If you like Real flavor In Coffee

You'll Like Golden Roast

Golden Roast is blended to please people. It's more than just a coffee—it's a "different" coffee. It has a flavor of all its own because of its exceptional blend, and then the roasting brings out all of the goodness.

In many homes nothing but Golden Roast is served. That list is growing every day, as more and more people are discovering its delicious flavor and armona.

A pound air-tight package ordered from your grocer will win you too.
