ANOTHER SCIENTIFIC WONDER!

PEPSIN!

THE TRUE DIGESTIVE FLUID, Or Gastric Juice!

A GREAT DYSPEPSIA CURER.

PREPARED from Rennet, or the fourth stomach of the Ox, after directions by Baron Liebig, the great Physiological Chemist, by J S HOUGHTON, M.D., No 41, North Eighth street, Philadelphia, Pa.

This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, SALLOWNESS, CONSTIPATION, LIVER COMPLAINT, and DEBILITY, following Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve Five Pounds of Roast Beef—a thing two times out of the stomach.

Scientific Evidence!

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be so softened, changed and digested, just in the same manner as they would be in the human stomach."

Dr Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 9, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr Coxe, in his valuable writings on the Physiology of Digestion, observes that "a diminution of the due quantity of the Gastric Juice is a common and well prevailing cause of Dyspepsia;" and he cites the case of a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to Dr. Coxe's Gastric Juice, obtained from the stomachs of living animals, which proved complete and wonderful.

Dr Coxe's author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology that the ferments in animals, secreted in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Dr Stone's great work, "the chemistry of Man," (Lea & Blanchard: Phila, 1848, pp 321-2) says—"The discovery of Pepsin, forms a new era in the chemistry of Digestion. From recent experiments we know that food is dissolved as rapidly in this artificial digestive fluid, prepared from the stomach, as it is by the natural Gastric Juice itself."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes many pages to an examination of this subject. His experiments with Dr. Beaumont on the Gastric Juice, obtained from the living human stomach, and in animals, are well known. In all cases, he says, "digestion occurred as perfectly in the artificial as in the natural stomach."

AN DYSPEPSIA CURER.

Testimony in proof of the fact that PEPSIN has proved the most effectual remedy in curing cases of Dyspepsia, Constipation, Nervous Debility, and Dyspeptic Consumption supposed to be in the very worst of the cases, it is impossible to give the details of cases in all kinds of this advertisement—but certificates to the effect have been given of not less than TWO HUNDRED REMARKABLE CURES in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were truly rapid and wonderful, but not marvellous.

It is a great NERVOUS ANTIDOTE, and particularly useful for sendentary persons, in bilious disorder, Liver Complaint, Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the digestive organs, after a long sickness. Also, it restores the tone, and gives the free use of ardent spirits. It also restores Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINT, however chronic, or disease of the stomach and nervous system, however bad they may be, it CANNOT INSTANT RELIEF. A single dose relieves all the simpler symptoms, and it only needs to be persisted, for a short time, to make these good effects permanent. PURITY OF BLOOD and VIGOR OF BODY follow at once. It is particularly useful in cases of Nausea, Vomiting, Cramps, Pain in the pit of the Stomach, distended Bowels, Costiveness, Low evil state of the Blood, Nervous Irritability, Spirits, Despondency, Emaciation, Decline, Pining Away, Loss of Appetite, Nervous Debility, Lassitude, Lacy to Insanity, Suicide.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

Every bottle bears the written signature of J S HOUGHTON, M D, sole proprietor.

Sold by agents in every town in the United States, and by respectable dealers in Medicines generally.

CHEAP CLOTHING!

CLEAR THE TRACK!

BRADING'S NEW DEPOT!

One door below Crawford & Steel's store Front street, Pomeroy, Ohio.

JUST RECEIVED from Cincinnati a large and well selected stock of READY MADE CLOTHING, which has never been surpassed in quality or price in this market. Being a practical Tailor and having been carrying on the business for seven years in Pomeroy, I have selected my stock with a full knowledge of the wants of this market—looking to substantial goods and cheap prices.

My stock consists of Dress, Frock and Sack Coats, Pantaloons, Vests, Shirts, Underdrawers, Furnishing Goods, Cravats, Caps, Trunks, &c. Also, a superior article of Tailors' Stock and Points; an article kept nowhere else in Pomeroy.

The undersigned does not feel it necessary to boast of the great variety and cheapness of his stock. He knows that an examination of his goods will tell more potently in their favor than all the high faluting words to be found in Webster and Webster, could say for them. He therefore leaves it for others, whose stock needs to be puffed, to tell about the variety, goodness, and cheapness of their goods. His goods speak for themselves, as all competent judges must decide. They are STRONG AND WELL MADE, and he merely asks those wishing to

Purchase Clothing Cheap,

To call upon him before buying elsewhere, as he is confident he can sell them more fashionable and better clothing at CHEAPER RATES than any other establishment in the county.

Wistar's Balsam of Wild Cherry.

The Great Remedy for Consumption of the Lungs, Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, and other affections of the Pulmonary Organs.

☞ WISTAR'S BALSAM OF WILD CHERRY is a fine herbal medicine, compounded chiefly of Wild Cherry bark and the genuine Iceland Moss, (the latter imported expressly for this purpose) the rare medicinal virtues of which are also combined by a new chemical process, with the extract of tar—thus rendering the whole compound the most certain and efficacious remedies discovered for

Consumption of the Lungs.

Lancaster, Ohio, 1848.—Dr. William V. Banks, of Xenia, Ohio, a highly respectable druggist in that delightful village, has informed us that the sale of Wistar's Balsam of Wild Cherry is unparalleled. The demand for it is so great that he can scarcely keep himself supplied with it—the Iceland in his store medicines for long intervals. Some of these were counterfeit goods and some are who may call for Wistar's Balsam of Wild Cherry, supposed that the other articles were equally good, but finding it not so, and never cured by it, they have now become fully convinced that I have all the high reputation which it so justly deserves. What can prevent its sale when we can every day cure with it hundreds of cases of Consumption, Asthma, recent and dangerous coughs and all those diseases of long standing and apparently incurable consumption, (in its early stages,) are always cured by this remarkable medicine.

Hereditary Consumption!

Cured by Wistar's Balsam of Wild Cherry.—The following case of Jeremiah Isgrigg's family consumption, five of his brothers and sisters having died of Consumption, is truly wonderful. Could not this save the afflicted to make use of this herbal healing remedy, when it is effecting cures like the following:

Pleasant Ridge, Hamilton Co., O., September 27, 1850.

J. D. Park.—Dear Sir: I take the liberty of informing you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry, was prescribed by that terrible scourge Consumption, in May last. The attack was truly horrifying to myself, five of my family, my brothers and sisters had died of Consumption. I was afflicted with nearly all the worst features of the disease; I had a distressing cough, and expectorated a great deal of blood, neck lean, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skilled physician from the time I was taken sick until about six weeks since, I dare then about helpless, and my friends considering my case hopeless of at least beyond the reach of my physician's skill, advised the use of Wistar's Balsam of Wild Cherry.—Without my knowledge, my father procured it, and commenced using it. I was able to be out and oversee my business and labor, which I still continue to do. I have taken four bottles of the medicine, and now consider myself well. I make this statement to induce others that are afflicted as I have been, to make trial of Wistar's Balsam of Wild Cherry, which remedy has, under the blessing of Providence restored me to health.

JEREMIAH ISGRIGG.

Interesting Correspondence.

Important to those afflicted with diseases of the lungs and throat. Read minutes never cease.—More evidence of its surpassing health restorative virtues!

From Dr. Baker, Springfield, Washington, co. Ky.

SPRINGFIELD, KY., May 14, 1845.

Messrs. Sanford & Park.—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with the inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the Fall of 1841 I was attacked with a severe cold, which settled itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines and every change of air with benefit, and thus I wasted along until the winter of 1845, when I heard of Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a fair trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitations, I was induced to make use of the genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing.

After five years of affliction and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God, and the use of Dr. Wistar's Balsam of Wild Cherry.

May the Blessings of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectfully,

W. R. BAKER.

BRANT'S

PULMONARY BALSAM,

The Great COUGH REMEDY.

Many years of experience, and more than a **Hundred Thousand Cures** of **Consumptive** Complaints, have proved to the undoubted satisfaction of all persons who have become acquainted with this *wonderful remedy*, that it is **greatly superior**, because it is **soothing** and *healing*, and *more* **certain to cure Consumption** of the **Lungs**, than any other Remedy in the world. We know, however, that it is vain by some that Consumption can not be cured. Be that the opinion of the many or the few, we shall not attempt to argue with such, but this we *will say*, and do *assert as a fact*, which can be proved in **thousands** of cases, that this medicine **has cured** *Coughs* and *diseases* which, *before* the cures were effected, were called **real Consumption**, and which were attended with *symptoms* that resembled, and were in **all respects** *like* the symptoms of those who *die*, and who *dead* are said to have *died* with that fatal disease **Consumption.** This Balsam has cured *thousands of persons* who were said to be hopelessly afflicted—who had *hard, dry, racking* **Coughs**—*Pains* in the **Breast**, *Side*, and *Back*—**Difficulty of Breathing**—*Purulent Expectoration*—*Hectic Fever*—*Night-Sweats*—and **wasting away** of the **Flesh** and **Blood.** Persons having such complaints have been cured after it was said they *could not* **live a week** longer. This Medicine has cured some who were supposed to be in a **dying state**, but, by the use of this remedy, they **now live**, and enjoy good health.

This Balsam is *purely a vegetable compound*. It is pleasant to take, and *never does injury* in any stage of disease or under any circumstances. It effects its **wonderful** and *almost* **miraculous Cures** by **Purifying**, *Strengthening*, and **Invigorating** the whole system—by *equalizing the circulation*, and producing a *healthy* action—thus *allaying* **Cough**—*soothing the* **Nerves**—and *aiding and facilitating* **Expectoration.** It Cures the following diseases, viz.:—

Consumption,

COUGHS and *Colds, Bronchitis, Asthma, Spitting of Blood, Bleeding at the Lungs, Pains in the Breast, Side, and Chest, Nervousness, Night Sweats, Palpitation of the Heart*, and all **FEMALE WEAKNESSES** and *Complaints* arising therefrom, **Cholera Infantum**, &c.
