*OPERATIONS OF THE NEW YORK STOCK MARKET.*

**Situation of Tobacco at Richmond and Other Important Centres—Quotations of the New York and Liverpool Cotton Market—Provisions and Grain.**

NEW YORK, Mar. 26.—Money closed at 3½ per cent; highest, 4; lowest, 3. Exchange closed steady; posted rates, 486¼@489; actual rates, 485¾@486 for sixty days, and 488@488¼ for demand; Governments steady; currency 6's, 110 bid; 4's, coupons, 124¼; 4½'s do., 102.

The stock market was dull this morning. Business was restricted because of fact that exchange will not open to-morrow. The fact, too, that in London there will be a general suspension in financial and commercial circles till Monday also tended to check speculation. Money was firmer, because brokers and commission houses always prefer to carry large cash balances over a holiday season. Burlington, Rock Island and St. Paul absorbed most of the morning's speculations. Prices were well held, however, and under the lead of those stocks advanced ⅛@¾ cents by noon. The market was extremely dull after noon and prices were not so strong. The final figures were irregularly and fractionally changed from those of yesterday. The bank of England rate of discount remains unchanged at 3 per cent. One hundred thousand in gold was engaged to-day for shipment to Cuba. Total sales 88,905 shares.
