MAGNIFICENT SCHEME!
Twenty Drawn Ballots.
In calling your particular attention to the extraordinary liberal and novel offer, we direct your attention to the extent of the Ballots, (which is of great consideration,) there being the unprecedented number of 20 Drawn Ballots, (whereas the other Lotteries rarely exceed 12,) giving a proportionately larger number to have a prize, as well as the fact that the lowest three number ticket will be entitled to a $200 Prize. The other and higher Prizes are IMMENSE, and well worthy of an investment, for which we refer you to the following: We can, without any false pride to conceal the fact, that our exertions have benefited our patrons, by the Prizes we have sent them, and we take this opportunity to thank them for the liberal support our exertions have received at their hands, hoping to a continuance of their favors, we therefore say do not fail to be in the list.
