LIFE'S HISTORY;
Is made up of Smiles and Tears. Such is the course of life, made up of sunshine and gloom, gladness and sorrow, riches and poverty, health and disease. We may dispel the gloom, banish the sorrow and gain riches; but sickness will overtake us, sooner or later. Yet, happily, that enemy can be vanquished; pains and aches can be relieved; there is a balm for every wound, and science has placed it within the reach of all. There is no discovery that has proven so great a blessing as Dr. Tutt's Liver Pills. In malarial regions, where Fever and Ague, Bilious Diseases and ailments incident to a disordered liver prevail, they have proven an inestimable boon, as a hundred thousand living witnesses testify.

FINANCE AND COMMERCE

New York Stock Market.

Reported by C. W. Branch & Co., bankers and brokers, No. 1111 Main street.

NEW YORK, April 30.—Up to 2 o'clock to-day the market was active and strong, although there was no marked advance. In fact, it looked very much as though the bulls were taking fresh hold, and therefore were disposed to see the market react a trifle. There were several important pieces of news, including rights on eight million Chicago, Burlington and Quincy new bonds, the publication of a coal circular of May prices, 40 to 75 cents below that of last year, and the Chicago, Burlington and Quincy statement for March, showing a net increase of $400,000. Confirmation of the reports that Mr. Jay Gould had long conferences with Mr. Walker, and a number of effusive bull interviews by some of the present bull leaders. The failure of a small bank in Philadelphia was a damper to the afternoon market. There seems to be no special change in the outlook, the sentiment being decidedly bullish, and everybody ready to buy more stocks. There was no flurry in the money market, as some people expected. Silver had a tumble both here and in London from its speculatively high point. The Chicago passenger agents' meeting in Chicago late this evening practically completed its work. The new association includes all territory from Chicago to the Rocky mountains.

Chicago Market.

Messrs. Baldwin and Farnum telegraph to Thomas Branch & Co., as follows:

CHICAGO, April 30.—From opening to close we have had a very strong market, with sentiment completely reversed from yesterday, when the market was weak, with general features that we were due to have a break. Farmers' Review was the principal cause of this cause of revulsion of feeling. They make the average condition of the winter wheat States lower than a month ago. This started the buying, and a further advance was only checked by very free sales of leading operator. The feeling at close is strong. There has been but little outside news received. Late Liverpool showed decline ¼@½d. Outside markets, including New York, St. Louis and Milwaukee, showed 1 cent advance for all deliveries. Clearances, 111,000; wheat, 48,000; flour receipts, 401,000; shipments, 228,000; corn, 83½c. July. Corn was weak early, on account of depression of May option, and as is always the case, speculation runs from each property. This caused early weakness, but as soon as it was taken care of the market became stronger. We feel almost sure of our position in regard to it, and say buy it every time it's weak. Liverpool ½ lower. Receipts, 1,194,000; shipments, 1,587,000; exports, 624,000. Oats have been a shade firmer than yesterday, without much activity. Provisions have been strong all day. It looks to us as though we had seen the slump for the time being, and would now buy on all weak spots. Cash trade fair. Hogs to-morrow 15,000.

New York Cotton Market.

[By Telegraph.]

NEW YORK, April 30.—Messrs. Hubbard, Price & Co. in their cotton circular to-night say: "A slight advance in silver this morning in London induced an improvement of 1 point in the Liverpool market, the opening report from there calling the market firm. Later in the day, however, silver declined to 46 9-16d., and the result was that Liverpool closed barely steady at about last evening's price. The course of the market here corresponded closely with that of Liverpool, and it is evident that for the present it is the price of silver rather than the intrinsic value of cotton, which remains the speculative basis of the latter article. Receipts at the ports are somewhat freer, and approach more nearly to last year's movement, but it is well to bear in mind that the movement from now on last year was very small."

Receipts at our ports to-day 2,800 bales, against 1,428 bales last week. The spot market is steady and unchanged; middling uplands, 11 5-16c; sales, 669 bales; Transactions in futures, 63,000 bales. Futures closed 1 to 5 points lower, as follows: May, 11.86@11.87; June, 11.87@11.88; July, 11.89@11.90; August, 11.86@11.87; September, 11.31@11.32; October, 10.83@10.85; November, 10.62@10.63; December, 10.61@10.62; January, 10.62@10.63; February, 10.67@10.68.

In Liverpool spot cotton closed steady; middling uplands 6 7-16d. Sales 12,000 bales.

The stock market was very active to-day. The principal dealings were in the Grangers, Southwestern and Union Pacific. Prices were irregular and unsettled. Towards midday there was a sharp covering, which resulted in an advance of ¼ to 1½ per cent.; but toward close most of this was lost on selling to realize. Total sales 368,212 shares.

STATE, CITY, AND RAILROAD BONDS for same at market rates.

WE HAVE FORMED A SYNDICATE WHO HAVE PURCHASED $850,000 WESTERN NORTH CAROLINA RAILROAD CONSOLIDATED MORTGAGE 6 PER CENT. GOLD BONDS, to take up a like amount of 7 per cent. bonds due 1st May next, when they will be a first mortgage of only $12,500 per mile, and offer $500,000 of these bonds at 100 and interest, the balance having been sold, and we will take in payment 7 per cent. bonds, due May 1st, at par and interest.
We recommend these bonds with great confidence, and we believe they will go much higher. The road is doing better than it has ever done. It is not only the connecting link between the East Tennessee, Virginia and Georgia Railroad and the North Carolina Railroad, all of the Richmond and West Point Terminal system; but is leased to the Richmond and Danville Railroad, whose stock is selling at 225, and paying a dividend of 10 per cent. per annum.
The bonds are endorsed by the Richmond and Danville Railroad, account being kept and interest to be paid in gold.
We reserve the right to advance the price without further notice.
Yours truly,
