Regular Report of the Monetary, Grain and Provision Markets.

CLOSING QUOTATIONS OF MONEY.

Offerings and Sales at the Richmond Tobacco Exchange—Internal Revenue Collections—Foreign Advices.

NEW YORK, Dec. 7.—Money closed at 3 per cent; the highest rate was 3½ and the lowest 2½ per cent. Exchange closed steady; posted rates, 484@486; actual rates, 483@483¼ for sixty days and 484@484¼ for demand. Government bonds closed steady; currency 6's, 108½ bid; coupon 4's, 117½ bid, extended 2's, registered, 99½ bid.

Trading in the Stock Exchange this morning was moderate in volume, while prices were irregular. In the first hour the bears raided a few of the leading stocks, notably Northern Pacific preferred and Missouri Pacific. By 11 o'clock, under their lead, values were fractionally below those of Saturday. Milwaukee, Lake Shore and Western preferred was a feature of the second hour. It advanced to 129 and then receded to 128. The remainder of the list, however, was strong, and at midday the decline of the first hour was more than recovered by a few conspicuous stocks at this morning's trading, and in fact, the ones to which the speculation was almost wholly confined were Northern Pacific, Missouri Pacific, St. Paul, Atchison, Chicago Gas, Lake Erie and Western and Milwaukee, Lake Shore and Western preferred. The market was irregular during the last half of the day. The bears renewed their raids on some of the leading stocks and broke prices quite materially. This was especially the case with Northern Pacific, which closed at a decline of 2 per cent. In connection with the selling of this stock the bears circulated a number of alarming reports, with regard to the condition of Russell Sage. The fact that Mr. Sage did not appear on the street, or at his office to-day, was offered by the raiders as being confirmatory of these reports and that Mr. Sage's condition was really more serious than that of Jay Gould. Northern Pacific at first succeeded. Northern Pacific was the most weakest stock, closing 1½ lower. The general list closed irregular, but in most instances only fractionally changed. The exception to stock on the list was Commercial Cable, which closed 1 per cent. higher. Sugar Certificates were firm on buying in anticipation of a declaration of the regular semi-annual dividend. Chicago Gas Trust was strong on heavy earnings. The total sales for the day were 255,[illegible] shares.

New York Cotton Market.

NEW YORK, Dec. 7.—Messrs. Hubbard, Price & Co., in their cotton circular to-night, say: "Our cables advise that a mistake in cabling the Chronicle's figures of crop in sight last Saturday caused a decrease in the Liverpool market. Opening this morning made a prompt correction of the mistake and resulted in a complete recovery and a firm closing at an advance of 2-64 on Saturday's figures, where the market showed a decline at opening, but when the cause of the early decline in Liverpool was understood a prompt recovery ensued and the market advanced six points over Saturday. Then advices that New Orleans receipts to-morrow would be 30,000 bales caused a decline to 8.22 for March by 9 o'clock. The market will continue to be guided entirely by receipts. Prices seem pretty well adjusted to the expectation of 8,000,000 bales. Any assurance that the movement affords that the crop will not exceed this figure would, we think, induce large purchases by an element who are coming to believe that this supply is not disproportionate to the probabilities of consumption at these prices. After 2 o'clock the market was steadier, closing firm finally at about Saturday's prices."

Futures closed steady. Receipts at the ports 55,000 bales, against 54,000 last year. The spot market is quiet at unchanged prices. Sales, 148 bales. Transactions in futures, 102,000 bales. December, 7.78@7.80; January, 7.91@7.92; February, 8.08@8.09; March, 8.23@8.24; April, 8.37@8.38; May, 8.49@8.50; June, 8.60@8.61; July, 8.70@8.71; August, 8.78@8.80; September, 7.72@7.73.

ELECTROPOISE.

Electropoise.
(TRADE MARK)
BEDFORD CITY, VA., Aug. 25, 1891.
Mr. Paul Pratt, 416 east Grace street, Richmond Va.:
Dear Sir.—You may, if you choose, have the use of following: Since using the Electropoise, and without any other treatment, I have been gradually and greatly relieved of insomnia and indigestion, which, I think, must be due to its tonic powers, and, in teaching, I have not felt that usual weariness and fatigue which all teachers understand.
Mrs. W. has used it with decided benefit, being stronger and freer from Liver trouble and able to undergo more fatigue than for fifteen years. She has used, meanwhile, no other treatment.
Yours, most truly,
