A GREAT BARGAIN.

MAGNIFICENT NEW FLOURING MILL GRIST MILL SAW MILL AND SET OF WOOLEN MACHINERY, ALL UNDER ONE ROOF.

For Sale at About Half their Cost.

A NEW flouring mill, grist mill, saw mill, and one set of woolen machinery,—all in excellent order, combined, and run by the same power, are offered for sale at a price about one half of their original construction. The flouring department has a capacity for 100 barrels a day, and the power is sufficient to grind 200 bushels of corn at the same time. The mills are situated in one of the best towns in Western Missouri,—a new, thrifty growing place, of 2,500 to 3,000 inhabitants,—on the railroad, have an extensive and profitable patronage, and can be made a great success by parties who are at home in that line of business. The property cost over $28,000; and will be sold at a great bargain, as one of its owners has suffered a severe and permanent injury by the machinery, and the other desires to remove to the Pacific Coast. Terms to suit purchaser. For further particulars, apply to or address THE CAUCASIAN, LEXINGTON, MO. oct4-f
