CORNER FOUSHEE AND BROAD.

"EVERYTHING FOR EVERYBODY"

Meyer's Millinery Dep't.

The Trimmed Millinery display has been a most gratifying success. We have put into the work of its preparation the very best that this store is capable of—and we are willing to be judged by it.

We claim no patent on good taste, nor are we conceited enough to say, as one can see so often in the public prints, that ours is the "only" millinery store in town. But we do claim, and we substantiate it, that in the three essential points of a modern hat—novelty, good taste, and price—the three to be considered as a unit, few stores, if any, in this country can equal our millinery.

For to-morrow and the remainder of the week, we shall put on display at $2.50, $3.50 and $5, a line of Trimmed Hats, copies of the much higher priced ones—trimmed with fancy wings, finest velvets, ornaments and Ostrich in black and colors.

Our ready-to-wear Hats never were prettier. The line of Colored and Black Golf, College, Alpine, Tam O'Shanters, upwards from....50c
