TANNY LOSES HIS GAME,

AND COON WINS HIS FIRST IN THE VIRGINIA LEAGUE.

The Mountaineers Make Opportune Hits and Bunch Them Well Together, A Heart Disease Finish.

ROANOKE, VA., June 2.—Special.—To-day's game was close and interesting throughout, and in the main was a good exhibition of the sport.

Tannehill was an easy mark for the Mountaineers, and their hitting was at the most opportune times. They began the work in the fourth, when three singles and the failure of Higgins to field a ball in his territory, netted two runs; in the fifth, a single, then a double, scored another.

In the seventh two doubles, two singles, and an error by Groves added two more. Two singles and a long fly to left field scored the last run in the ninth. Coons pitched great ball throughout the game, though he was a little wild at the start. He kept the hits well scattered, and in only two innings were the visitors able to get more than one hit.

In the first inning Kain was presented with first; Sanford sent an easy fly to Whitehill, and Groves hit safely. Pender gave Whitehill another chance, which he accepted, and Wells walked to first, filling the bases. As the men advanced Williams tossed the ball to Cockman and it went over his head, Kain and Groves scoring. Boland died on a fly to Wrigley.

In the sixth, singles by Wells, Boland, and Wilson scored another.

In the ninth Tannehill started in for another Garrison finish by driving the sphere to center-field fence for three bases. The crowd began to grow nervous when Kain followed with a single. He was caught trying to steal second, the next two men went out on flies, and the locals crowded around Coons to congratulate him on winning his first game in the Virginia League. The score:

PETERSBURG AND NORFOLK.

The Leagues Played Prettily, But Had to Bear Defeat.

PETERSBURG, VA., June 2.—Special.—Petersburg defeated Norfolk in a prettily-played game this afternoon. Quarles, for the locals, pitched a steady game, holding the heavy-hitting Seagulls down to six hits. Gilroy started in for the visitors, but weakened in the fifth, and was relieved by Blankenship. The features of the game were Bradley's batting. Out of four times at the bat, he made two singles and a home run. Mulligan, Petersburg's latest outfielder, made his first appearance, and played his position well. The score:

Notes.

All of the winning clubs yesterday made six runs each.

Tannehill is no longer a sure winner. Roanoke found him an easy mark.

The Farmers knocked Gilroy out of the box yesterday. What next?

Higgins had two chances yesterday and made two errors. Groves one. What was the matter?

Portsmouth was shut out with Brandt in the box.

Bradley seems to be improving in his batting.

Coons won his first game yesterday.

If Roanoke wins to-day gains will be even between them and the Champions.

The many reports concerning Turner, Bowerman, and Corbett which have recently been circulated are, according to Owner O'Neill, without foundation. All three of these men are in Norfolk and will join the local team in Richmond Thursday. Turner has been a little "under the weather" for the past two or three days, but has no idea of leaving the team, while both Corbett and Bowerman are resting up a bit and nursing wounded fingers. They have not been recalled by Baltimore and will more than likely play ball with Norfolk during the remainder of the season.—Norfolk Landmark.

Keefer has been released by Roanoke. It looks like he is losing his grip.

Glenn has been released from the Lynchburg team, and Behan, who has been playing third base for Petersburg, has been signed as an outfielder for Lynchburg.

An Unsuccessful Meeting.

The special Council committee on readjusting the city offices and the salaries of the city officials held another meeting in room No. 11 of the City Hall last evening at 8 o'clock, with the following members present: Messrs. Noble (chairman), Guns, Allen and Woody. The Chair stated that according to the resolution adopted at the last meeting, he had divided the committee in sub-committees, who were to make themselves familiar with the workings of the various city departments.

Mr. Gunst stated that he had examined the books of Mr. William H. Williams, the clerk of special assessments and improvements, and had also commenced to look into the work of the Committee on Streets, but he had only made slow progress, and was, therefore, not in a position to submit a report.

Mr. Woody also stated that he was not yet prepared to submit a report, and it was, therefore, decided to adjourn the meeting until next Friday evening at the same hour.

The Call for the Caucus.

The call for the holding of the caucus of the Democratic members of the two branches of the incoming City Council had last night received seventeen signatures, a sufficient number to have the call issued. It was the original intention to hold the caucus on Thursday evening, June 11th, but in view of the fact that several Democratic members of the new Council will be out of town on that day, it has been decided to change the time time for holding the caucus from that night to Monday night, June 15th, at 8 o'clock.

The man who stands idly by and sees the life fading out of his wife's face, sees her health going, sees her becoming old and faded and wrinkled when she should still be in the perfect enjoyment of vigorous, useful health, is either less than a man or else does not know of the one remedy which will bring her back to health and strength. Most women do not understand their own bodies, or the things that make them well or sick. The most frequent cause of sickness in women is the cause last looked for. A women will go to a doctor when she has a severe cold, or some acute digestive disturbance, but she hesitates and procrastinates when the trouble is with the distinctly feminine organism. And yet the latter is infinitely more serious. It is the most serious sickness that any woman can have. It is the most dreadful—the most dangerous. Its consequences are always serious, and serious right at the beginning because it is debilitating. It saps the life and strength and works on the nerves to such an extent that the whole body is disturbed. Appetite leaves, the color goes from the face and hollows sink into the cheeks. Irritability succeeds good temper and fretfulness takes the place of contentment. Little by little life becomes more and more miserable. The woman is killing herself with neglect just as surely as if she were taking deadly poison. Perhaps her husband cannot persuade her to go to her doctor, because she naturally dreads the inevitable examinations and "local treatments." He can persuade her, if she needs persuasion, to take Dr. Pierce's Favorite Prescription. This truly wonderful medicine has cured hundreds of women after the best physicians have failed. It has been in constant use and tested every day for 30 years. It isn't an experiment, there are no chances about it. It is a certain and infallible cure for all derangements peculiar to women. Those who care to know all about it, and to receive the best medical work ever prepared for the general public are invited to send 21 one-cent stamps to cover cost of mailing *only* and receive a copy of Dr. Pierce's thousand page book, "Common Sense Medical Adviser." Address World's Dispensary Medical Association, Buffalo, N. Y.

PRESBYTERIAN REVIVAL MEETING

A New Baptist Church in Appomattox to be Dedicated in July.

WEST APPOMATTOX, VA., June 1.—Special.—All last week Rev. Mr. Lepps, who is pastor of several Presbyterian churches in this county, was assisted in a protracted meeting at this place by Rev. Mr. Bell, of Chatham, Va. The services go on for a part of this week. During last week Rev. Mr. Rogers conducted a meeting at the Stonewall Presbyterian church, some twelve miles from this place.

The new meeting-house of the Hebron Baptist church, located ten miles from here, is approaching completion. It is said to be quite a pretty edifice. The dedication of this church will take place probably early in July.

The weather has been fine for the crops of late. Several splendid "seasons" have enabled almost all the farmers to get a good stand of tobacco. The oats and corn are looking well.

THE TOWN OF CREWE.

A Y. M. C. A. Base-Ball Park—The Mayor to be Elected.

CREWE, VA., June 2.—Special.—The Young Men's Christian Association of this place are arranging to organize a base-ball team. The association is discussing the matter of making a base-ball park and letting the admission fees go into the treasury of the association.

The present Town Council met for the last time last night and straightened up the work to be turned over to the new Council elected last week, which will take charge of the work on the first Monday night in next month. One of the first duties of the new Council will be to elect a mayor.

A large number of Crewe people are attending the commencement exercises of the Southside Female Institute, at Burkeville, this week.
