TOBACCO.

CAUTION.—CONSUMERS OF "DILL'S BEST" TOBACCO will please notice carefully the yellow tag on same, and see that it has the wording, in black letters, "Dill's Best." Other tobaccos are being placed on the market with a tag similar in coloring to the "Dill's Best" tag, and may mislead consumers of this celebrated brand of tobacco. To be genuine, the little yellow tag must have on it "Dill's Best." In buying, do not ask for the little yellow tag as formerly, but ask for the "Dill's Best," and see that you get what you ask for. no 4-3m
