[Special telegram to the Dispatch.]

NORFOLK, VA., September 22.—A large meeting of dealers in dressed lumber from New York, Pennsylvania, Maryland, and North and South Carolina was held in this city to-day, resulting in the decision to apply for a charter for a stock company to be known as the North Carolina Dressed-Lumber Company, embracing representative lumber concerns in the States named. The minimum capital is to be $200,000 and the maximum $2,000,000.

THE OFFICERS.

The following officers were elected: President, John L. Roper, of Norfolk; Vice-President, H. Clay. Tunis, of Baltimore; Secretary John Harker, of Norfolk; Treasurer, T. W. Sack, of Washington, D. C., and a board of fifteen directors. The purposes of the company are to get a fair price for lumber and to take care of any lumber that may be thrown on the market.

POLITICAL NOTES.

The Democratic Executive Committee of Portsmouth met last night and fixed the 7th day of October as the time for holding the primary election for member of the Legislature. In Norfolk county the Democrats hold their convention for making nominations on the 15th of October. There are a number of aspirants for the honor in both city and county, and there will be a very active canvass for the nomination. Mr. Alvah H. Martin, clerk of the County Court, says the Republicans will take no part in the election, and such is likely to be the case in Norfolk and Portsmouth, giving the Democratic candidates a clear walk-over. The Senator from the Portsmouth district holds over.

A large representation is expected here from all parts of the State to attend the Sunday-school convention on the 7th of October.

Mr. Joseph Sawyer, who was so desperately wounded at Etheredge's saw-mill yesterday, was considered easier this morning.

Peculiar

To itself in many important particulars, Hood's Sarsaparilla is different from and superior to any other medicine.

Peculiar in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses the full curative value of the best known remedies of the vegetable kingdom.

Peculiar in its medicinal merit, Hood's Sarsaparilla accomplishes cures hitherto unknown.

Peculiar in strength and economy—Hood's Sarsaparilla is the only medicine of which can truly be said, "100 doses one dollar." Medicines in larger and smaller bottles require larger doses, and do not produce as good results as Hood's Sarsaparilla.

Peculiar in its "good name at home"—there is more of Hood's Sarsaparilla sold in Lowell, where it is made, than of all other blood purifiers.

Peculiar in its phenomenal record of sales abroad, no other preparation has ever attained such popularity in so short a time. Do not be induced to take any other preparation. Be sure to get

GLEN ALPINE STATION, N. C., February 13th.

THIS IS TO CERTIFY THAT three years ago I had my left leg amputated four inches below the knee, caused by blood poison and bone affection. After it was amputated there came a running ulcer on the end of it that measured 3½ inches one way and 4½ inches the other, and continued growing worse every day until a short time ago. I was given up to die by the best doctors in Charlotte. I heard of the wonderful B. B. B. I resolved to try that. My weight at the time I commenced B. B. B. was 120 pounds. When I had taken three bottles I gained 37 pounds in weight; when I had taken twelve bottles I was sound and well, but continued taking until I had taken fifteen bottles. I now weigh 180 pounds, and measure five feet and three inches high. I contend that your medicine has no equal as a blood-purifier. It certainly worked like a charm.
