OPERATIONS OF THE NEW YORK STOCK MARKET.

Situation of Tobacco at Richmond and other Important Centres—Quotations of the New York and Liverpool Cotton Markets—Provisions and Grain.

NEW YORK, July 28.—Money closed at 2 per cent., the highest rate; lowest, 1¾ per cent. Exchange quiet; posted rates, 487½ for demand; actual rates, 484@484¼ for sixty days, and 486½@486¾ for demand. Governments closed steady; currency 6's, 110 bid; 4's, coupons, 117¼ bid; 4½'s, 100½. Pacific bonds closed as follows: Firsts, 106½; funds, 108¾; centrals, 108½.

There was a decided improvement in prices all through the market this morning, due, of course, chiefly to the covering of shorts yesterday. Meantime the leaders of yesterday's raid who covered largely in the depression of yesterday took some new stock this morning to get the benefit of advance incidental to the covering by the belated bears. The advance was general, but especially marked in Lackawanna, Burlington, Rock Island, Union Pacific and Richmond Terminal. Brokers for Jim Keene bought fully 20,000 shares of stock in the first hour this morning, principally Rock Island, St. Paul and Burlington. To-day the bi-weekly settlement on the London Stock Exchange began. In connection with this London bought a few thousand shares of its specialties in our market this morning and helped to strengthen its tone. In the case of West Point Terminal support was very apparent in the early dealings. President Inman, of the road, asserted to a United Press reporter to-day that he had bought $30,000 of the Terminal 5 per cent. bonds yesterday. He emphatically denied the stories current yesterday reflecting on the financial status of the road. This is the last day on which subscriptions will be received for the $4,000,000 new Louisville and Nashville stock, which was offered to stockholders at 70. Cables from London report few subscriptions on the other side. It is stated there that without doubt every one of the shares offered will be taken. After 12 o'clock the bears began pounding some of the leading stocks and a reaction resulted. Northern Pacific and the Lead Trusts in particular were found to be without any support and dropped to the lowest figures of the day. Toward the close there was a better feeling and a slight rally, leaving the closing prices irregularly changed for the day, and in most cases slightly higher. Sales, 158,361 shares.

New York.

NEW YORK, July 28.—Messrs. Hubbard, Price & Co. in their cotton circular to-night say: "The Liverpool market at 1 o'clock to-day was about 1-64d. better than yesterday for futures, but spot sales were only 5,000 bales, and private cables were not especially encouraging. Here prices showed an initial improvement of 2 points, but the advance did not hold either here or in Liverpool. There the gain was lost, and here it has been more than lost, August selling at 7.46 and January at 8.07, the close being steady at a shade over the lowest prices."

Futures steady. Receipts for the day at the ports are 2,400 bales, against 2,800 last week and 100 last year. The Southern markets are dull and easy with 1-16 decline at Savannah. The spot market is easy and unchanged. Middling uplands, 8c. Sales, 350 bales. Transactions in futures, 100,000 bales. July, 7.47@7.48; August, 7.47@7.48; September, 7.62@7.63; October, 7.75@7.76; December, 7.98@7.99; January, 8.08@8.09; February, 8.18@8.19; March, 8.27@8.28; April, 8.37@8.38; May, 8.47@8.48; June, 8.57@8.58.

In Liverpool—Spot cotton quiet. There were but few sellers and prices closed at about previous rates. Middling uplands, 4⅝d. Sales, 5,000 bales. Futures quiet. July-August, 4.15; August-September, 4.15; September-October, 4.20; October, 4.20.

PRODUCE.

Flour—Flour closed strong with good inquiry; fine grades winter, $3.85; superfine spring, $3.50@3.80; do. winter, $3.85@4.15; extra No. 2 spring, $3.85@4.20; do. winter, $4.10@4.25; extra No. 1 spring, $4.10@5; do, winter, $4.25; do. city mill extras, $5.40@5.50; Southern flour closed firm: trade and family extras, $4.40@5.10.

Wheat—There was an excited market at the opening this morning, with the bulls in full possession of the field. The public cable was very strong, and quoted Liverpool wheat, 2@2½d. higher. Private advices, if anything, were stronger than the public accounts, and brought buying orders chiefly for September and December. The decrease of one million bushels in amount of wheat on passage intensified the bull movement. It was chiefly on this that prices advanced ½@¾c. at the opening. The market continued firm up to 11 o'clock, when on sales to realize, prices weakened and declined during the remainder of the day, closing ⅞@⅞c. lower. Spot lots closed dull: sales No. 2 red winter, $1.02; do. July, 99⅝c.; August, 98c.; September, 97⅝c.; October, 98⅝c.

Corn—Corn options opened ⅛c. higher with wheat but lost the advance, together with an extra cent, on large receipts. From this there was little recovery, the market closing ⅜c. to 1c. lower. Spot lots closed easy. Sales: No. 2, mixed, 71½c.; do. July, 71c.; do. August, 62c.; do. September, 67c.; do. October, 65⅝c.

Oats—Oats options were dull and easier, closing 1⅛c. lower. Spot lots closed steady. Sales: No. 1 white, 53c.; No. 2, 47½c.; No. 1 mixed, 43c.; No. 2 do. 40½@41c.; No. 2 mixed, July, 41c.; do. August, 35½c.; do. September, 33½c.

Rye and barley nominal.

Pork—Pork was in more demand and firm; new mess, $12.50@13.25.

Lard—Lard closed steady: August, $6.83@6.86 September, $6.94@7.04.

Sugars—Raw sugar, nominal and dull; refined sugar-cut loaf and crushed, 5¼c.; powdered, 4⅝c.; granulated, 4⅜@4½c.; cubes, 4⅝c.; mould A, 4⅝c.; confectioners' A, 4⅛c.

Coffee—Spot lots coffee closed quiet: fair Rio cargoes, 19c. Futures closed steady.

The market is quiet and nominal for spirits turpentine, at 35½c. for regulars and 36c. for machine-made barrels. Rosin dull; common, $1.35; strained, $1.37; good, $1.40.

Petroleum—The oil market opened and declined ⅜c. before 1 o'clock. The gushers of O'Donald & McCurdy are causing considerable excitement at Pittsburg. The price of refined oil in barrels, New York, $6.20; for Abel test, $4.95; at Philadelphia and Baltimore the price rules a fraction lower; cases, $8.50; crude, in barrels, 62c.; August, 64@62½c.

Chicago.

CHICAGO, ILL., July 28.—Wheat—Wheat opened strong, but after the short demand had been filled the market declined and closed ⅝c. lower: receipts, 941 cars.

Corn—Corn declined on heavy sales to realize and closed ½@1⅛c. lower; receipts, 539 cars.

Oats—Oats were weak under the influence of heavy receipts and closed ½@1c. lower; receipts, 420 cars.

Provisions—Provisions weakened in sympathy with the lower prices for hogs and the break in corn, closing 25c. lower for pork, 12½c. lower for lard, and 12½@15c. lower for ribs.

I CURE FITS!
When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give Express and Post Office. H. G. ROOT, M. C., 183 Pearl St., N. Y.
