TOWN AND COUNTY.

—Five new families from Indiana have lately moved into the Fairview neighborhood.

—Preaching in the Presbyterian church on next Sabbath morning and evening.

—Mr. Miller will begin a series of religious services in the Presbyterian church on the Second Sabbath in January.

—The people of the several churches in Oregon will observe the Week of Prayer commencing January 6th 1878. A list of subjects will be published in due time.

—The "intelligent compositor" placed the scholarship grade of W. H. Hunter of the Normal at 01 in last week's SENTINEL. It should have been 91.

—The unusual anctiousness of Captain Kaucher's piety last Sunday was attributable to the advent of eleven-and-a-half-pounds of girl baby at his house that morning.

—At a meeting of Oregon Encampment No. 43, I. O. O. F., held held last Friday night, the time for the regular meeting of the Encampment was changed to the first and third Fridays in each month.

—The ladies of the M. E. Church will hold a mum sociable at the residence of Mr. Henry Nies this (Friday) evening. Every one who speaks before nine o'clock will be fined five cents. All who attend should take a supply of nickels

—The members of the Presbyterian church will give a festival for the entertainment of their Sunday school children on Christmas eve. The object is not to make money, but to give the little folks an evening's pleasure. Fuller particulars next week

—George W. Enuis has bought the residence of Fred. Linsel in Forest City and will move into it at once. He contemplates engaging in business at that place. Our Forest neighbors are to be congratulated on the acquisition of a good citizen.

—A literary society has been organized at Fairview school house, which meets every Tuesday night. James Debolt President; John W. Davis, Vice-President; and W. B. Carroll, Secretary and Treasurer. The exercises consist of Debates, Essays, Rhetorical Exercises, etc. Everybody is invited to attend.

—The Sunday School Convention of the Seventh district of Missouri, including Holt, Atchison, Andrew, Nodaway, DeKalb, Gentry and Worth counties, will meet in the M. E. church in Maryville, Mo., on the 19th, 20th, and 21st of this month. All Sunday school workers throughout the district are invited to be present and the citizens of Maryville will cordially welcome and entertain all who attend.

—Thomas Edwards, who lives five miles southeast of Oregon, while in town last Friday lost his pocket book containing $510. He missed it about an hour afterward, and, going back found it lying in the road, but it had been rifled of its contents. Mr. Edwards had just disposed of his farm in this county for the purpose of removing to Texas, and, being a poor man, this loss falls heavily on him. He has the sympathy of everybody.

—It should not be forgotten that, by an act of legislature passed last winter, the Holt county circuit court meets on the first Monday in January, instead of the third Monday in December. The change is a good one, as court is thereby not interrupted by the holidays. Colonel Markland and Senator Parrish deserve the thanks of their constituents for having had such a law passed.

—The course of home lectures alluded to in the SENTINEL several weeks ago, will be inaugurated at the Presbyterian church on next Tuesday evening by Rev. George Miller, whose subject will be: "Moral Principle—the Conservator of Liberty and Empire." Admittance free. Everbody invited. Other lectures by different parties, will follow from time to time during the winter—due announcement of which will be made.

—The Musical Convention of which we spoke last week is no longer a matter of doubt. It will be conducted by Prof D. B. Worley, formerly of Boston, Mass. This will certainly be an excellent opportunity for persons so desiring, to receive the very best musical instruction at a trifling cost. The convention will open on Christmas day, in the Presbyterian church, and will continue until Friday night. Arrangements will be made to furnish entertainment to persons from a distance or from the country. The Convendon will wind up with a grand concert. There will be three lessons a day and the charge for the whole course will be only one dollar for each person.

—Extensive preparations are being made by the Masons of this city for the grand Masquerade on the evening of the 27th inst. Both the Masons and Odd Fellows Halls, occupying the entire third story over Peter's and Chadduck's stores, will be used for promenading, while the entire second story of the same building will be used for the supper and refreshment tables. Persons from a distance are requested to patronize the supper table, as a first rate meal will be served, which will be ready at 8 1-2 o'clock. Invitations have been sent to all the masonic lodges in northwest Missouri, as well as the neighboring counties in Kansas and Nebraska, and there is no doubt that an immense crowd will be present. A number of masonic characters will be represented, which will be an interesting feature. It is also in contemplation to give a premium to the best disguised and best personated lady character, and also a premium to the best disguised and funniest character represented by a gentleman. It will undoubtedly be *the* event of the season, so far as fun and enjoyment are concerned. Admittance, twenty-five cents; supper extra.

—Remember the Masonic Masquerade on the 27th.

—The December term of the Holt county court met last Monday. We will publish the proceedings next week

—Elza VanBuskirk has removed his office to the room over Hinde's drug store. Dr. Lukens will move his office into the same building next week.

—Married on the 5th inst, at the residance ofHon. T. H. Parrish by Elder J. W. Kelsey, Mr. J. P. Campbell to Miss E. J. Ashworth, all of Holt county.

—We have received a communication from New Point asking us to announce an entertainment by the Penetralia society, but, as the writer fails to name the day when it will take place it is useless to publish it.

—The good people of Richville and vicinity are preparing for a grand Festival to be held at the Richville church Thursday evening Dec. 20. A called meeting was held last Tuesday evening and arrangements made. A good time is anticipated.

—At a regular convocation of Keystone chapter, No, 46, Royal Arch Masons, held at masonic Hall in Oregon, Missouri, on Tuesday evening, Dec. 11. 1887, the following officers were elected and installed for the ensuing Masonic year:

T C Dungan, H P; M M Smith K; G M Dodge, S: J N Masters, C of H; Wm G McIntyre, PS: E L Allen, R A C; Levi Oren, G M 1st V; E VanBuskirk, G M 2nd V; B F Flemming, G M 3rd V; Albert Roecker, Treas; Robert Montgomery, Sec; John Wallace, Guard.

—Prof. H.T. Alkire will give a grand musical entertainment and school exhibition at the New Point (Prospect) school-house on Friday eve, Dec. 21st 1877. Exercises commence promptly at 7 1-2 P. M. Admission 15c; children 10c. Proceeds to go for the benefit of the school.

—Joseph Jackson and Ed. Pinkston will open on Monday next, in Kreek's new building, a complete line of confectionery, toys and notions, with a rest aurant where meals will be served at all hours. A bakery will be attached and they will also furnish lodging. They will furnish a sample room for the accommodation of traveling men. Success to them.

—Albert Majors and Aaron Latham, two traveling instructors in the manly art of self defense, came to this city a fews days ago and stuck up posters anouncing that they would give a sparring exhibition. The programme was carried out at Nies's Hall on Monday night, and on Tuesday morning they were arrested and taken before Squire Stuckey, who fined them one hundred dollars each—this being the lowest fine allowed by law. Not having that amount of funds about their persons they now languish in jail.

THE MASQUERADE.

Who Attended and What they Represent d.

The Masquerade party given by the Woman's Union at Kreek's new building last Friday evening was, as the SENTINEL predicted it would be, a perfect success in every particular.

The rooms were crowded with as jolly and happy a crowd as ever assembled.

The first floor was used for a supper room and the second story for promenading.

The maskers commenced arriving about half past seven o'clock, and continued to present themselves until after nine.

The time was pleasantly spent in promenading until about ten o'clock when the masks were removed and the SENTINEL reporter jotted down the following

Our new lumber yard has started up at last. Christian & Gulderman received a few car loads yesterday and have more on the way. This will be a great convenience to persons in this part of the country, who desire to purchase lumber.

H. A. Dankers has just completed his mammoth barn. It is as good as, if not better than, any in the county. Its size is 80x62.

Hogs are beginning to come in slowly. Prices are so low that farmers are loth to sell. Such as have been brought here are generally well fatted.

Our school is progressing finely under the management of a lady teacher.

COLORADO—A LETTER FROM H. HERSHBERGER.

WEST LAS ANIMAS, COL. Dec. 3 1877.

FRIEND DAVENPORT:—After two weeks of very earnest work I have found time to fulfill my promise. My trip was a pleasant though uneventful one. No mishap, no accident, no collide, nobody hurt, no anything of the horrible kind which maketh the soul of ye newspaper man to rejoice.

I cannot refrain however, from congratulating the managers of the Atchison, Topeka and Santa Fe R. R. upon their selection of men to run the offices and trains. I have never met with such uniform kind and courteous treatment as I received on this road. Ticket agents, business managers, conductors, brakemen and, strange to say, even the conductors on the Pullman, are a gentlemanly set of fellows and who deserve the commendation of all who travel over this road. Don't mistake this for an "ad." I am not acquainted with the managers and only express my appreciation of gentlemanly treatment in writing the above.

At the end of my journey I was met by my old-time friend C. W. Bowman, who had the honor of founding the HOLT COUNTY SENTINEL. He looks as if the hand of time had dealt lightly with him. He doesn't look any older than when I saw him last in Oregon.

My present home is a pleasant place, situated in the valley of the Arkansas River; or rather between the Arkansas and Purgatoire rivers. I verily believe that there is not a more healthful place in the country than this same West Las Animas. A large business is carried on in the stock line. Thousands of cattle are yearly shipped from here. These are usually bought by local dealers who ship to Kansas City. A great many animals are slaughtered and the beef packed on ice and forwarded in refrigerator cars. Of course the stock raisers need merchandise of different kinds and the sale in the provision line is very great. Some of the business houses sell goods to upwards of one hundred thousand dollars annually.

Many of the houses here are built of Adobes or sun-dried brick. Some of these are covered with mortar or cement and pointed up so as to resemble very nicely cut stone buildings.

The scenery is somewhat tame at present except in the west. In that direction we have a fine view of one of the mountain ranges. Farther north Pike's Peak can be clearly discerned. All are covered with snow and when the morning or evening sun gilds their tops they are indeed grandly beautiful. I was greatly surprised to learn that the distance from here to the nearest group is about one hundred and twenty miles and the Pike's Peak is over a hundred and fifty miles away. I give you this as an evidence of the purity of the atmosphere.

The citizens are as intelligent and refined as any I have met elsewhere. There are three churches, each more elegantly furnished than any in Oregon. The school is in excellent condition and gives promise of holding rank with any of the graded schools with which I am acquainted.

The weather has been delightful. To-day for the first time it is snowing. We have had no mud and none of that damp disagreeable weather which you have had to endure all fall. On the whole I am well pleased with the situation and like the place well enough to want to locate permanently.

I am yours etc.,
H. HERSHBERGER.

P. S. Tell Capt. Burns, Geo. Burnett, Sol Foster, *et. al.*, that this is a delightful place for Nimrods. Antelope, Deer, Jack Rabbits and other game do much abound.

NEW POINT NEWS.

NEW POINT, MO., Dec. 7, 1877.

EDITOR SENTINEL:—Allow me space in your valuable paper to let your many readers know what the people of this vicinity are doing.

Business is pretty lively here, both in town and in the country. Farmers are busy gathering their corn and our merchants are busy tieing up goods and groceries; but our M. Ds. go about with a down-cast look and say nobody will get sick. We sympathise with you, gentlemen, but hope it may continue so.

There are a great many hogs being fed in this vicinity. Robt. Cain is feeding about one hundred and fifty head and Jacob Rayhill about eighty. He has the finest lot of hogs in the county.

Joseph Hodgin is raising the mammoth barn to-day. He is going to have a good barn. It is 40x60 ft and is being built by Richard Acton, one of Holt county's best workmen. It would be a fine thing if a few more of our farmers would do as Mr. Hodgin is doing.

The people in the Patterson district are preparing to give a dramatic entertainment of two nights duration, to be held on Friday and Saturday nights, the 14th and 15th of this month. They are just the people that can get up a good lively entertainment and we think it will be well worth the admittance fee, which we learn will be twenty cents. Yours respectfully,

LIBERTY JANE.

RESOLUTIONS OF RESPECT.

At a meeting of the Board of Education of the Oregon School District, Dec. 1st 1877, the following resolutions were presented as reported by Robert Montgomery and W. B Davis, a committe appointed for that purpose:

Whereas, since the last meeting of the Board of Education of the Oregon School District our worthy President, Jephthah Martin, has been stricken down by the hand of death and a vacancy is made among us. Therefore be it resolved

1st. That by his death the Board of Education has lost a useful and worthy member and the school interest a devoted friend, and we feel that we express the feeling of the citizens of Oregon and vicinity in this that his death snatched from our midst one of the most useful and untiring friends of the Public school.

2nd. That we deeply sympathize with his family and friends and with them mourn his loss.

3d. That a copy of the foregoing resolutions be spread upon the records of the Board; a copy furnished the family of the deceased, and a copy delivered to the *Press* and SENTINEL for publication, which was adopted by the Board.

Quinine and Arsenic,

form the basis of many of the Ague remedies in the market, and are the last resort of physicians and people who know no better medicine to employ for this distressing complaint. The effects of either of these drugs are destructive to the system, producing headache, intestinal disorders, vertigo, dizziness, ringing of the ears, and depression of the constitutional health. AYER'S AGUE CURE is a vegetable discovery, containing neither quinine, arsenic, nor any deleterious ingredient, and is an infallible and rapid cure for every form of Fever and Ague. Its effects are permanent and certain, and no injury can result from its use. Besides being a positive cure for Fever and Ague in all its forms, it is also a superior remedy for Liver Complaints. It is an excellent tonic and preventative, as well as cure, of all complaints peculiar to malarious, marshy and miasmatic districts. It acts directly on the Liver and biliary apparatus, thus stimulating the system to a vigorous, healthy condition.—FOR SALE BY ALL DEALERS. (6)
