CHASE CITY, VA., June 1.—The closing exercises of the Southside Male Academy here this week were unusually interesting. They were held in the Baptist church and large audiences were present. Rev. W. B. Hailslip, of Boydton, delivered the annual commencement sermon. It abounded in good instruction and was an able and appropriate discourse. The contestants for the declaimer's medal were Ellis Brown, C. J. Nichols, B. R. Roberts, and E. T. Roberts, of Chase City; Thomas Scott Bagby and Frank T. Dalton, of West Point, and R. L. Jeffreys, of Five Forks, Va.

The judges were Rev. W. R. Smithey, T. D. Jeffress, and E. F. Lockett, of Crewe. The medal was awarded to Edgar T. Roberts, of Chase City. The debate of the Quekun Alpha Pi Literary Society was most enjoyable. This medal was given to Mr. Aubrey Newbill. To the student who had made the most marked improvement during the session the professors bestowed the medal on Mr. Ellis Brame. The valedictorian was Mr. Henry Vernon Taylor, of Black's Ridge, Va., who acquitted himself most creditably.

Rev. Mr. Smithey made an excellent address to the students and Rev. Mr. Keen presented the medals, and the recipients were greeted with unbounded applause.

PARK-AVENUE LOTS AT AUCTION.

We will sell at auction, on
FRIDAY, JUNE 3D,
at 5 o'clock P. M., 153 FEET OF LAND fronting on the north side of Park avenue between Harrison and Lombardy streets.

This property is ripe now for improvement, as the city has grown right up to it, and if good judgment is used in putting up buildings a fine return can be had at once—either for renting or selling. Even in very dull seasons in real estate there is always a good demand for property in fast-growing and highly-respectable neighborhoods such as this is, where the cost is not too great. Two lines of street-cars within a very short distance practically puts this section within the heart of the city. The widening of Park avenue west of Harrison street, which has been agreed upon, will make it very attractive in appearance. Common sense suggests that this is a good place in which to invest.

Will be sold in suitable-sized lots.
