UNIVERSITY OF VIRGINIA

WHY THE ELECTION OF A PRESIDENT WAS POSTPONED.

Because Jefferson Never Recommended It Sentiment for Col. McCabe—To be Discussed at Hot Springs.

PETERSBURG, VA., July 28.—Special.—All the friends of the University of Virginia in the State of Virginia, and in fact throughout the county, have been watching with much interest the fight as to the expediency of electing a president for the University. I heard to-day from a trustworthy source that the matter would have been settled at the June meeting of the Board of Visitors and that Captain W. Gordon McCabe, who for so long a time was a prominent and popular citizen of Petersburg, would have been elected to the office of president of the University but for the fact that there was a disposition on the part of several of the professors to oppose the creation of the office of president.

AGAINST JEFFERSON'S IDEAS.

They took the ground that Mr. Jefferson, who was the father of the University, had never seen fit to have a president for the institution, and, therefore, the Board of Visitors had no right to depart from the plan laid down by Mr. Jefferson.

The professors and a few of their friends appealed to the Board to defer the election of a president until the November meeting, and this was done, and, therefore, no action will be taken by the Board until the coming November meeting.

There is to be during the meeting of the Virginia Bar Association at the Hot Springs on August 4th next, a general meeting of the alumni of the University of Virginia to discuss the question as to whether or not it is best for the University to have a president. I learn that there seems to be every reason to believe that a large number of old University men will be present at this meeting.

ENDORSES CAPTAIN M'CABE.

A canvass has been made of the University men of Petersburg, Norfolk, Richmond, Lynchburg and Charleston, S. C., to determine their sentiments in regard to a president being appointed for the University, and it is said that about 95 per cent. of the University men in each of these cities are in favor of a president, and, being in favor of a president, they heartily endorse Captain W. Gordon McCabe for the position.

Among the alumni here in Petersburg who are in favor of Col. McCabe being made president of the University are Mr. Bernard Mann, Major F. R. Lassiter, Mr. Charles Trotter Lassiter, Mr. D. A. Lyon, Dr. H. G. Leigh, Dr. D. W. Lassiter, Mr. Alexander Hamilton, and Mr. W. P. McRae.

Among those in Richmond are Colonel Archer Anderson, Major Robert Stiles, Hon. F. W. Christian, Judge George Christian, Major B. Ran Wellford, and Hon. Wyndham R. Meredith.

Among others are Hon. Mr. Keen, of Lynchburg; Hon. R. L. Parrish, of Covington, Va., and Colonel A. L. Rives, of Albemarle.

The entire list comprises about one hundred and fifty of the alumni of the University.

The testimony in the McCance-Bailey case was concluded this afternoon about half-past 5 o'clock. The instructions will be argued to-morrow morning at 9 o'clock, and at 12 o'clock the case will be argued before the jury.

CARLEY'S CHURCH DEDICATED.

Carley's church, in Sussex county, was dedicated to-day with appropriate exercises, and a large attendance.

Herbert Walthall, of Brunswick county, who is charged with betrayal and who could not be found in Petersburg yesterday after his release on writ habeas corpus was seen yesterday afternoon by R. L. Hall in Dinwiddie county, on the Boydton plank-road, nine miles from Petersburg, in a buggy with another man.

Wm. Smith, Tod Smith, Webb Ingling and David Booth, all white, were before the mayor this morning, charged with house-breaking. They were discharged.

Mr. Allen Potts, of Richmond, is in the city.

TWO ACCIDENTS AT LAUREL.

John Cabell Breaks His Collar Bone and Lorenzo Mackey Breaks His Arm.

Two very serious and painful accidents occurred at the Laurel Reformatory Tuesday afternoon, as a result of which two of the inmates of that institution are now laid up for physical repairs, and will be under the weather for some time to come.

John Cabell, of the Reformatory boys, was playing ball on the grounds of the institution Tuesday afternoon. While running one of the bases he fell, and it was at once seen that he was hurt. He complained of much pain, and he was picked up and carried to the house.

Dr. Lorrimer James, of Glen Allen, was summoned, and upon examination found that the boy's collar-bone was shattered, and he was considerably bruised besides. Dr. James set the collar-bone and rendered the other necessary surgical attention, and young Cabell is getting on nicely. He will be out in a few days, it is thought.

Cabell is about twelve years of age, and is the son of a well-known lawyer at Kinston, N. C. He has been at the Reformatory for some time.

Another accident happened during that afternoon at the Reformatory. This time Lorenzo Mackey fell quite a distance from the new building and was badly hurt.

Mackey, who is about fourteen years of age, was walking on the rafters high up in the new building. While so doing, in some way he lost his balance and fell to the ground. Some one went to his assistance and he was carried to the house, and his injuries examined by Dr. James. It was found that his right arm was dislocated at the elbow, and both bones were broken in the middle of the forearm. He was also painfully bruised.

Lorenzo suffered a good deal of pain while his injuries were being attended to. He is getting on well now and will recover soon.

Borne to the Tomb.

The funeral of Dr. John Roy Baylor took place yesterday morning at 10 o'clock from the undertaking rooms of Mr. L. T. Christian on Broad street.

A large number of sorrowing friends assembled to take a parting look at the features of the distinguished physician and a long line of carriages containing relatives and immediate friends followed the body to Hollywood, where it was buried.

The Rev. J. J. Gravatt conducted the services at the grave in a simple, but impressive manner.

The floral designs were numerous and beautiful.
