PROCEEDINGS OF THE FOURTH ANNUAL SESSION AT PETERSBURG.

Proceedings Against a Registrar—Charged with Violating the Franchise Laws—Sudden Death.

[Correspondence of the Richmond Dispatch.]

PETERSBURG, October 15, 1888.

The fourth annual session of the State Council of Junior Order of United American Mechanics was held in this city to-day—State-Councillor Shunk, of Washington, D. C., presiding. Thirteen of the sixteen councils are represented, and the attendance is quite full. The report of the State Councillor shows good progress and a healthy interest in the order.

The report of the State Council's secretary, which was also submitted, shows that the membership of the order in this jurisdiction is over 1,000, and owning property valued at between four and five thousand dollars.

The report of the State treasurer represents the finances of the council to be in a satisfactory condition.

It is understood that some dissatisfaction has been manifested in reference to this meeting of the State Council here, which has extended so far as to the practical ignoring of the presence of the body by the refusal of two of the three local councils to send representatives to the council. This action is said to be the result of a feeling on the part of the two local councils in question that they have been wrongfully treated by the Executive Board of the State Council in granting a charter for a new council here in opposition to their vigorous and emphatic protest. A committee was long ago appointed to extend a cordial and hospitable reception to the representatives of the State Council. But this committee was withdrawn because of the slight claimed to have been cast upon the local councils, and the latter have, therefore, declined to take any part whatever in the entertainment of the council or in its proceedings. This action, it is said, extends only to the present body.

At the session of the State Council this afternoon the following officers were elected for the ensuing year: State Councillor, C. W. Tyler, Richmond; Vice-Councillor, W. M. Lipscomb, Manchester; Secretary, Thomas B. Ivy, Petersburg; Treasurer, M. Z. Percival, Richmond; Warden, W. C. Clements, Swansboro'; Conductor, J. A. Lawrence, Suffolk; Inside Sentinel, G. E. Howard, Washington; Outside Sentinel, C. A. Rawson, Richmond; representative to National Council, J. H. Cunningham, Washington. Trustees: C. W. Tyler; E. R. Walden, and W. J. Tyler. The council adjourned to meet next year in Manchester.

PROCEEDINGS AGAINST A REGISTRAR.

United States Commissioner George Schenk, on Saturday afternoon, on complaint of Mr. W. N. Ragland, the Republican Federal supervisor of elections for the Second-Ward precinct in this city, issued a warrant for the arrest of Mr. James E. Caldwell, the Democratic registrar for said ward, on the charge of violating the franchise law in refusing to allow the supervisors to take a list of the registered voters of the ward. Supervisor Ragland, it is said, made a demand upon Mr. Caldwell for a list of the registered voters of the ward, which demand was refused. The warrant charged the registrar with violating a clause of section 2026 of the United States Revised Statutes in refusing to furnish a list of the registered voters as prescribed in said section, which reads as follows: "The chief supervisor shall require of all supervisors of election when necessary lists of the persons who may register or vote, or either, in their respective election districts."

The warrant was forwarded to Marshal Scott at Richmond for execution. As soon as the arrest is made the case will come before Commissioner Schank for a hearing. This proceeding is something unusual in our city, where most every kind of political prosecution has occurred during and following our heated contests, and of course has created a great deal of comment. Eminent counsel will appear in the case.

At this writing the Marshal has not sent the warrant over for execution.

MISCELLANEOUS NOTES.

A prisoner named Sallie Anne Turner while engaged in sweeping out the passageway of the jail this morning fell to the floor and died in a few minutes. She was apparently well while at work. An inquest was held and a verdict of death from unknown causes was rendered by the jury.

Messrs. Cameron & Brother, manufacturers of this city, to-day shipped for exhibition at the State Exposition a number of cases of tobacco manufactured for their large export trade. The exhibit will be a remarkably fine one.

In response to a request of the Institute of the American Episcopal Church, special services will be held in the Episcopal churches of this city next Sunday for prayers in behalf of the Sunday-school cause. In the afternoon, at Grace church, the services will be particularly for the benefit of the children.

Lazarus C. Moore, a citizen of Ettrick, who was some time ago fined and sentenced to imprisonment in the jail here for the unlawful cutting of two citizens, was to-day pardoned by Governor Lee, and this afternoon left for his home. He had a strong petition and his pardon will be very generally approved.

Some six or eight little boys, children of respectable parents, left the city yesterday morning on a tramp to Richmond to visit the Exposition. They had enough money to pay their way in at the gates, but not enough to pay their railroad fare, hence they undertook to walk over and back. One of the party, after having gone some distance, became frightened and returned home. The necessary steps have been taken to have the other boys returned.

WEST POINT.

Political—Republican Still Hunting—Personal.

[Correspondence of the Richmond Dispatch.]

OCTOBER 13, 1888.

The Cleveland, Thurman, and Wise Club at this place has its meetings regularly, and is enthusing much life into the canvass. They are working hard but quietly, and are doing everything that can be done to bring out a full vote and to gain converts to the Democratic banner.

Nothing has ever been seen like unto the Republican canvass in this section. They are making a veritable still hunt. Not a speaker has been seen here during the canvass, nor has the Republican candidate so far shown himself.

Judge J. M. Jeffries is in Middlesex this week holding the fall term of the Circuit Court. On Monday he commences his term in Gloucester county.

Mr. W. R. Lamb, who was several years ago a resident of our town and connected with the Richmond and Danville railroad and who resigned to go South, has returned to the employ of the company and expects to resume his residence here. It is understood that he has charge of the roadbed from Charlotte to West Point.

Mr. Lotto and Miss Jennings, both of West Point, were married very quietly at the Methodist church here, Rev. Mr. Williams officiating, Thursday evening. They have our best wishes.

Ground is now being surveyed for the works of the Pamunkey Marl and Phosphate Company, and work will be commenced at once. This company has a fine exhibit at the Exposition.

Cotton is coming in very rapidly now, and the compresses are at work night and day.

Mrs. Wilton Thurston, of King and Queen, passed through town this week on her way to join her husband, who has accepted the position of teacher in a public school in Mecklenburg county.

Mr. P. H. Adams, who has been in New York on business for several days, returned yesterday.

Mrs. J. M. Guthrie, of West Point, is visiting her father in King and Queen.

Miss Lucy Yates Fauntleroy, of King and Queen, has been spending some time with Mrs. H. J. Dudley.

WILSON PILGRIM.

How an Eastern Shore Shoemaker Celebrated a Birthday.

[Special telegram to the Dispatch.]

ONANCOCK, VA., *via* TASLEY, October 15.—Boss Bailey, a shoemaker at Savageville, in this county, celebrated his birthday Saturday by thrashing his wife, and then went to a place near by called Little Hill, where he got deep in liquor. After arming himself with a shotgun he went in pursuit of a negro named Shepperd, who he said had insulted him. He found the negro ploughing in a neighboring field and opened fire on him, peppering his left side and leg with shot. The negro took shelter behind his mules till Bailey could be disarmed and carried off. Bailey's wife and the negro swore out warrants against him, but when an officer went to arrest him he found that Bailey had left for parts unknown.

Mrs. William E. Floyd died yesterday at her home, near Locustville, after a long illness with typhoid-fever.

State Senator James L. Gordon addressed a large and enthusiastic meeting of Democrats on Chincoteague Island Saturday night. He delivered a powerful speech, and created the wildest enthusiasm.

COMES BACK AT MR. BLAINE.

Congressman Mills Denounces a Recent Statement as Untrue.

An Evansville (Ind.) special to the Washington *Post* says: The following letter to Mr. Edwin Taylor, chairman of the Democratic County Committee of this county, explains itself:

NEW ALBANY, IND., October 13.—You called my attention to-day, as I was leaving Evansville, to the statement of Mr. Blaine, in his speech at Goshen, Ind., in which he says: "The president of the sugar trust (Mr. Havemeyer), a well-known active Democrat of New York, appeared before the Ways and Means Committee and, according to the statement in open Senate by Mr. Allison, of Iowa, obtained such an arrangement of duty as was equivalent to $6,000,000 in the pockets of the trust. If, therefore, the price of sugar has been unduly advanced to the consumer the responsible parties, according to the President's doctrine, are the President himself and the Ways and Means Committee, who concocted the Mills bill in the interest of that trust."

The statement of Mr. Blaine is devoid of the truth. Mr. Havemeyer never appeared before the Ways and Means Committee at all. He never obtained any arrangement by which $6,000,000 was put into the hands of the sugar trust. The sugar trust was formed under the existing tariff, made by the Republican party in 1883, and when the bill recently passed by the House was laid before the Ways and Means Committee for its action every one of the five Republican members of that committee voted to strike out the reduction we proposed and continue the tariff rates under which the trust was formed. Yours truly,

ROGER Q. MILLS.

A Newspaper Changes Ownership.

[By telegraph to the Dispatch.]

NASHVILLE, TENN., October 15.—Colonel Duncan F. Cooper, Colonel Sparrell Hill, and Colonel John W. Childress have purchased the *Daily American* newspaper and will take charge to-morrow. Colonel Cooper will be editor in chief. The paper will be Democratic, but the Wattersonian idea will prevail in the treatment of the tariff question. The *American* has hitherto been a protection journal. Colonel Colyar, who has been editor in chief, will retire, as will all the former stockholders.

Peculiar

To itself in many important particulars. Hood's Sarsaparilla is different from and superior to any other medicine.

Peculiar in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses the full curative value of the best known remedies of the vegetable kingdom.

Peculiar in its medicinal merit, Hood's Sarsaparilla accomplishes cures hitherto unknown.

Peculiar in strength and economy—Hood's Sarsaparilla is the only medicine of which can truly be said, "100 doses one dollar." Medicines in larger and smaller bottles require larger doses, and do not produce as good results as Hood's Sarsaparilla.

Peculiar in its "good name at home"—there is more of Hood's Sarsaparilla sold in Lowell, where it is made, than of all other blood purifiers.

Peculiar in its phenomenal record of sales abroad, no other preparation has ever attained such popularity in so short a time. Do not be induced to take any other preparation. Resume to-get

A VELVET COLLAR ON YOUR LINEN DUSTER may afford bodily protection "in your mind," but something more substantial will be necessary quite soon, as winter is rapidly approaching. In addition to heavy clothing, those who are prudent will provide a supply of BENSON'S PLASTERS in anticipation of Coughs, Colds, Chest-Pains, Rheumatism, Sciatica, and other ailments, which are sure to prevail during the fall months. This plaster is well known as a uniformly reliable remedy in such trouble, is always ready for immediate application, and its effect is prompt and permanent. As there are many spurious imitations in the market, careful buyers will always ask for BENSON'S and refuse all other porous plasters. ☞Send two-cent stamp to Seabury & Johnson, 21 Platt street, New York, for a copy of *Instructions from the Doctor*, a valuable household book.
