PHOTOGRAPHIC CARD.

I TAKE pleasure in announcing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the **Photographic Art** in all its branches, having purchased the interest of my brother in the old established Gallery in Union Street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to retain my former position the Gallery has heretofore sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. O. OR, one of the best Photographers in the world, who made the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in this State, but my work shall not be surpassed North or South and I now introduce to the public the following new styles:

Imperial Photograph, India Ink;

Vignette, plain or colored;

Ivorytype, colored;

Pastel Pictures, life size;

Photographs on Canvas, life size;

Visiting cards, full length, plain;

Autograph Photographs, 18 to 24 sitters at one sitting.

Stereoscopes, on glass or paper.

I continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, which was only made one at a time. All who are in want of anything in my line are politely invited to give me a call before visiting elsewhere, when I will prove by ocular demonstration the above facts. Respectfully,

oct31-tf P. W. HUGHES.

GOLD MEDAL PIANOS!

ANOTHER TRIBUTE TO THE SUPERIORITY OF

Wm. Knabe & Co Piano Fortes.

WE are pleased to learn that at the great "World's Fair," held this month in the city of Macon, Georgia the enterprising Baltimore Firm, Wm. Knabe & Co., were awarded the *First Premium* over all competition, for their celebrated GOLD MEDAL PIANOS. This Fair being held under the direction of the Southern Cotton Planters' Association, a large and intelligent body of men, the importance attached to receiving the honors of their Fair, produced, as we learn, an unusual degree of competition on the part of many of the Piano Forte Manufacturers of the country. Several very fine instances were on exhibition; but after a most patient and thorough examination of their respective merits, the judges unanimously decided that the one from the Manufactory of Wm. Knabe & Co. was the "most excellent," and awarded the Medal accordingly.

Without wishing to appear invidious, we will add that the energetic, public-spirited and enterprising energy with which the Messrs. Knabe conduct their business, entitles them to an eminent degree to all the honors and success which they have achieved in their line. Lavish in the expenditure of time and money to produce a *First Quality Piano*, and advertising extensively to make their establishment known, they have their reward in the possession of a large and constantly increasing business, and the fortunate reputation of knowing that wherever and wherever competition is the order of the day, judges uniformly pronounce their Pianos to be "Excellent"—Baltimore Sun, of December 23d, 1860.

P S.—A supply of the above is now being received by A. H. McClure, 33 Union street, the sale Agent for Middle Tennessee, who will sell at our factory prices.

NOTICE TO SHIPPERS.

NASHVILLE & CHATTANOOGA R. R.

Superintendent's Office.

DURING the time breaks on the Nashville & Chattanooga Railroad of Georgia, were being repaired, we had every arrangement to accommodate the business of our Local staff be including Chattanooga. But now, that the breaks in the State Road have been repaired, and Trains are running through to Atlanta. We think it our duty to move in regular turn, according to dates, the freight that have accumulated during the suspension of transportation over the Western and Atlantic Railroad. Therefore, no more freight for our Local stations, including Chattanooga, can be received until further notice. And desiring to do the best we can all, during this unprecedented rush of freight, we request all parties in the city interested in the shipment of both through and local freight, to furnish us with their marks of freight ready for shipment, that they may be entered upon our Books and take their regular turn. The Manifests from Steamboats and the Louisville road, will show for themselves as to dates.
