEGES AND SCHOOLS.

It is a fact becoming known to the people of all sections of this entire, as well as of the adjoining States, that Lexington is the centre of the educational interest of Western Missouri. Her educational advantages superior to many more pretentious places, and in addition to some, if not all, of the colleges of the several leading Christian denominations, all at which are here and patronized by the ecclesiastics of the sects in whose interest they were established, there the Old School Presbyterians have their Wentworth Female College, the Baptists their Baptist Female College, the most prosperous Baptist college, the Methodists their growing Christian Female College, and the Christians their Central Female College. These four leading educational establishments are devoted exclusively to the enlightenment of the minds of youth of the female persuasion. Then there are the public schools of Lexington, which are the pride of every citizen of this population in the West, and are unsurpassed by any in the State, in the excellence of their management and instruction. The public school edifices are elegant and commodious buildings, especially the one in the northern part of the city, recently finished throughout, with ample finishing rooms for evening recreation and purposes. Central Female College (Methodist) is especially well favored with anticipations of a very large school patronage, and that it will be. Of the Baptist College, we are informed by Dr. Jones, the President, that the number of pupils and high excellence of the institution, we are informed by the President, that the number of pupils are so great as to require a number of additional teachers, and that the institution is in a very flourishing condition. The Christian College, in which are located the Missouri Lexington Female Seminary, is the most prosperous institution of the Christian denomination, more growing Christian institutions than any other institution, their Central Female College. These four leading educational establishments are devoted exclusively to the enlightenment of the minds of youth of the female persuasion.
