RICHMOND TOBACCO EXCHANGE.

(Reported for the Times.)

RICHMOND, VA., Oct. 17.—Offerings of tobacco at auction on 'Change to-day (October 17) were very light: highest price $10.25 for a package of sun-cured tobacco.

Private sales reported to the secretary today: Wrappers, 19 hogsheads; smokers, 12 hogsheads; sun-cured, 1 hogshead. Total, 32 hogsheads.

Office of the tobacco inspector reports today: Inspections—Bright, 48 hogsheads; dark, 2 hogsheads. Reinspections—Bright, 4 hogsheads.

Farmer's, Wilson's, Alleghany, Seabrook's, Neal's, Davenport's, and Shockoe warehouses report to-day: Receipts, 40 hogsheads, 3 tierces and boxes; deliveries, 117 hogsheads.

Office of the Collector of the United States Internal Revenue reports collections for city of Richmond to-day as follows: Tax paid cigars and cigarettes, $1,000.80; tax paid tobaccos, $3,839.04. Total $4,839.84.

Registered at the Tobacco Exchange, Friday, October 17, 1890: R. S. Hargrove, Caroline; J. E. Turner, Lunenburg; A. H. Merry, Halifax.

Messrs. Vaughan & Sarvay in their weekly report say: "Smaller receipts, offerings, and sales, with a quiet but firm market, were the leading features of the week. Some of the new-crop tobaccos, both darks and brights, were sold this week."

In addition to their sales of loose tobacco this week, Messrs. Vaughan & Sarvay sold this morning seventeen piles of North Carolina loose bright tobaccos at prices ranging from $7.50 to $23.50. These sales will be continued if sufficient encouragement is offered.

Clarksville, Tenn.

CLARKSVILLE, TENN., Oct. 15.—Our sales for week ending to-day were 440 hogsheads. The quality of the offerings was poorer again, giving less interest to the sales. The market was firm for all grades of leaf and lugs, possessing merit and good usefulness, but dull and dragging on nondescripts and damaged tobaccos.

We had a white frost this morning, the first of the season, but it found but little tobacco in the field to nip. Planters are talking high prices for the new crop, but will be compelled to moderate their views.

Chicago.

CHICAGO, Oct. 15.—H. V. Lester telegraphs C. W. Branch & Co. as follows: Wheat closed at the highest point of the day, and the indications are for a strong opening and an active market to-morrow. The market has been hardening for some days, as though the bulls were gradually obtaining control, and if its action to-day can be taken as an indication they have carried the day, and it is likely to broaden and continue to advance. Conditions are strong, and all that is needed is general interest, which now bids fair to come.

NEW YORK, Oct. 17.—Cotton.—Messrs. Hubbard, Price & Co., in their cotton circular, say: "In Liverpool the market is one point lower than yesterday, the decline at the opening being also in part attributed to the failure of an important Glasgow house largely interested in the cotton goods' trade. Here the opening decline of about four to five points about established the basis of the day's trading, and the session has been comparatively dull in New York. Futures closed 1 to 2 points lower. Consumption.

MR. JOHN JOHNSON, 321 St. James st., Richmond, Va., writes:

Last fall I was attacked with hemorrhages from the lungs, soon followed by a hacking cough, shortness of breath, great emaciation, loss of appetite, and profuse night sweats. I grew so weak my physician did not expect me to live in any more than a few days. I was recommended to try A. B. C. Toole and Expectorant, and did so in March; have used the A. B. C. Toole because that time my cough soon left me, and I discontinued the use of the Expectorant and am to-day entirely restored. I had tried all kinds of other remedies, but none gave me recovery entirely to them.
