PETERSBURG.

SUIT FOR DAMAGES DECIDED ON A TECHNICAL POINT.

Desperate Attempt to Escape—Matrimonial—Contest for a Sword—Personals and Briefs.

[Correspondence of the Richmond Dispatch]

PETERSBURG, VA., November 10, 1886.

Among the cases which Judge Hancock has disposed of at the present term of the Circuit Court of Prince George county is that of Frederick Reid vs. The Norfolk and Western Railroad Company—a suit for $5,000 damages, instituted by an employé for injuries sustained in the service of the company, near Disputanta, in that county. The case was decided upon a point of law purely technical. A few days before the suit was instituted the Legislature made a material change in the law regulating the time for the service of process upon corporations. The act of Assembly had not been officially promulgated, and was not generally known. The change it made in the old law practically relieved the railroad company from liability without inquiry into the merits of the case.

At the same term of the court the suit of McIlwaine vs. Tinsley, for $1,500 damages for alleged violation of a contract, was tried, but at last accounts no verdict had been rendered.

John Baker, the negro who stole a mule recently from Mr. George W. Congdon, in Chesterfield, and who violently resisted arrest in this city yesterday, was taken out to the jail of that county this morning. He was securely strapped and cuffed, in order to prevent any attempt at escape. As soon as he had left the Courthouse Square, in charge of officers, though handcuffed, he broke from their custody and ran one or two hundred yards before he was captured. But for the fear of injuring others it is believed the prisoner would have been shot by some of the pursuers. He is a desperate character, and will not stay in jail if he can possibly get out.

PERSONAL NOTES.

Mr. J. E. Peck, of Norfolk county, was married in this city this morning to Miss Maud, daughter of Mr. James M. Williams, one of the most charming of Petersburg's young ladies. The ceremony was quietly performed at the residence of the bride's father, on Market street, Rev. E. C. Dargan, of the First Baptist church, officiating. The couple left on the Norfolk train on a bridal trip to New York.

In the sword contest for the most popular officer of the three companies which drilled at the Musical Kirmess in this city on Thursday evening last, Captain C. Hall, of the Guard of the Commonwealth, has the lead, closely followed by both Lieutenant Kirk Seabury, of the Petersburg Grays, and Captain Sol. Cutchins, of the Richmond Light Infantry Blues. Captain Cutchins won the gold medal at the time for the best-drilled company. The voting, which has been quite active for the beautiful sword, will be closed on Saturday night. A number of ladies are working for each of the three gentlemen, with prospects thus far in favor of Captain Hall.

The family of the late Dr. A. Whitehead, for many years a prominent dentist of Petersburg, have removed to Roanoke to live. His son, Mr. Irving Whitehead, leaves this week for Philadelphia to study dentistry.

Miss Eva Sedgwick, of Richmond, is a guest in the family of Mr. E. B. Bain, in this city.

Mr. A. Demarest Wool, whose funeral took place this afternoon from Tabb-Street church, had policies of insurance on his life amounting to about $12,000.

Ex-Governor Cameron, who, it is understood, was expected to be a witness in the suit against S. Brown Allen, is absent from home on a week's hunt with a party of friends. ROBIN ADAIR.

Ship Afire at West Point.

The American ship Alice M. Minnott, of Bath, Me., loading at West Point with cotton for Liverpool, took fire Tuesday night. A large force of stevedores was put to work, the hatches secured, and the ship towed to a point a mile above the wharf and scuttled. The Minnott had on about 2,000 bales of cotton. The loss, which it is thought will not be very heavy, is fully covered by insurance.

Burned to Death.

The *Caroline Sentinel* reports that Miss Jessie Shackelford, daughter of Mr. B. C. Shackelford, residing near New London, was burned to death Friday night by the explosion of a kerosene-oil lamp.

THE FAMOUS HOT SPRINGS OF VIRGINIA AT AUCTION.

In pursuance of a decree of the United States District Court for the Western District of Virginia, "in the matter of S. C. Tardy, bankrupt," entered the 3d of February, 1885, and of a decree of the Chancery Court of the city of Richmond, in the suit of "Hall's administrator vs. Price and *als.*," entered the 23d of April, 1885, we will sell at 1 o'clock P. M., on FRIDAY, NOVEMBER 12, 1886, at the front door of the auctioneer, (No. 4 north Eleventh street, Richmond, Va.,) by public auction, the noted HOT SPRINGS OF VIRGINIA, situated in Bath county, Va., and embracing, besides the valuable Mineral Springs, about 1,292 ACRES OF LAND, much of which is very valuable for grazing and agricultural purposes.

The curative properties of the waters of the Hot Springs are equal, if not superior, to those of the famous Hot Springs of Arkansas, and their reputation as extensive.

The HOTEL and COTTAGES are in good condition, with a capacity to accommodate FOUR HUNDRED GUESTS, and the FARM BUILDINGS are good and of sufficient quantity.

This property is situated in the celebrated Warm-springs Valley, unrivalled for the beauty of its scenery and for healthfulness, and embraces innumerable springs of the finest variety of temperature and varied medicinal properties. They are the only hot springs east of the Mississippi river, and must necessarily be the great resort of all persons living in the Atlantic States who seek permanent relief from rheumatism, gout, and scrofula.

It is no picture of fancy to say that its unutilized earth-incrusted mineral waters are, indeed, a stream of gold going in large part to waste down this beautiful valley, all of which can and will be changed into what nature intended it should be—a fountain of health to the sufferer and of wealth to the owner. We now have the foresight and courage to properly improve the property, converting it into a sanitarium that would save its thousands of visitors every day in the year.

These Springs are located on the route of the proposed Chesapeake and Ohio railroad, and with it, as confidently believed, to be constructed in the near future. This property is too well and favorably known to require a fuller description, but the auctioneer will take pleasure in giving any information that may be desired.

TERMS: Cash sufficient to pay the amount due and unpaid at the time of sale by the respondents, Benjamin Holladay and others at whose risk and cost the sale is made; and the residue at one, two and three years, in unequal instalments, with interest thereon, payable semi-annually; the purchaser to give bonds and security for the deferred payments, and the Court to retain the title until full payment is made. A statement of the exact amount that will be required to be paid in cash will be furnished at the time of sale. ISAAC DAVENPORT, JR., JAMES ALFRED JONES, W. L. SMITH, Commissioners of United States Court; A. L. BOULWARE, J. P. COCKE, Commissioners of Chancery Court. N. W. BOWE, Auctioneer. oc 6
