AMONG THE GOOD TEMPLARS.

Special Sermon by Dr. Fair—The Chief Templar's Programme—Other Notes.

Rev. Dr. James Y. Fair will preach a temperance sermon before Trinity Lodge to-night at 8:15 o'clock at his church, Grace and Fourth streets. All members of sister lodges are invited to meet at 7:30 in Central Hall and act as an escort to the Grand-Lodge officers. All are requested to wear a rosette or badge. Seats have been reserved in the body of the church. The Woman's Christian Temperance Union and "Y's" have also been invited. The reputation of Dr. Fair is an assurance that an interesting sermon will be preached. This will be the second of a series as requested by Trinity Lodge. The Rev. Dr. W. V. Tudor, of Broad-Street Methodist Episcopal church, has promised to deliver one in May, to be followed by other learned and eloquent ministers.

Major J. W. Newton, Grand Chief Templar of Virginia, accompanied by Mrs. A. S. Woodhouse, Grand Superintendent Juvenile Temple, are in the city and will visit the following lodges in this district during their stay to exemplify the work and lecture:

April 10th, Rescue; April 11th, Mothers' Hope, Petersburg; April 12th, Howard's Grove; April 13th, Star of Hope; April 14th, East End; April 15th, Oakwood, April 17th, West End; April 18th, Tuesday, District Lodge, No. 1, which meets in Central Hall, Fifth street, as guests of Trinity Lodge, Good Templars. All members in good standing are invited to attend the meetings.

The meeting Friday evening of Trinity Lodge Juvenile Temple proved very interesting to the many visitors. The remarks of Mrs. A. S. Woodhouse, Grand State Juvenile Templar, were very instructive and impressive. A programme of more than usual interest was rendered. The features deserving especial mention were musical selections of Miss Myrtle Redford and the two recitations and solo of little Miss Garnett Christian, who is only 3 years old and "so sweet."

The Confederate Soldiers' Home Lodge at a special meeting last night had the pleasure of an official visit from Major J. W. Newton, Grand Chief Templar, and Mrs. A. S. Woodhouse, Grand Superintendent of juvenile Temples, accompanied by Mrs. A. J. Pyle and Mr. and Mrs. Julius A. Hobson and other prominent members from the city.

There will be an open meeting of Sidney Lodge, No. 428, Independent Order Good Templars, at Belvidere Hall next Friday night, to which everybody is invited to come.

TELEGRAM FROM GENERAL LEE.

A Valuable Memento to Be Placed in the Relic Department.

Mr. H. C. Bissett, of Bissett, Philips & Co., Baltimore, through Major James H. Capers, presented to Mrs. J. Taylor Ellyson an original telegram from General Robert E. Lee. It will be placed on exhibition at the Memorial Bazaar and afterwards find an honored place in the Confederate museum.

Mr. Bissett was telegraph-boy in the government telegraph-office in Petersburg and at the evacuation of the Cockade City helped to destroy the records of the office. He has several autograph telegrams of the Confederate Chieftain and prizes them very highly. The following telegram was received in person by Mr. Bissett from General Lee. It is nicely framed and will be most highly appreciated by Mrs. Ellyson:

"*General J. Longstreet, Osborne Turnpike:*

"General Lomax reports enemy drawn up in line at Sommit, this side Rapidan. He had taken position two and a half miles west of Gordonsville. At 8:45 A. M. none of your troops had reached Gordonsville. Keep out scouts to ascertain if Gregg crosses James and endeavors to unite with Torbert. R. E. LEE."

Gossip from the Armory.

As all recruiting is now a thing of the past in the First Regiment, it was almost dull at the Armory last week. The post quartermaster sergeants were busy the first part of the week getting ready for Sergeants Faulkner and Derrick, the regimental quartermaster and ordnance sergeants to take an inventory of stores.

The battalions have been drilling on the streets for several days, and will continue to do so, the weather permitting, until the close of the bazaar.

Colonel Jones has assigned the hospital corps to the reading-room, as the apartments formerly occupied by the corps on the large drill-hall floor are to be used as a kitchen by the ladies. The move is a splendid one and gives the ambulance men more room to execute the little drills in which they are practiced.

The regiment will certainly go to the naval review next week, but the day of their departure has not yet been decided upon.

At the entertainment given Thursday night for the benefit of the Walker Light Guard the ladies of the Hebrew Memorial Association presented the members of this popular organization with a beautiful floral design made in the shape of a sword.

Captain Cunningham, the commandant of the Walker Light Guard, has detailed four of his men to report to Mrs. Ellyson, the chairman of the Virginia table at the bazaar, next Tuesday night, in order that they may assist her in any way she desires. He offers the services of his company to any of the ladies who need them.

Major H. M. Boykin, of the First Regiment of Cavalry, has returned from Lynchburg, where he went to preside over the recent meeting of Fitz Lee Troop when they elected a first lieutenant.

There was a very large attendance at the masquerade *soiree* given Easter Monday evening in honor of Miss Waldea's pupils. BETH AHABA SERVICES.

The Dispatch's Article on Mr. Judd—Appeal for the Clarksville Sufferers.

In the course of his sermon at Beth Ahaba Synagogue yesterday morning Rabbi Calisch thus referred to the DISPATCH:

"In this connection let me commend briefly the very sensible and most excellent editorial that appeared in the DISPATCH of Friday anent Mr. Judd, the recently-appointed Consul-General to Vienna. The paper very wisely remarks that had the Vienna court declared him a *persona non grata* merely in accordance with the anti-Semitic howlings of the mob and a portion of the press our government would have made his cause our own. Now that Mr. Judd has declared himself not a Jew, but merely going to the synagogue to hear a favorite rabbi, he himself in person, and not his religious opinions, will be the ground of his refusal, if he be refused, and not the fact of his Jewish birth and connections.

"The DISPATCH very aptly characterizes the action of Mr. Judd as entirely gratuitous just at this time. He has not helped his case any thereby. It would have been far manlier to have faced and nobly fought the ignoble opposition. And it is this spirit I would commend to you. It is true that the fact of one's being a Jew throws obstacles in his path that ordinarily do not appear, but it is by far nobler and of greater glory to overcome these obstacles without surrendering one's colors. A traitor is always despicable and the victory is doubly glorious when honorably and faithfully won. The DISPATCH's remarks anent Mr. Judd are most timely and sensible."

Mr. Calisch also made a strong appeal to the children of the Sunday school in behalf of the Clarksville sufferers. The music for the service was arranged by Professor J. Emory Shaw and was beautifully rendered by the choir.

Removal of Financial Institutions.

As soon as business hours were over yesterday the forces of the Planters' Bank and the Virginia Safe-Deposit and Fidelity Company commenced the work of removal from their temporary quarters to the new Planters'-Bank building, on the northeast corner of Twelfth and Main streets. The removal was completed last night, and both institutions will be ready for business in their new home to-morrow morning.

The Richmond Perpetual Building, Loan and Trust Company, which has been occupying temporary quarters with the Planters' Bank, will on the 1st of May remove to the building on the northwest corner of Main and Tenth streets, and the Citizens' Bank will take the elegant corner room on the street floor of the Chamber of Commerce. The plastering in this room has been completed, and Mr. Burton said yesterday that he would put the bank in possession before the expiration of the contract time, which is the 31st of this month.

Both Committees Meet.

The Henrico County Democratic Committee held a meeting at the court-house yesterday and issued the certificates of nomination to the successful candidates in the recent primary.

The Republican Committee also had a meeting and decided that they would not put up candidates for the two clerkships. They agreed to leave the matter entirely with the members of the committee from the various districts to say whether or not candidates should be put up against the primary nominees for Supervisors, Magistrates, etc. There seems to be considerable doubt whether the Republicans will have a ticket at all.

The April term of the County Court begins Monday. This will not be a grand-jury term, but several important cases will be considered.

The Friday-Night Social Club.

The Friday Night Social Club, of Church Hill, gave an entertainment at the residence of Mr. W. H. Hawkins, No. 2910 east Broad street Friday evening. Shelton Vaiden, George Holdsworth, Edward Frazier, Anderson Lamkin, John Gibson, James Lester, Willie Hawkins, Perey Walsh, and Frank La Fon. The chaperons were Miss Hawkins and Miss Lester. Dancing was indulged in until a late hour, when refreshments were served and all returned home happy.

Captain Angle's Certificate.

A handsome certificate has been received by Captain J. B. Angle, secretary of the Richmond Lodge of Elks. The Grand Lodge at Cincinnati offered a certificate to the first ten secretaries of subordinate lodges who sent in a full record of their respective lodges, and Captain Angle was one of the lucky ones. The certificate is indeed handsome. The background is white satin, on which is engraved a pretty landscape, in the centre of which is the following inscription: "This is to certify that Brother James B. Angle is a member of Richmond Lodge, No. 45, a past exalted ruler, a life-member of the Grand Lodge, and the faithful secretary of his lodge." It is signed by the grand exalted ruler and grand secretary.

Poor John Burruss Dead.

Poor John Burruss, who was so well known in the Police Court and about the polls, is dead. He expired at the City Almshouse early yesterday morning, having been taken there from the First Police-Station on Friday. He had a fit in front of Canepa's place on Friday evening and was taken charge of by the police. He never rallied. John was frequently before the Police Court for drunkenness and was liked by all who knew him. He was a true and sterling Democrat and when in jail at election time he always appealed to be released that he might cast his ballot for his party candidates. He was at one time a great base-ball player. He was about 40 years old and leaves a wife and two children.

Another Indictment Necessary.

The case of Robert E. Johnston was called in the Hustings Court yesterday, but, on motion of his counsel, the indictment was quashed because it contained an error. The defect in the indictment was that it charged Johnston with stealing a gentleman's full-dress suit and a pair of "pats," instead of a pair of "pants." Johnston was bailed in the sum of $300 for his appearance at the May term of the court, when a correct indictment will be drawn.

THE NAVAL RENDEZVOUS.

Preparations to Carry the Visitors to the Scene.

The Chesapeake and Ohio and the Norfolk and Western railroads and the Virginia Steamboat Company are making preparations to carry a large number of persons to Newport News, Old Point, Hampton, and Norfolk during the naval rendezvous, which is from the 17th to the 24th.

The Chesapeake and Ohio trains will leave here at 8 A. M., 9 A. M., and 3 P. M., and extra sections of these trains will be run when necessary. Passengers by this line going to Norfolk will pass in full sight of the fleet. The Norfolk and Western will run trains for Norfolk, leaving here at 9 A. M. and 3:10 P. M. and will also put on extra trains as the travel demands. The Virginia Steamboat Company will run a special excursion to Newport News, Norfolk, and Old Point Saturday night next, returning leaving Norfolk Sunday afternoon.

The Chesapeake and Ohio is making every preparation for the comfort and care of its patrons. Ten handsome vestibule coaches ordered for World's-Fair business and which have never been in service will be placed in the rendezvous trains. The two-hour service which will be run will prove one of their best cards. By these fast trains one can breakfast in Richmond and return the same day, having had the benefit of every attraction the rendezvous will offer. The rates via this line will be $2.75 from Richmond to Old Point for two-day and $3.25 for five-day tickets; to Norfolk, $3 for two-day and $3.50 for five-day tickets. The Norfolk and Western rates will be about the same.

These lines calculate upon putting 20,000 strangers into Newport News, Hampton, Old Point, and Norfolk during the rendezvous. At Old Point the government has erected between the Hygeia Hotel and the lighthouse an amphitheatre from which visitors can view the fleet.

Great interest is being manifested here in the rendezvous, and large crowds will go down daily. Assurance is given that there will be no trouble about getting plenty to eat at Old Point and arrangements have been made there and at Newport News, Hampton, Norfolk, and Portsmouth to accommodate all of the many thousands who will want to remain over night or for several days. It is understood that ladies and gentlemen will be admitted to the different ships at most any time except when formal receptions are in progress. Trains will leave the Fort at night after the search-light display, which will be one of the most attractive features of the whole affair.

A "SILVERY BELL" INDEED.

The Daughters of the Revolution Will Have a Novel Tocsin at World's Fair.

The Daughters of the American Revolution are receiving contributions of antique silver and pieces of silverware with historic associations out of which to have made a national Liberty bell to be placed in the Mt. Vernon building at Chicago. The bell is to be moulded on the 30th of this month. It is therefore necessary that all who desire to make contributions shall do so promptly. Any article of silver with some historic association will be gratefully received by the ladies. Each contribution should be accompanied by the name of the donor, and a description of the gift to be entered on a book which will contain a record of all the silver composing the bell. Mrs. A. S. Green, of Culpeper, a member of the World's-Fair Auxiliary, will be in the city this week in the interest of this undertaking, and will be glad to receive any contributions. Mrs. Franklin Stearns, Jr., is also deeply interested in the matter, and will both assist Mrs. Green while here and represent her during her absence.

Colonel Buford, Dr. Apperson, and Secretary Morton returned yesterday from Lynchburg, where on Friday night they appeared before the council in behalf of an appropriation for the World's-Fair fund. The council seem deeply interested and these gentlemen are confident of a liberal appropriation.

HIS BIG PETITIONS.

MR. CULLINGWORTH FILES HIS APPLICATION FOR POSTMASTER.

Probable Exception to the Ex Rule—Mr. Branch's Opponent—Application for Treasury Places—New Postmasters.

[From Our Regular Correspondent.]

WASHINGTON, April 8.—Representative Wise called at the White House this morning and presented the application of Mr. W. H. Cullingworth for the postmastership of Richmond, with an accompanying petition, on which were the signatures of 3,100 of the leading people of the city. The President spoke very kindly of Mr Cullingworth, and the impression seems to be that he will again be appointed in spite of the fact that he comes under the "ex" rule, but it is thought he will prove one of the exceptions. Mr. Wise also filed the application at the Post-Office Department and stated to both the President and the Postmaster-General that another big petition in Mr. Cullingworth's favor would follow this one.

Representative Wise called at the State Department to-day to introduce Mr. Frank D. Lynch, of Richmond, who has applied for the Dresden consulate, or for the Brussels consulate in the event he cannot secure the former. Mr. Lynch has a number of strong endorsements.

AN EARNEST APPEAL.

Senator Hunton made an earnest appeal in behalf of the following aspirants to-day:

Major Baker P. Lee, for Collector of Customs at Newport News.

Colonel T. W. Jones, of Warrenton, for Superintendent of the Indian Schools.

He called at the Post-Office Department and made a request for the removal of Strother, the Republican Postmaster at Warrenton. As this is the Senator's home no doubt the official head of Mr. Strother will soon fall into the basket.

FOR BANK-EXAMINER.

Mr. James E. Branch, of Richmond, who is an aspirant for the position of Bank-Examiner of the district which includes Virginia, West Virginia, and North Carolina, was at the Treasury Department this morning. There is a new candidate for this position in the person of Mr. John G. Miller, of Danville, who is in the city. Mr. Miller has the endorsement of five of the most prominent bank presidents in Richmond, in addition to all of the leading bankers in Danville, as well as many elsewhere. He is in the employ of a Danville bank and has been for twelve years, and if he cannot be appointed Examiner he wants no other position under Uncle Sam.

FOR TREASURY PLACES.

Two Virginia applications were filed at the Treasury to-day. They were John J. Jamieson, of Alexandria, for Collector of Internal Revenue, and R. R. Powell, of Spotsylvania county, for Collector of Customs at Sitka, Alaska, or special agent of the Treasury at the Seal Islands.

Mr. Jamieson is a commission merchant at Alexandria and used to be a partner of ex-Congressman Lewis McKenzie.

There were no applications from North Carolina filed at the Treasury to-day.

AN APPOINTMENT.

Senator Hunton and Representative Marshall have made an appointment to meet Secretary Smith at the Interior Department Monday morning with a view of seeing what that gentleman can do in the way of appointments for the Southwest section of Virginia. Mr. Marshall intended returning home last night, but decided to remain here and hustle some more. He has discovered that in all of the big departments of the government in Washington the Ninth District of Virginia has only one position, and that is held by a negro ex-Union soldier who is credited to Atkin's Tank, in Smyth county. Of course, the fellow never had a residence there, but was simply put down as being from Virginia. Mr. Marshall wants the fair thing done by his district and will insist that the reliable Ninth be given its just quota of the department positions.

Representative Tyler to-day presented applications of L. P. Stearns to be Collector of Customs at Newport News, and W. F. Flournoy, of Norfolk, to be Consul at Sonneburg, Germany.

PRACTICALLY MADE.

Mr. Tyler thinks that the appointment of Captain Murdough, of Portsmouth, to be Supervising Inspector of Storm Vessels for the Virginia and North Carolina districts has practically been made. Mr. Tyler left for home this afternoon. Colonel Meade Haskins returned to Richmond.

MAIL MATTERS.

Mail-service changes in North Carolina have been ordered as follows:

Denta to Unity—After April 17th increase service to three times a week.

Grassy Knob to Otter Creek—Curtail service, to end at Accommodate, omitting Otter Creek, decreasing distance six miles.

Tobaccoville to Dozier—Extend service to end at Seward, increasing distance three and a half miles.

Mail service from Republican Grave to Stovall, Halifax county, Va., will be discontinued after April 15th, as the office has been abolished.

There were no postmasters appointed for Virginia to-day, but a big list was turned out for North Carolina, as follows: Algood, Yadkin county, O. A. Martin, *vice* E. C. Reynolds, resigned; Alma, Robeson county, M. J. McLeod, *vice* R. M. McNair, resigned; Birdtown, Swain county, Mrs. M. Hayes, *vice* H. A. Ke
