MR. JOHN JOHNSON, 521 St. James st., Richmond, Va., writes:

Last fall I was attacked with hemorrhage from the lungs, soon followed by a hacking cough, shortness of breath, great emaciation, loss of appetite, and profuse night sweats. I grew worse rapidly under medical treatment, and my case seemed hopeless. I was recommended to try A. B. C. Tonic and Expectorant, and did so in March; have used the A. C. C. Tonic since that time; my cough soon left me, and I discontinued the use of the Expectorant, and am to-day entirely restored and as I have not used any other remedy than the A. B. C. Tonic and Expectorant owe my recovery entirely to them.

Private sales reported to the secretary today: Wrappers, 25 hogsheads; fillers, 2 hogsheads; cutters, 48 hogsheads; smokers, 3 hogsheads; dark tobacco, 4 hogsheads. Total, 82 hogsheads.

Office of the tobacco inspector reports today: Inspections—Bright, 11 hogsheads; dark, 165 hogsheads; Western, 10 hogsheads. Reinspections—Bright, 3 hogsheads; dark, 9 hogsheads.

Farmer's, Wilson's, Virginia, Alleghany, Old Dominion, Crenshaw's, Shackoe, Neal's, Myer's, Davenport's, Planter's, Merchant's and Seabrook's warehouses report to-day: Receipts—70 hogsheads, 2 tierces and boxes. Deliveries—170 hogsheads, 62 tierces and boxes.

Office of the collector of the United States internal revenue reports collections for the city of Richmond to-day, as follows: Tax paid cigars and cigarettes, $841.05; tobaccos, $2,905.36. Total, $3,746.41.

Mr. W. A. Morton, son of our Mr. R. C. Morton, arrived in Richmond this morning from Europe. Mr. Morton reports having had a most delightful and enjoyable trip across the Atlantic.

Messrs. Vaughan & Sarvay, in their weekly circular, say: "We have to report, since our last, a steady improvement in trade. All grades, especially fine and medium, in demand, and are rapidly taken at fair prices.

"The crop prospect continues good, and with fair seasons, we hope to have a fine crop."

Mr. J. O. Cosby, of Louisa county, says: "In my neighborhood the crop is not a full size crop. On this last season (we had a season day before yesterday) it was about all planted."

Mr. John B. Busick says: "I live four miles from Louisa Courthouse. The crops are looking very well, indeed. I don't think there is a full crop planted, but that which has been planted, is looking remarkably well, and the people are very much pleased with the prospects."

The Richmond tobacco market was active to-day, with good sales of bright wrappers and cutters. Inspections of bright were light, of dark tobaccos heavy, of Western light. Reinspections were light all around. Receipts moderate, deliveries large, about one hundred hogsheads in excess of the receipts; internal revenue collections fairly good, especially on plug tobaccos.
C. McL.

Clarksville, Tenn.

CLARKSVILLE, TENN., June 18.—Our receipts are good for the season, the crop moving earlier than usual. Our sales for the week ending to-day were 1,480 hogsheads. Under the active demand for Bremen sorts the market has not only maintained its strength, but leaf has again advanced this week a full half cent, and everything that approximates German leaf is classed up into full companionship with spinners and wrappers, which has been a great benefit to the general market; and Bremen, instead of being short of supplies, as was feared, will now receive, no doubt, an ample sufficiency. Our warehousemen are much gratified at our active market and are pushing off their stocks freely. The weather has continued favorable for the crop in the field, which is now all planted and replanted and growing off well. American manufacturers have recently invaded the stemming districts and bought over 2,000 hogsheads. Strips put up for Great Britain. Now that this movement has commenced, it may extend largely and absorb a fair per cent. of the strips made this year, which, however, Great Britain can well spare, as her stocks are large.

FINANCE AND COMMERCE

New York Stock Market.

Reported by C. W. Branch & Co., bankers and brokers, No 1111 Main street.

NEW YORK, June 20.—The market was satisfactory to the bulls to-day, for London, Chicago and Boston were buyers, and stocks were scarce, which alarmed the short interest. The result was that after slight reaction during the first hour, the whole list had a very fair advance, and the street feeling was much improved. So long as the gold exports continue small no alarm is felt about the monetary situation. Of course the silver agitation and results from Washington will affect the market materially. Advocates of free coinage are certain that the passage of such a bill will boom the market, while the anti-silver men are confident that a complete failure of the Silver bill will materially help prices. The market to-day certainly had a bullish look. We think the sentiment on the street to-night is quite bullish, and certainly more hopeful than it has been on any day this week.

Chicago Market.

Messrs. Baldwin & Farnum telegraph C. W. Branch & Co. as follows:

CHICAGO, June 20.—Wheat started off pretty firm, market being influenced by reports of general rains through winter wheat sections as well as the Northwestern portions. Also reports of some export business late yesterday in New York. But there was not business enough to hold price up. Market broke ¾ cent, then we had another rally on reports of rust and too much rain in the Northwest. Liverpool cables which came firmer and ¼ d. higher, helped the advance, but the close is at ½ below opening. A large part of to-day's business has been the selling out of July and buying September and December wheat. This has widened the difference between these months and we look for still wider spread. There is doubtless a good deal of July to be liquidated yet and while that is dragging on the market we do not look for any material advance. New wheat will soon be arriving and in present state of trade will increase bearish sentiment. Clearances light; being only 9,000 wheat, and 2,000 flour. Corn weakened a little to-day, principally owing to liberal selling by Hutch. Our advices are that loadings on Western railroads are lighter and receipts next week likely to be smaller. It is cheap enough but notwithstanding all influences likely to reduce price, we do not believe we shall get much decline. We constantly hear lower prices predicted, but the decline fails to come. Oats fairly active. Market declined little under selling by holders, who were realizing profits. No new feature in the market. Reports generally point to a rather poor crop. Provisions firm, early on the buying of some ribs. As soon as this was over, the marked cased off and closed sellers at what was bid last night. Cash trade very dull but we look for dull market until we pass the changing of June over and possibly a little into July. After that we believe we shall see more active market. Buy ribs on weak places, but on any strength we advise selling lard. As this article is too plentiful to do much good. We call attention to January and September pork and believe both a sale. 15,000 hogs to-morrow. Curb 86⅞.

New York Cotton Market.

[By Telegraph.]

NEW YORK, June 20.—Messrs. Hubbard Price & Co., in their cotton circular tonight say: "Though spinners bought but 5,000 bales in Liverpool to-day, the arrival market closes firm at 2 points advance, and many cables have been received here to-day reporting a better tone to market. Our own cables state that the weak in long interest in Liverpool has been liquidated, and a steady tone abroad is looked for, though the production of goods in Manchester, exceeds the demand. Locally our market closed steady at a sharp advance from last evening. Upon buying for Liverpool account early in the day, together with local covering, and an open effort to close the market good for its effect on Liverpool to-morrow. Business has not been general, as merchants do not favor active trading in the summer positions on account of our light stock."

Receipts at our ports to-day estimated at 1,000 bales against 573 bales last week. The spot market is dull at unchanged prices; middling uplands, 12⅛c.; sales, 407 bales. Transactions in futures, 52,000 bales. Futures closed 6 to 7 points higher for the early months and unchanged for the others, as follows: June, 11.88@11.90; July, 11.90@11.90; August, 11.88@11.89; September, 11.65@11.66; October, 10.65@10.66; November, 10.52@10.53; December, 10.52@10.53; January, 10.56@10.57; February, 10.61@10.62.

In Liverpool spot cotton closed steady; middling uplands, 6 7-16d. Sales, 5,000 bales.

New York Produce Market.

[By Telegraph.]

NEW YORK, June 20.—Flour quiet but firm; fine grades winter, $2.00@$2.40; do spring, $1.80@$2.15; superfine winter, $2.40@2.75; southern closed quiet; trade and family extras, $3.00@$4.55. Wheat closed higher; spot sales No. 2 red winter, 93½@94; do. June, 94. Corn closed active, steady; spot sales No. 2 mixed, 41; do. June, 41½. Oats closed with little changes; spot sales No. 1 white, 38; No. 2 mixed June, 34½. Pork dull; mess, $13.50@$14.00. Lard steady; July $6.16. Sugar, refined steady; cut loaf and crushed, 7⅛; powdered, 6⅞@6.94; granulated, 6½. Coffee steady; fair Rio cargoes, 20.

New York Financial Market.

[By Telegraph.]

NEW YORK, June 20.—Money closed at 3 per cent. Exchange steady; posted rates, 486½@488; actual rates, 485 for sixty days, and 487¾@488 for demand. Governments closed steady; currency, 6's, 113 bid; 4's, coupons, 122½ bid; 4½'s, do., 103 bid.

There was decided falling off in the business on the Stock Exchange this morning as compared with that of the same hours yesterday. The opening was rather irregular, and in the early trading prices declined ¼ to ⅝ per cent. on the failure of the Park National Bank in Chicago, and the announcement of the further engagement of $250,000 gold for shipment to Germany.

In the last half hour of the morning a better feeling and considerable covering by the early sellers, caused prices to advance. The decline of the early morning was not only recovered by noon, but a fractional advance was established. The upward movement was aided by a rumor to the effect that the rate war would soon be settled. The market was dull during the afternoon, but prices were firmer. The highest prices of the day were current about 2 o'clock. In the last half hour there was a fractional reaction, but the close was steady at ½ to 2½ per cent. higher for most of the list. Sales, 176,012 shares.

VERITABLE WORDS OF

REV. SAM P. JONES.

The following is an extract from a letter written by the World's Renowned Evangelist:

"I returned from Tyler, Texas, on the 12th. I find my wife has been taking ROYAL GERMETUER to the great upbuilding of her physical system. She is now almost free from the distressing headaches with which she has been a martyr for twenty years. Surely it has done wonders for her. I wish every poor suffering wife had access to that medicine."

Again, on February 6th, he writes:

"My wife, who has been an invalid from nervous sick headache, has been entirely cured by six weeks' use of Dr. King's ROYAL GERMETUER. Her health is perfect. In two weeks two of my children were cured completely of nasal catarrh. It is truly a great remedy."
