UNDER STATE LAWS.

IMPORTANT OPINION IN THE CHAMBERLAIN HOTEL CASE.

The Property Reverts Back and Comes Within State Jurisdiction—Large Shipment of Flour.

[Special telegram to the Dispatch.]

NORFOLK, VA., February 28.—In the United States Court to-day, in the suit against the Chamberlain Hotel Company at Old Point Comfort, an opinion was handed down to the effect that the lien of mechanics takes preference of the mortgages given to secure bonds. The opinion holds that as the land there was ceded to the United States for the arsenal and other governmental purposes, and was, under the act granting the cession, to revert back to the State when not used for said governmental purposes, does now, so much of it as is used for hotel purposes, revert back and comes within the jurisdiction of the laws of the State of Virginia with reference to the execution of civil processes.

MORE THAN DOUBLE.

The amount of money raised thus far on the Norfolk District to pay off the Methodist missionary debt has reached $2,100—more than double the amount assessed by the Conference.

A Chinaman named Sam Dock was found dead in his room on Main street to-day—the result of too much opium and cigarettes.

CHARGED WITH ARSON.

A well-known young white man of Portsmouth, Bud Savage, was arrested and committed to the county jail last night on the charge of arson in setting fire to the store and dwelling of McClelland Culpepper.

A cargo of 12,250 barrels of flour was cleared from here yesterday in the British steamship Cacouna for St. John's, N. F., the largest shipment ever made from a Virginia port to that point. The flour came here from the West.

CONTRACT AWARDED.

The contract has been awarded for erecting the Union Christian Church, at the corner of Tunstall and Cooke avenues. The edifice will be Gothic in style and the estimated cost $12,000.

The schooner John M. Ball, bound from North Carolina to Baltimore, has been towed into port by the tug Croatan, having struck a snag in the Southern Branch and torn a large hole in her hull.

[Correspondence of the Richmond Dispatch.]

CHARLOTTESVILLE, VA., February 28.—A paper addressed to Mr. Cleveland is being signed by the professors and officers of the University of Virginia recommending the Hon. Basil B. Gordon for the position of Minister to Mexico.

The following are the intermediate officers elected by the Jefferson Literary Society of the university: P. C. Fauntleroy, president; W. A. Pratt, vice-president; Messrs. J. H. Paxton, W. B. Forsythe, and E. M. Robinson, editors of the *Magazine*.

The dividing line between the counties of Albemarle and Greene runs just in front of the pulpit of Bingham church, the place of meeting of the District Conference of the Methodist Church.

HOME AGAIN.

Assistant-Engineer Horace W. Jones, Jr., of the United States Navy, is in this city on a short visit to his parents after an absence at sea of over three years. He is one of the officers of the cruiser Charleston, of Admiral Gherardi's squadron, lately arrived in Hampton Roads. This is Mr. Jones's native place, and it has been twelve years since he was last here.

The Rev. P. B. Hall, of Richmond, Ky., arrived in Charlottesville yesterday, and is the guest of Rev. B. A. Abbott, of the Disciples' church.

Miss Bessie Wilson White, of Abingdon, Va., is visiting the family of Judge John M. Wing.

The Albemarle Light-Horse Troop contemplate going to the inauguration. If it does so this new cavalry organization will act as escort to General Fitzhugh Lee.

PERSONAL.

A marriage-license has been issued in the Clerk's office of the County Court to Mr. John M. Ballard and Miss Nava Belle Day.

Mr. Wiley Wright, one of the victims of the railroad accident of the Rapidan Station several weeks ago, was well enough to leave for home, in Buckingham county, yesterday.

Major J. H. Newton, grand chief templar of Virginia, and Mrs. A. S. Woorhouse, grand superintendent of juvenile templars of Virginia, paid an official visit to Charlottesville Lodge, No. 82, I. O. G. T., last night. The Thief Templar exemplified the committee work.

MRS. FORD'S WANDERINGS.

After Many Days She Turns Up in Delaware—Tom Dixon to Lecture.

[Correspondence of the Richmond Dispatch.]

CAPE CHARLES, VA., February 28.—Mrs. Mary Ford, a very respectable lady about 30 years old, living at Beaver Dam, in northern part of Accomack county, disappeared very mysteriously from her home several days ago, and all efforts to ascertain her whereabouts proved fruitless until last night, when a telegram was received from Bayley, Del., notifying her people that a lady answering the description of Mrs. Ford was at that place in a demented condition and could not give any account of herself, but her identity was finally established by a letter which was found on her person. Mrs. Ford arrived at her house late this afternoon. Her people are at a loss to account for her actions, as she was considered to be of perfectly sound mind before leaving home a few days ago.

Rev. Thomas Dixon, Jr., is expected here again on Friday next and will deliver a lecture in the Baptist church, in this city, that evening. Mr. Dixon is so well pleased with this locality that he is negotiating with parties with a view of locating his family here for the spring and summer. Mr. Dixon is at present in the West delivering a series of lectures.

POSTMASTERSHIP.

The contest for the postmastership at this place under the incoming administration is growing very warm and the number of candidates increasing daily. Among the most prominent candidates are Dr. Garland P. Moore, ex-clerk of the court; W. Bullitt Fitzhugh, editor of the *Pioneer*, and Miss Ida Williams, who was deputy postmaster for several years.

The New York, Philadelphia and Norfolk Railroad Company are sinking an artesian well on their property at this place which will furnish water for their engines and steamers and other boats coming into this harbor and relieve a long-felt want which they have suffered heretofore.

It was authoritatively reported here a few days ago that the life-saving men at Smith's Island captured a seal near that place last week and have it alive.

Thirty-two Portuguese immigrants, *en route* to California *via* the Norfolk and Western railroad, passed through Cape Charles this morning.

HALIFAX DEMOCRATS.

Convention Called for March 20th—Dr. Dickinson at Work—Contributions.

[Correspondence of the Richmond Dispatch.]

HOUSTON, VA., February 28.—The Democratic Executive Committee of the county held a meeting yesterday to determine what course to pursue in the May election for county officers. The meeting was the largest the committee has had for years, and I have never seen Democratic sentiment stronger or more enthusiastic. The roll was called, and without a dissenting vote it was determined to call a convention to meet here on Monday, March 20th, to nominate candidates for the various offices to be filled at the spring election. Mass-meetings to elect delegates to the convention will be held at all the precincts in the county on Saturday, March 18th.

A HANDSOME SUM.

Rev. Dr. A. E. Dickinson was at the Baptist church yesterday and devoted the day to raising funds to complete the new Baptist house of worship now in course of construction. The congregation was purely local, and yet subscriptions amounting to $1,045 were secured and work will at once be resumed on the new church. Dr. Dickinson told me to-day it was one of the most liberal and encouraging contributions with which he had ever been engaged.

Death's Doings in Albemarle.

[Correspondence of the Richmond Dispatch.]

CHARLOTTESVILLE, VA., February 28.—W. B. Sinclair, whose extreme illness had been noted in the DISPATCH, died at Locust Grove, the residence of his father, Mr. C. G. Sinclair, at 4 o'clock this morning. Had he lived he would have been 21 years old in March. For several years he had been a student of the University of Virginia, and was a very exemplary young man and a hard student. He was a consistent member of the Baptist church.

Mr. J. J. Thomas died at his residence, near the Armstrong Knitting-Mills, this morning. He was over 60 years of age and leaves a wife and several children.

DEATH OF COLONEL J. B. RAULSTON

Former Conspicuous Republican Politician—Heavy Rush of Tobacco.

[Special telegram to the Dispatch.]

DANVILLE, VA., February 28.—A telegram was received here to-day announcing the death in Chicago of J. B. Raulston, formerly of this city. Colonel Raulston came here from the North in 1876, and was afterwards made Collector of Revenue for this district. He then figured conspicuously in politics and was president of the famous coalition council which flourished here under Mahone rule just previous to the riot. Colonel Raulston married Miss Leveridge, of Danville, sister of Mrs. Henry Hiden and of Mrs. H. B. Watkins, of Danville.

S. W. Burton, cashier of the Radford Bank, whose sudden disappearance is mentioned in to-day's papers, was formerly a resident of this city, and was Assistant Postmaster under Postmaster McDearman. He was highly regarded here.

PERSONAL.

Mrs. Ella Warriner, of Ruffin, N. C., sister of Messrs. H. L., H. B., and J. W. Guerrant, is critically ill.

Mr. C. A. Snyder, patentee of the Snyder casing-machine, and a well-known citizen, was partially paralyzed to-day.

The remains of Mrs. T. C. Rice, who died in Richmond yesterday, arrived here this evening and will be buried to-morrow.

Messrs. A. P. Thom and other officials of the Atlantic and Danville railroad have been in the city for the past two days on business connected with the road.

There has been a mighty rush of tobacco here during the month. Sales were so heavy to-day that the usual report for the month could not be made out. It is believed, however, that sales for the month will amount to five and a half millions.

Gone to Milton to Marry.

[Special telegram to the Dispatch.]

GREEN BAY, VA., February 28.—Miss Maude Winn, a pupil of Barkeville Female Seminary and daughter of Mr. W. C. Winn, of that place, was driven here this evening by private conveyance, where she joined Mr. Edgar Tunstall on the southbound Richmond and Danville train *en route* to Milton, N. C., where they will be married to-night. Mr. Tunstall is also from Burkeville.

C. & O. Earnings.

[By telegraph to the Dispatch.]

NEW YORK, February 28.—The January statement of the Chesapeake and Ohio shows: Net earnings, $249,136; increase, $75,564.

According to the New York *World* Mr. John S. Wise denies that he has left the Republican party.

AN ELECTRIC ROAD.

PERMISSION GRANTED FOR ONE FROM MANCHESTER TO PETERSBURG.

To Have Four Power-Houses on the Line—Provision for Both Passengers and Produce—Pleasure Parks.

The Board of Supervisors of Chesterfield county at its meeting on Monday granted to Messrs. W. H. Palmer, T. William Pemberton, T. M. R. Talcott, and George W. Jewitt the privilege of building and operating an electric railroad between Manchester and Petersburg. Mr. Jewitt presented the petition. The road is to be constructed on the bed of the Manchester and Petersburg turnpike, and it is proposed to establish pleasure parks and develop the property along its line. It will be a produce as well as a passenger line, and will have all the necessary tracks and turnouts to enable the farmers to ship their produce.

A VOICE IN OPPOSITION.

Mr. B. H. Nash, representing the Richmond and Petersburg railroad, opposed granting the petition, on the ground that the company represented by him had transferred the turnpike to the county upon condition that it should not be held by competing corporations; but it is held that this contention fails of force for the reason that the turnpike was abandoned prior to or during the war, and has since been used as a county road and held by the county under section 1002 of the Code of Virginia, which reads as follows: "Whenever any turnpike company shall have abandoned its road or a part thereof, the County Court of the county in which such road lies shall take charge of the same and cause it to be worked and kept in good order in the same manner as the public roads in such county."

COST AND PLANS.

A gentleman thoroughly conversant with the details of the scheme said to a DISPATCH reporter that it was estimated that the cost and equipment of the road would be about $300,000. Its projectors had looked carefully over the field, had had it examined by electrical and civil engineers, and were not only satisfied that it would pay, but that it would be a great thing for the owners of the property through which it would run.

The road, continued the DISPATCH's informant, would probably be operated from steam-power houses at each end of the line, supplemented by water-power houses at Swift Creek and Falling Creek. Several propositions for such a road had been mooted, he said, but this he believed would take practical shape. The money for the enterprise will come entirely from northern capitalists.

Dr. Deaton's Buggy Smashed.

While Dr. J. C. Deaton's buggy was standing in front of a store on Ninth street near Bank yesterday it was run into by an ice-wagon and the rear part of it badly smashed. No one was hurt. The driver of the ice-wagon was not on his seat.

Rev. William Hollinshed

Of Sparta, N. J., voluntarily says:

"To Whom it May Concern:

"Unasked I deem it my duty to a suffering humanity whose bodies and souls I would have healthy, to tell them of the value of Hood's Sarsaparilla. While living in Ohio one of my children was greatly

Afflicted With Boils

having 30 on her limbs, and being unable to walk. I had heard of Hood's Sarsaparilla, and bought a bottle, half of which cured entirely. Two years after, another child was afflicted as badly. I used the other half bottle of Hood's Sarsaparilla with like results. About four years after, the child first afflicted was again tormented like Job, and I bought a bottle (on Sunday at that) and again a cure. I gave some of the medicine to a poor woman and two children; they were helped as were mine. Through a testimonial sent to C. I. Hood & Co., inquiries came from all the country, asking if it was a 'bona fide' testimonial, and of course I wrote all that it was, and have the knowledge of

Scores and Scores

Of persons helped or cured by Hood's Sarsaparilla. Mild cases of rheumatism have yielded to it. Biliousness and bad liver have been corrected in my own family. This is the only patent medicine I have felt like praising. I speak not for C. I. Hood, but for the Jobs who are impatient and are tormented beyond endurance. Nothing I know of will cleanse the blood, stimulate the liver, or clean the stomach so perfectly as

Hood's Sarsaparilla

Any person wishing to know more, enclosing a stamp will be informed. Yours for the health, happiness and virtue of humanity."

WILLIAM HOLLINSHED, pastor of Presbyterian church, Sparta, N. J.

Hood's Pills cure habitual constipation.

Miss Lettie Huntley,

Is the sister of Mr. W. S. Huntley, of Cortland, N. Y., a well known carpenter and builder. Her frank statement below gives only the absolute truth concerning her illness and marvelous recovery by the aid of Hood's Sarsaparilla. She says:

"C. I. Hood & Co., Lowell, Mass.:

"Dear Sir: Twelve years ago I began to have hemorrhages and four years ago became so low that the physicians told me

There Was No Hope

and I should soon die. I could not be moved from my bed. Under my face were napkins continually reddened with blood from my mouth. I could eat nothing and had no action of the bowels for a week. The doctors said the cause was ulcers in the stomach. At this time my mother said she wanted to make one more trial, and asked if I would take Hood's Sarsaparilla. I told her it would be

A Waste of Money

but finding it would comfort her, I began taking it. In a few days the bloating began to subside. I seemed to feel a little stronger, but thought it only fancy. I was so weak I could only take ten drops of Sarsaparilla at first. In two weeks I was able to sit up a few minutes every day. In a month I could walk across the room. One day I asked what they were to have for dinner, and said I wanted something hearty. My mother was so happy she cried. It was the

First Time I had Felt Hungry for Two Years

I kept on with Hood's Sarsaparilla and in six months was as well as ever in my life. It is now four years since I recovered, and I have not had a day's sickness since, nor any hemorrhage. If ever a human being thanked the good Lord on bended knees it was I. I know that Hood's Sarsaparilla, and that alone, unquestionably Saved my Life."

Messrs. Sawyer & Jennings, the well known druggists of Cortland, say that Miss Huntley "is a highly respected lady; her statement of what

Hood's Sarsaparilla

Has done for her is worthy the highest confidence."
