NERVES ALL ON TENSION?

A mother in the home, or a man or woman at business, with nerves undone and the system generally feeling the strain, should find wonderful help in

SCOTT'S EMULSION

Powerful sedatives or strong medicines are habit-forming and dangerous. The logical help is a form of nourishment abundant in tonic properties. *Scott's* brings strength to the body, through nourishment that is felt in every part. *If inclined to be nervous, the logical answer is—Scott's Emulsion.*

SHROUDED IN MYSTERY

Disappearance of Milan M. Hitchcock Has Not Been Solved.

Chicago, Nov. 29.—Further mystery has been added to the disappearance of a week ago of Milan M. Hitchcock, who as a realty expert, estimated for the United States government, the value of property near the Maywood, Ills., speedway. It was discovered yesterday, that John R. Hunter, head of a detective agency, who is known to have shadowed Hitchcock since his connection with the speedway property, has also disappeared.

The property in question was to have been used for an army hospital, but the plan has been abandoned by the government since the signing of the armistice. It is believed the mystery, when solved, will show its origin to be in business rivalry in connection with the sale of the land. No trace of either man has been found.
