A SPECIAL SALE OF NEW AND DESIRABLE GOODS.

:o:

RIGHT IN THE START OF THE SEASON

Our new spring stock——of goods——is complete in every detail——and ready——for your inspection——but we see——very plainly——on a great many goods the——lots are——too large——so have concluded that we will dispose of this surplus or over supply——by a sacrifice on the price. MATTINGS.

It is universally——conceded——that our store is the place——to buy your——STRAW MATTINGS.——We have an immense stock——a variety of patterns——the very choicest styles——and reliable qualities.——Every yard of Matting that is sold here——is warranted to be perfect.——We wish to dispel an erroneous impression entertained by a great many people——who are unacquainted with the manufacture of Straw Mattings—viz., "That some Mattings are machine-made"——by saying that——there is no such thing as MACHINE-MADE MATTING.——All Mattings being made by HAND-LOOMS.——For in China and Japan, where all Mattings are made——there are no power-looms to be seen——throughout——the length——or the breadth of the land.——Travellers in the land of the Mikado——speak of how interesting is the industry of matting-making——how artistic——how scientific.
