

LOCAL BRIEFS.

The Board of Equalization was in session Monday. Some of the machinery for the factory has arrived and is being placed in position.

Mrs. Sarah Hall, who has been quite sick, is, we are glad to say, much improved.

Rev. E. Johnson has accepted the call to New Hope A. R. P. church and will leave there this week.

A meeting of the Confederate veterans of Gladden's Grove township will be held on Saturday, May 8th.

Mr. W. R. Garrison desires his customers to know that he has moved his market to W. G. Roche's old stand.

Read the advertisement of W. O. McKewen & Sons. Telephones put up by them in this county have proved perfectly satisfactory.

Clerk of Court R. H. Jennings has the last Acts of the Legislature, and the magistrates can get them by either calling at his office or sending them for them.

The "Pedalers" have selected black and orange for their colors. This is a beautiful and very striking combination, and before very long, all of the bicycles will be adorned with these colors.

The first issue of the Daily Record, Columbia's new afternoon paper, appeared on Monday, April 26th. Columbia is quite large enough to support an afternoon paper in addition to its morning papers, and we wish the Daily Record success.

The day is past when any kind of a hat will do for a child. That a child's hat be "up-to-date" is as imperative as hats for older people. No matter how hard you are to please, remember the most fastidious can be suited at Landerdale's.

Mrs. A. Hayes, T. W. Robertson, S. R. Rutland and Jesse Deleyew went to Broad River a few days ago on a fishing expedition and caught eight minnows. Major Woodward was more lucky at home on Tuesday afternoon. He caught a very fine carp out of his pond.

Mrs. F. M. Habenicht is advertising a number of good things. Shredded coconut, Palmetto New Orleans molasses, golden drip syrup and five candies, also Monarch brand salmon and Vienna sausages, are some of the things that she has just received.

Rev. T. M. Dent was present at the Oxford League which met at the Methodist Female College in Columbia last week. This league is composed of about twenty of the young ministers of the South Carolina Conference.

Lectures were delivered by several distinguished professors and were a great success.

Camp Raines met in the town hall on Monday and elected the following delegates to represent the camp at Nashville: R. H. Jennings, W. C. Beaty, Jas. B. Turner. Alternates: T. W. Woodward, J. R. Deleyew, Dr. T. B. McKinstry. The meeting was well attended, and efforts will be made to have other camps organized in the county.

Sundays was quite a wintry day, and many people appeared in winter clothes and heavy wraps, which did not feel at all uncomfortable, and fires were a necessity. Such cold weather so late in the spring is very unusual.

Frost was predicted by the weather bureau for Monday morning, but by Monday the weather, fortunately, had moderated and no serious harm resulted from the cold.

The ladies of the Memorial Association met on Thursday afternoon and although very few ladies were present, arrangements for the celebration on the 10th inst. were made. The ladies decided not to have any exercises, as has been customary, but the graves of the soldiers will be decorated as usual. Therefore, on the morning of the 10th the ladies are desired to meet for the purpose of arranging the flowers for the graves.

In Sunday's issue of the State appears for the first time the card of Misses Lou Dwight and Lottie Talley, which announces that these young ladies are prepared to do a general stenographic and typewriting business. The young ladies have formed a co-partnership under the firm-name of Dwight & Talley, and they have an office in the Central Bank building in Columbia. They very recently graduated from McFeat's school of typewriting and stenography, and are entirely competent, and deserve to succeed. In her course at the school, Miss Lou Dwight acquitted herself admirably, being considered one of the best scholars that Mr. McFeat has had, and all of her friends in Winnsboro wish the firm of Dwight & Talley great success.

Mr. Herbert Canthen was driving down Main street on Friday morning and Charlie Jennings got into the buggy with him, just in front of the Winnsboro Hotel. The horse started to run, and turned into the sidewalk in front of Mr. W. J. Elliott's house, throwing both occupants of the buggy out. To the amazement of every one neither was injured. The horse then ran down Main street and turned up the street by Mr. W. Doty & Co.'s store towards the college. He broke loose from the buggy and came charging down the sidewalk by the passenger depot and ran on the sidewalk from the jail to Mr. Phillips' store. The animal was perfectly terrified and looked as if it might run at any minute into a store. Fortunately everybody seemed to realize the frenzied condition of the horse and got out of the way, so no accident happened.

ROYAL BAKING POWDER Absolutely Pure. Celebrated for its great leavening strength and healthfulness. Assures the food against ailment and all forms of adulteration common to the cheap brands.

On Thursday morning, between 3 and 4 o'clock, the store of Messrs. Ganter & Callum was entered by burglars. The robber or robbers effected an entrance by breaking one of the front windows. Several pairs of shoes, a pair of trousers and other articles of clothing were stolen. No clue to the thieves has been found.

The Watch Contest closed on Friday night, the total voting approximating 6,000. The votes were counted by Capt. W. G. Jordan and Mr. J. L. Beaty. Owing to the lateness of the hour it was impossible to tabulate the full vote. It was apparent, however, from the size of the piles of ballots that the race was between these two.

Miss Bolick received 3,981 to Miss Bessie Stevenson's 1,265. Miss Bolick is, therefore, entitled to the watch. Misses Johnston and Mobley followed in the other named.

News was received in the city today of the death yesterday in the Jenkinsville section of Fairfield County of Capt. J. M. Kirkland, who was well known in this city, where he lived for a number of years. He was originally from Fairfield County and returned there with his family last January to engage in farming.

Kirkland took active interest in politics and was one of the leaders of the Reformers in Richland County. He was chairman of the first County Board of Control appointed for Richland under the first Dispensary Act. Capt. Kirkland was nearly 60 years old.—Columbia Record.

A shipment to Harrisburg, Penn., has been made. Mr. Hoesbeck and two children have arrived at the quarry.

The quarry train has put on three trains to accommodate summer travelers from Dundock to Rabbs.

Mr. Thos. McMahon will bring his bride from Charleston soon and they will make their home at the quarry.

Mr. W. F. Pearson's engine No. 236 made the run from the quarry to Rockton in 2 hours and 98 minutes.

Mr. Editor: Please correct the notice of the picnic at Strother. Instead of being on the 8th of May, it will take place on the 7th day of May—a basket picnic and fishing party. The public are cordially invited to attend. Committee.

Died, on the 21st of March, 1897, at her home in Chester County, Mrs. S. C. Boney, in the 56th year of her age. She was a native of Fairfield County, and a consistent member of the Baptist church. She had been a great sufferer for twenty years, but was patient in her affliction. She leaves five sons and one daughter and a host of friends to mourn her loss. All who knew her need not be told, a warmer heart death never made cold. A Friend.

Mr. Editor: Since by the earnest efforts and support of my friends I have been awarded the set of Commentaries, allow me space in your valuable column to thank them for this excellent set of books. Yes, you gave me a handsome vote, both in Winnsboro and the country, keeping my name at the head of the list since its first appearance. I know this is required effort on your part, but let me assure you that your efforts, in my behalf, are sincerely appreciated. These books shall be used and ever be cherished as a memento of the kindness of my friends in Fairfield. J. P. Leinbowen.

THE MAY LADIES' HOME JOURNAL. CONVOCATION AT RIDGEWAY. What Was Done Thereat During the Week Just Ended.

The Columbia convocation of the Episcopal church convened at St. Stephen's, Ridgeway, Monday night last. The Rev. C. J. Johnson of Rock Hill preached. On Tuesday morning the Rev. Mr. Alston preached and the holy communion was celebrated.

The subject of the woman's auxiliary was discussed. At night the Rev. W. B. Gordon of Edgfield made an address on the history of the church.

On Thursday morning, after service, all the clergymen present made a report of the work done in their respective fields of labor. In the afternoon a children's service was held, at which Bishop Capers and Rev. Messrs. Mitchell and Gordon made addresses.

On Friday morning, after the services of the church, the convocation passed resolutions of thanks for the hospitality of the Ridgeway people and adjourned.

The Rev. A. R. Mitchell remained over and preached Friday night. The convocation was in all respects gratifying. The attendance was on each occasion large. Much interest was shown on the part of the community, and the visiting bishop and clergymen received every courtesy that a refined sentiment prompted.

BLATHEWOOD DOT. News is very scarce in our town at present, but I will endeavor to send you a few dots anyway.

Farmers have about caught up with their crops, but rain is very much needed at present. There seems to be a good crop of fruit in this section and it won't be long now until we have plums to eat.

Our young people seem to be enjoying their delightful spring weather very much—going on fishing expeditions, taking twilight strolls, etc. Verily the poet was right when he said:

"In the spring a young man's fancy lightly turns to thoughts of love." The Girls' Sewing Society gave a splendid entertainment Wednesday evening for the benefit of the Baptist Church. Every one in it reflected great credit on themselves, and the large audience which was present seemed to enjoy the evening hugely.

The delightful music also added very much to the grand success of the affair. The night operator, Mr. China, of Sumter, arrived a week or so ago. He is a fine young man and we are very glad to have him in our city.

Mr. Watson was with us again last Sunday. He held one of the most interesting meetings and administered the most beautiful baptism that has been had at Sevier Level in many months.

Mr. Wesley Starns has been paying a visit to his sister, Mrs. Poovy. Misses Lottie and Maud Macon have returned home after spending a few days at Blatthewood.

We are glad to say that Mr. Jeff Harmon's little son Herbert who has been quite sick, is now much better. April 29, 1897. Sweet Peas.

Electric Bitters. Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and a restorative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison, Headache, Indigestion, Constipation, Dizziness, etc. to Electric Bitters. 50c and \$1.00 per bottle at McMaster Co.'s Drug Store.

Deafness Cannot be Cured. By logical applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Ladies Who Suffer From any complaint peculiar to their sex—such as Profuse, Painful, Suppressed or Irregular Menstruation, are soon restored to health by Bradford's Female Regulator. It is a combination of remedial agents which have been used with the greatest success for more than 25 years, and known to act specifically with and on the organs of Menstruation, and recommended for such complaints only. It never fails to give relief and restore the health of the suffering woman. It should be taken by the girl just budding into womanhood when Menstruation is Suppressed, Irregular or Painful, and all delicate women should use it, as its tonic properties have a wonderful influence in toning up and strengthening the system by driving through the proper channels all impurities.

A daughter of one of my customers missed menstruation from exposure and cold, and on arriving at puberty her health was completely wrecked, until she was twenty-four years of age, when upon my recommendation, she used one bottle of Bradford's Female Regulator, completely restoring her to health.
