THE EAST TENNESSEE UNION FLAG.

THE UNION FLAG

Jonesboro', October 19, 1866.

LOCAL ITEMS.

A GRAND RADICAL UNION MASS-MEETING

IS TO BE HELD IN JONESBORO, ON THE

22d day of October, 1866.

At which a Large and Magnificent UNION FLAG will be raised. Many distinguished Union Orators will be present to address the people.

The following distinguished speakers will be among the number:

Gen. L. S. TROWBRIDGE,
Hon. Wm. B. STOKES,
Hon. J. S. FOWLER
Judge R. R. BUTLER,
HON. H. MAYNARD,
Judge L. C. HOUCK,
And Others.

A Procession will be formed, headed by Col. Geo. W. Kirk, and his brave soldiers, followed by the members of the East Tennessee Regiments.

Soldiers are requested to come in full uniform. Let every Unionist who loves his country be present.

Office of the Union Flag.

The Office of the "*Union Flag*" has been removed from the old stand on the hill, to No. 4, Cox's Row, up stairs, in rear of John West's Store, Main Street, Jonesboro', Tennessee. Give us a call.

The Concert on Monday Night.

Do not forget the Concert on Monday Night for the benefit of Miss Agnes Jones. Let every citizen who desires to aid in a noble and philanthropic object, go and take their families—and thus aid one whose eyes are forever closed to the scenes of this world. It is but a small amount of money that will be well spent. She will be aided by Prof. Charlie E. Dillworth, Misses Belle and Eva Maxwell, Miss Kate Flemming and others; forming a splendid choir. A splendid instrument has been loaned for the occasion. Go and take your friends along with you.

That Magnificent Union Flag!

PHILADELPHIA, Oct. 14, 1866.

Capt. Geo. E. Grisham, N. B. Owens, S. E. Griffith, Dr. C. Wheeler, J. Milton Scudder, John West, and others:—GENTLEMEN.—I have ordered a Flag 60x 90 feet to be sent to your address to-day, for which please find receipt enclosed. I hope it may give satisfaction as to size and quality. The difference between amount sent and cost, you will please to consider as my contribution to the cause of loyalty in East Tennessee.

We are very well satisfied with the result of our labors in last Tuesday.

Very truly yours, GEO. E. FORD

We are pleased to inform the public that the Flag has arrived safe and in good order, and is a most magnificent and beautiful specimen of the American colors. We have engraved upon it in flaming characters—

IN THE RADICAL UNION CONGRESS IS OUR ONLY SAFETY!

On behalf of the thousands of loyal people of Upper East Tennessee, we return many heartfelt thanks to Colonel Ford for the munificent donation he has so patriotically bestowed upon us. He will ever be gratefully remembered.

On Monday next the shouts of ten thousand mountain Unionists will rend the air in Jonesboro, for the glorious old Flag, Liberty and Unconditional Union.

The Fiends at Work Again.

Another daring attempt was made to destroy the *Flag* office by fire on Friday night last, but was foiled by the fire being discovered through a mere accident, in time to extinguish it. Had those vile incendiary rebel wretches have effected their base design *three boys* (apprentices) *would have perished in the flames!* Who can contemplate so damnable a deed without a shudder? But, as we said before, they are known, and will finally receive their just compensation of reward—as will also those who countenance and aid them. We have resented, for once, with our office behind more impregnable fortifications, and mean to fight the cowardly scundrels out on this line if it takes *ten years!* They can no more prevent us from publishing a loyal paper in Jonesboro than stop the sun, Moon and Stars from revolving round their orbits. The good work must and shall go on, traitors, incendiaries and assassins to the contrary notwithstanding.

☞ We are glad to see our city friends are improving our streets and side-walks, and trust they will "push their investigations further."

— Our enterprising friends, Messrs. Squibb & Mahoney, have just received a large and splendid stock of new Fall and Winter Goods, and are doing a driving trade. Call and see their new goods and spend your greenback. They will give you good bargains.

☞ We urge upon our Carter County true Union friends to go to work, earnest and faithful, and let no one go to Nashville to represent them but a straight-out Radical Unionist. Work early—work late!

— Since the Northern elections, it is reported that the Hog cholera has broken out among the Copperheads in East Tennessee to an alarming extent. Radical brush is said to be a *sure* remedy! Try it!

— Our friend, John West, will please accept our thanks for a lot of very large fine turnips.

☞ We have received a long letter from Reverend Miles, of Blountville, in answer to the paragraph published in our Local some weeks since. It was our intention to publish this letter, but since receiving it, another fiendish attempt has been made to destroy our office by fire by the very men whom Miles, in the palmy days of the Southern Confederacy, urged by his sacrilegious prayers and "persuasive eloquence," to hate Union men and to destroy them root and branch. We will publish no rebel letter, nor do we intend to encourage scoundrelism in any shape, way or form. We do not entertain any unkind feelings for any one, when they properly behave themselves, but the time has come when rebels must cease to meddle in politics, and for rebel preachers to cease preaching the traitorous and treasonical doctrine of a Southern Church. With a loyal government we must have a loyal church, and the rebel preachers who meditate anything to the contrary go to the plough-handles the heifer it will be shown. There is a storm gathering over them of just indignation, which is destined to burst in fury upon their heads.

The Union Flag Enlarged.

It will be seen that we have enlarged the *Flag*, this week, four columns. Now is the time to subscribe for a good, loyal, family newspaper. It is our intention to *still make* improvements. Send in your clubs for the *Flag* immediately. TERMS: $3 00 per single copy one year. Five copies, $2 75 each; Ten copies, $2 50; Twenty copies, $2 00 each name.

Startling Revelation.

On our fourth page will be found a startling revelation, in verse. As we are much concerned in behalf of these unfortunate individuals, we urge delinquent subscribers and others indebted to us to "take ye heed" immediately.

☞ Do not fail to be in Jonesborough on Monday and assist in raising the glorious Old Flag, and hear the distinguished orators who will address the people.

The Alpine Nursery.

We are in receipt of a large box of the most splendid fruit we ever saw, sent us by Mr. John M. Barnes, Proprietor of the Alpine Nursery, situated at Pine Grove, one mile South-west of Carter Station, Washington county, Tennessee. The box contained *fifty* different varieties of apples.—Some of these apples measure full *ten inches* in circumference, and are of the most delicious flavor. Many of these varieties are late keepers, and and will keep well over twelve months. Mr. Barnes deserves great credit for his industry in cultivating his splendid Nursery. All who desire good fruit trees, should patronage the Alpine Nursery.

Religious Revival at Taylorsville.

TAYLORSVILLE, JOHNSON. CO. TENN. October 12, 1866.

Capt. GEO. E. GRISHAM. *Ed. Flag, Dear Sir:*—We have had a glorious revival of religion, on this Circuit, in the last six weeks. Four hundred and thirty have joined the Church, and two hundred and fifty have professed religion. Such a revival has never been witnessed before. The revival is still going on. Please give this a place in your paper. Very respectfully, yours, &c.,

H. J. CRUMLEY.

MARRIED,

On Sabbath morning, the 14th inst., at Salem Church by Rev. W. B. Rankin, Mr. Jacob C. Barkley, and Miss S. Alice, daughter of Col. G. W. Telford.

On the same day by the same, Lt. John W. Mathes, and Miss Eliza Jordan, all of Washington county.

Traveling alone Life's Saharian waste
Is not congenial to people of taste,
Good sense, also, dictates an opposite choice,
And wisdom confirms with an oracular voice.

So, Jacob and John did determine to glide
O'er the rude passage, each a wife by his side;
They are gone, they are gone! 'tis no reckless story
And left old maid's and baches alone in their glory!

Junior.

Married on the 11 inst., by Rev. John Malone, Mr. Samuel Martin to Miss Delilah Keefawver all of Washington County.

The Cholera.

Dr. Bigelow, a noted physician of Boston, says:—"From our past observations I do not believe that cholera, should it appear in this country, will be so likely to trouble New England as it is to visit the malarious regions of the South and West."

Among all the many different remedies advertised there are none that act so completely as an antidote to this cadaverous poison, and which give vigor and strength, than DR. HOSTAK'S STOMACH BITTERS AND BLOOD PILLS. The *Blood Pills* act directly on the liver, causing it to throw off the deleterious matter, and the *Bitters* restore the appetite and invigorate the whole system, thoroughly keeping off the terrible scourge, cholera.

Quarterly Meeting.

The Second Quarterly Meetings for the Jonesboro District, Holston Conference, of the Methodist Episcopal Church, will be held as follows:

Blountville, Bristol and Abingdon Circuit, at Zion October 6th and 7th.

Rheatown Circuit, at Pleasant Hill, October 13th and 14th.

Jonesboro' Station, October 27th and 28th Embreeville.

Elizabethton Circuit, at Patton's Chapel, Nov 3rd and 4th.

Taylorsville Circuit at ——, November 10th and 11 th During the past quarter over one hundred have been added to the Church. L. F. DRAKE, Presiding Elder.

THE WONDERS OF THE MICROSCOPE.—We understand it is through the agency of this marvel viewing instrument that Dr. Ayer has at length succeeded in finding the Paludal Miasm and determining its character. If its effects are in this section have abundant evidence in the fever and ague which it alone produces when absorbed through the lungs into the blood. It has long been held to be a vapor or something in the vapor of water from decayed and decaying vegetation. Under a great magnifying power, the Doctor has found this vapor to contain distinct organisms of living bodies, corresponding precisely with those found in the blood of ague subjects. They are 15,000 times less than visible to the naked eye, but have distinct character and form. He thinks they are reproductive in decaying matter or in the blood, and hence their long-continued life or the remote effects of them in the system. He maintains that they resemble in character the other fermentative poisons, or such as the virus of rabies or of a dead body, &c., all of which are known to reproduce themselves with great rapidity like yeast in moistened flour—so that the slightest quantity impregnates the whole mass. Yeast through a powerful magnifier is seen to be a forest of vegetation which grows, blossoms and goes to seed in a short time. Miasm is not so distinctly vegetable, but has more the appearance of animal life, although its motions cannot be perfectly distinguished. What the Doctor claims to have settled is that it is an organic substance, and he has further found and embodied in his "Ague Cure" what will destroy it.—[Leader, St. Louis, Mo.

WILLIAM G. BROWNLOW, *Governor of the State of Tennessee*—To all who shall see these presents—Greeting:

WHEREAS, It has been made known to me that certain Ca Williams and a certain Lons Carrell, alias Williams, alias Roberts, charged with having committed a foul and atrocious murder on the 8th day of July, 1866, upon the body of Alvin Tinch, late of our county of Putnam, have fled from justice and are now running at large.

Now, therefore I, William G. Brownlow, Governor aforesaid, by virtue of the power and authority in me vested, do hereby offer a reward of Five Hundred Dollars to any person or persons who will apprehend the said Ca Williams and Lons Carrel, alias Williams alias Roberts, and deliver them to the Sheriff or Jailor of our county of Putnam, or $250 for either of them, in order that justice in that behalf may be had and executed.

DESCRIPTION.

The said Ca Williams is about 20 or 25 years old, red hair and light beard, yellowish blue eyes, ruddy complexion high cheek bones, thin lips, white teeth, upper teeth prominent, heavy eyebrows, square shoulders, has been shot in the left collar bone, the scar from which, at times, becomes irritated by the rubbing of his suspender.

Lons. Carrell, alias Williams, alias Roberts, is about 18 or 20 years old, slender form, thin face, flat or dish mouth, bluish grey eyes, but little beard, speaks slowly, and but seldom, light hair and swarthy complexion. They sometimes pass themselves as brothers, and by different names.

If arrested they must be held until witnesses are brought from Indiana.

In testimody whereof, I have subscribed my name, and cause the Great Seal of the State of Tennessee to be affixed at Nashville, on the 29th day of September, 1866.

[SEAL]

By the Governor:
W. G BROWNLOW.
A. J. FLETCHER, Sec'y of State.

Described as follows: A bay horse four years old, left fore ankle enlarged from having been engaged. A bay mare, rather small, with a blaze in her face which is not straight, but inclines to one side, back fines just before her loins, or what is termed hog backed, one eye a little glassy. I will give both horses for the apprehension of the murderers of my son.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD,

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was advised to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Erysipelas* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Scott, of Freeport Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr J B S Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the
