FRIDAY.....MAY, 2, 1869.

To learn to read the following so as to make good sense is the mystery.

I the read and see that me,
Love is up will I'll have
But that and you have you'll
One and down and you'll

PRAYER.—God does nothing but in answer to prayer. Every new victory which a soul gains is the effect of a new prayer. On every occasion of uneasiness we should retire to pray, that we may give place to the grace and light of God, and then form our resolutions, without being in any pain about what success they may have.

A party of sentimental young ladies were recently overheard by their teacher reciting the following afithmetical exercise: Two glances make one look, 2 looks 1 sight, 4 sights 1 waltz, 3 waltz 1 palpitate, 2 palpitations 1 call, 2 calls 1 attention, 2 attentions 1 fool (sometimes 2,) 2 fools 1 flirtation, 1 flirtation plus 2 bouquets equal to one engagement, 2 engagements equal to 1 marriage.

### The Public Debt.

The Public Debt already shows the effects of honest administration. Last month it was reduced over two millions and a half. The statement for this month is so nearly prepared that a further reduction of over two millions more can already be announced. And meanwhile there lie idle in the Treasury over eighty millions unproductive Gold. Part of it is required by law to be used for the payment of intrest; another is as peremptorily required to be used in the purchase of bonds in the open market, to be set aside as a Sinking Fund. Let us have the law obeyed, and get the good of our money! So shall the next monthly statement show a practical reduction of over twenty-five millions in the Debt.—*Tribune.*

### Legal Tender.

The law regulating the payment of debts with coin provides that the following coins be legal tender:

1. All gold coins at their respective values, for debts of any amount.
2. The half dollar, quarter dollar, half-dime and dime, at their respective values, for debts of any amount under five dollars.
3. Three cent pieces for debts of any amount under thirty cents.
4. One cent pieces for any amount under ten cents.

By the law of Congress passed some four or five years ago, gold was made the legal tender for large amounts.

The act of Congress, passed winter before last, authorizing the issue of one hundred and fifty million dollars in Treasury Notes, makes them a legal tender for all debts due to the United States, except custom duties on imported goods.

### Too Many Crackers.

The Democracy held a meeting in Dresden, Ohio, which was attended by quite a number of the faithful from Zanesville, who requested a reciprocal delegation of Dresden Butternuts to come down the week following to swell the crowd at a mass meeting to be held in Zanesville. On the day appointed for the meeting at Zanesville some eighteen coppery citizens of Dresden marched down to the boat; and on consultation it was thought best that they should provide themselves with provisions for the trip, as there would probably be a great crowd at the meeting, and victuals would be scarce. A collection was made, and fifteen dollars were raised. A committee of two was sent back to town to lay in supplies, who in due time returned with fourteen dollar's worth of whisky and one dollar's worth of crackers. This was brought aboard the boat and tested by all hands, and declared to be good. "But," exclaimed old Phil R——, "boys, what in h—ll did you get so many crackers for?"

A MODEL CHARGE TO A JURY.—It seems to us that the followig is worthy the defunct but never-forgotten Wouter Van Twiller:

"If the jury believe from the evidence, that the plaintiff and defendant were partners in the grocery, and that the defendant paid the note by delivering to the plaintiff a cow, which he warranted not breachy, and the warranty was broken by reason of the breachiness of the cow, and he drove the cow back and tendered her to the defendant, but he refused to receive her, and the plaintiff took her home again and put a yoke on her to prevent her from jumping fences, and by reason of her yoke she broke her neck and died; and if the jury believe that the defendant's interest in the grocery was worth anything, the plaintiff's note was worthless and the cow good for nothing, either for beef or milk, then the jury must find out for themselves how they will decide the case; for the court—if she understands herself, and she thinks she does—don't know how such a d--d case should be decided."

## Dr. Whittier.

A REGULAR GRADUATE OF MEDICINE, as diploma at office will show, has been longer engaged in the treatment of Venereal, Sexual and Private Diseases than any other physician in St. Louis.

Syphilis, Gonorrhea, Gleet, Stricture, Orchitis, Hernia, and Rupture; all Urinary Diseases and Syphilitic or Mercurial Affections of the Throat, Skin or Bones are treated with unparalleled success.

Spermatorrhea, Sexual Debility and Impotency, as the result of self-abuse in youth, sexual excesses in mature years, or other causes, and which produce some of the following effects, as nocturnal emissions, blotches, debility, dizziness, dimness of sight, confusion of ideas, evil forbodings, aversion to society of females, loss of memory and sexual power, and rendering marriage improper, are permanently cured.

The Doctor's opportunities in hospital and private practice are unsurpassed in St. Louis, or any other city. Back files of St. Louis papers prove that he has been located there longer by years than any others advertising. The establishment, library, laboratory and appointments are unrivalled in the West, unsurpassed anywhere. Age, with experience, can be relied upon and the Doctor can refer to many physicians throughout the country. In past success and present position he stands without a competitor.

*The Writings of a Physician whose reputation is Union-wide should be worth reading!*

Doctor Whittier publishes a Medical Pamphlet relating to venereal diseases and the disastrous and varied consequences of self-abuse, that will be sent to any address in a sealed envelope for two stamps. Many physicians introduce patients to the doctor after reading his medical pamphlet. Communication confidential. A friendly talk will cost you nothing. Office central, yet retired—No. 617 St. Charles St., Louis, Mo. Hours 9 a. m. to 7 p. m. Sundays 12 to 2 p. m. 281

SENTINEL, stand firmly for right,
Ever her cause with strong arm defend,
Nor favor sway thee, nor fear affright,
Till the hour of thy duty shall end;
Into the home where sadness dwells,
Noiseless thy hand the oil shall pour,
Enter and break earth's prison cells,
Loose bigotry's chains forevermore.

### COMPLIMENTS.

The best country paper in the Northwest.—*St. Jo. Herald*, Oct. 11, 1868.

The SENTINEL has a fine typographical appearance, and is ably edited in the interests of the Radical party.—*Kingston Sentinel*, July 17th.

The HOLT COUNTY SENTINEL, published at Oregon, Holt county, by Chas. W. Bowman, comes to us enlarged to a twenty-eight column sheet. It is faultless in its mechanical "make up," and is as neat as a new pin. Long may it continue to prosper.—*Milan* (Mo.) *Herald*, 1868.

The HOLT COUNTY SENTINEL comes to us enlarged and very neat in appearance. Baring its politics, the SENTINEL would be a creditable paper to any county.—*St. Joseph Gazette*, July 12th.

It is a staunch Republican paper, and we are glad to see this evidence of its prosperity.—*White Cloud Chief*, July 16, 1868.

One of the best looking sheets that comes to our office.—*Hamburg* (Iowa) *Times*, Aug. 8th.

The SENTINEL is an able and sprightly newspaper, and is doing splendid work for Republicanism.—*Times*, Sedalia, Mo., March 26, 1868.

The SENTINEL should receive the support of every true Radical in Holt county.—*Western Register*, 1868.

The HOLT COUNTY SENTINEL is one of the neatest county papers published in Missouri.—*Kirksville Journal*, July 23, 1868.

We have received the HOLT COUNTY SENTINEL lately, printed in a new "dress" entire. This makes the SENTINEL the neatest and prettiest county paper published in the State. It is beautiful as a maid just turning "sweet sixteen." We hope the Republicans of Holt county give the SENTINEL a hearty support, which, we presume they do, or the editor, Mr. Bowman, must have have money in "bags," for nothing else but money will make a paper look so beautiful.—*Unionville Republican*, April 16, 1868.

Its politics could hardly be improved upon, but they are set off to better advantage in clear type under new head-lines. We regard the SENTINEL as an able coadjutor in the cause and heartily wish it prosperity.—*St. Jo. Union*, July 26th.

The HOLT COUNTY SENTINEL is now the largest Radical paper in Northwest Missouri. It is also one of the best printed papers in the State, and whilst we can honestly disagree with it politically, we award it the credit of being the best Radical paper in this upper country.—*Savannah Union*, July 8th.

*MERCANTILE*
### REFERENCE REGISTER.

The Merchat's Protective Union, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, on or about September 1st, 1868, publish in one large quarto volume: **The Merchants' Protective Union Mercantile Reference Register,** containing, among other things, the names, nature of business, amount of capital, financial standing, and rating as to credit, of over 400,000 of the principal merchants, traders, bankers, manufacturers, and public companies, in more than 30,000 of the cities, towns, villages and settlements, throughout the United States, their territories, and the British Provinces of North America; and embracing the most important information attainable and necessary to enable the merchant to ascertain at a glance the capital, character and degree of credit of such of his customers as are deemed worthy of any gradation of credit.

The reports and information to be give in the Register will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the written statements of the parties themselves, revised and corrected by well known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them, it is believed that the reports will prove more truthful and complete, and, therefore, superior to, and of much greater value, than any previously issued.

By aid of the Merchant's Protective Union Mercantile Reference Register, business men will be enabled to ascertain, at a glance, the capital and gradation of credit, as compared with financial worth, of nearly every merchant, manufacturer, trader, and banker, within the above named territorial limits.

On or about the first of each month, subscribers will also receive the **Monthly Circulars**, containing, among other things, a record of such important changes in the name and condition of firms, throughout the country, as may occur subsequent to the publication of each half yearly volume of the Mercantile Reference Register.

## The Church Union.

THIS paper has been recently enlarged to mammoth proportions. It is THE LARGEST RELIGIOUS PAPER IN THE WORLD. It is the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered—without qualification or correction by him. It advocates universal suffrage; a union of christians of the north; and the rights of labor. It has for its special editorial department, any paper in the world; publishes stories for the family; and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the Freest organ of thought in the world.

Such a paper, offering premiums of Sewing Machines, Dictionaries, Appleton's Cyclopedia, Pictures, Bibles, Watches, Jewelry, etc., makes one of the best papers for canvassers in the world.

Every congregation may obtain a communion service, an Organ, a Melodeon, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers. Send for a copy, enclosing 10 cents, to HENRY E. CHILD, 41 Park Row, New York.

## HARPER'S NEW MONTHLY MAGAZINE.

*Critical Notices of the Press.*

The most popular monthly in the world.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellences of Harper's Magazine—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American people; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in a dissemination of a love of pure literature.—TRENCH'S *Guide to American Literature, London.*

We can account for its success only by the simple fact that it meets precisely the popular taste, furnishing a variety of pleasing and instructive reading for all.—*Zion's Herald, Boston.*
