KENTUCKY MILITARY INSTITUTE.

DIRECTED by a Board of Visitors appointed by the State, is under the Superintendence of Col. R. T. P. ALLEN, a distinguished graduate of West Point and a practical Engineer, aided by an able faculty.—The course of study is that usually taught in the best Colleges, with the addition of an extended course of Mathematics, National Sciences, and Theoretic and Practical Engineering.

The buildings of the Institute will be entirely refitted, and arrangements made for heating them with steam before the opening of the ensuing fall term, which will render the Institute entirely unequalled in regard to health, convenience, and agreeableness of residence, as it is already in thoroughness of instruction and strictness of government.

The seventh annual term will open on the second Monday in September, 1853. Entire charge $150 per semi-annual session, (session of 22 weeks) payable in advance.

Address the Superintendent, at "Military Institute, Franklin county, Kentucky," or the undersigned.
P. DUDLEY, President of the Board.

Louisville Journal, St Louis Republican, Pittsburg Gazette, Nashville Republican Banner, Nashville Union, and Memphis Eagle, will publish in city and country issues, to the amount of $20, and send bill to the Superintendent at the Institute. july 8, 1853—3m

MEDICAL.

DR. ROGERS' LIVERWORTH AND TAR
FOR THE COMPLETE CURE OF
Coughs, Colds, Influenza, Asthma, Bronchitis, spitting of Blood, and all other Lung Complaints leading to
CONSUMPTION.
THE GREAT COUGH REMEDY!

DEARE'R have you a Cough, which you are neglecting, in order to the idea that it is only a common cold, that it will soon "wear itself out?" Let a friend tell you, in all kindness, that will soon be the probable result.

It is natural that, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a tiny hacking Cough will set in, and when you raise anything it will be a thick and yellowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these symptoms and symptoms will increase, and you will soon find a Regular Fever, Cold Chills, Night Sweats, Copious Expectoration, and then Great Prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly CONSUMPTION did its work, and hurried you away.—Friend, have you no cause to be alarmed? In the above sketch you may see as in a glass, how every case of Consumption, good or bad, with more or less rapidity, to a fatal termination. Of all the Thousands and Millions whom this great Cough cure has gathered to the tomb, every single case began with a Cold. If this had been attended to, all might have been well, but being neglected, under the fatal delusion that it would "wear itself," it transferred its deadly action to the substance of the Lungs, exciting there the formation of tubercles. Another, and another cold added fuel to the flame, until these tubercles began to soften and suppurate forming cavities, great cavities in the Lungs. At this stage of the disease is very difficult of cure, and oftentime, it's attempt all human means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortable, and prolong his life, and in fact, is worthy of a trial,—let it in its incipient or during stages, this compound is as curable as any other disease, and "The Rogers Syrup of Liverworth, Tar, and Canchalagua," if taken at this time, will cure it ☞ AS SURELY AS IT IS TAKEN ☜ and this is strong language, but we can refer you to numbers living witnesses to prove that it is TRUE. And therefore, we earnestly exhort every man, woman and child, who has a Cough, or is subject to Colds, to keep medicine by you in the house, and whenever you take Cold, do not neglect it, "alone" to work mischief in your system, but eradicate it thoroughly, at once, by this power, fully healing compound, and keep your lungs invigorated, to carry you in full vigor to a good old age!

MOTHERS!

Have you delicate, weakly children, who are always taking cold, and subject to Coughs? Remember! There never was a Cough syrup which cured so quickly as this. And when your child goes to bed wheezing and coughing, you know not if, before morning, Croup may not set in, and ere you can get a Physician, your dear child may be beyond the reach of help. We beseech you therefore, as you value the lives of your children, keep this medicine by you in the house, and when your little ones take cold and commence coughing, give it to them at once, and rest not until the cough ceases. Give it, ye Mothers, a fair trial, and you will ever after be most thankful experience, that if this advice were followed no child need ever

DIE OF CROUP,

for the old Proverb be cured, before it could arrive at this aggravated and fatal stage. Let every Mother, especially, heed well these remarks, that she may ever thereafter, when mourning over the untimely flight of some cherished blossom, have the satisfaction of knowing that she has done her duty, and left no room for her to reproach herself with the idea that "to be forewarned, is to be forearmed." Parental caution has been your cause.

Be sure to ask for Dr. A. Rogers' Syrup of LIVERWORT, TAR and CANCHALAGUA, and let no other be palmed on you. SCOVILL & MEAD,
