TOBACCO.

CAUTION.—CONSUMERS OF "DILL'S BEST" TOBACCO will please notice carefully the yellow tag on same, and see that it has the wording, in black letters, "Dill's Best." Other tobaccos are being placed on the market with a tag similar in coloring to the "Dill's Best" tag, and may mislead consumers of the celebrated brand of tobacco. To be genuine, the little yellow tag must have on it "Dill's Best." In buying do not ask for the little yellow tag, as formerly, but "Dill's Best," and see that you get what you ask for.

A. M. VAUGHAN, editor of the *Greenwich Review*, Greenwich, O., writes: "Last January I met with a very severe accident, caused by a runaway horse. I used almost every kind of salve to heal the wounds, which turned to running-sores, but found nothing to do me any good till I was recommended HENRY'S CARBOLIC SALVE. I bought a box, and it helped me at once, and at the end of two months I was completely well.
