INJUNCTION AGAINST THE HOME.

E. Tiller, Agatha Gray, H. B. Tiller and others, have sued out an injunction in the Law and Equity Court against the Virginia Home for Incurables, and restraining that institution from removing from its present location at No. 604 north Fifth street until the further order of the court. The complainants are real-estate property-owners on north Fifth street, and in their bill claimed that the location of the home in their neighborhood would injure the value of their property and impair the health of their families. The Building Committee of the institution is now looking for a convenient site for the home. Last Friday argument on behalf of Henry Coleman, administrator vs. the Chesapeake and Ohio Company, was completed, and Judge Hall took time to consider before rendering judgment.

Thos. H. Ellis, Jr., qualified in the Chancery Court yesterday as administrator of the estate of Wm. Evans, and George R. Wright as administrator of the estate of E. Hall.

IN HUSTINGS-COURT NEWS.

The case of H. J. Mitman, the young man charged with the forgery of the name of Spicer & Sheppard to a check, was tried in the Hustings Court yesterday. Mitman was found guilty, the verdict of the jury was two years in the penitentiary.

Mr. R. Carrington Robinson, counsel for the defendant, made the formal motion to set aside the verdict as contrary to the evidence, which was overruled and exception noted.

At the request of counsel sentence was deferred for a week. The other two cases against the young man are held in abeyance, and it is understood that if he pleads guilty to the other two charges will be dismissed.

William Miller and Robert Satterfield, charged with petit larceny, were sent to the Reform School for fifteen days.

WEEKLY T. P. A. MEETING.

Many Applications for Membership—Headquarters to Be Kept Open.

The regular Saturday night meeting of the Travellers' Protective Association was held at their rooms, Nos. 20 and 22, Chamber of Commerce building, last night.

It was demonstrated at this meeting that the association is growing largely in membership, many new applications for membership having been received during the week. This is an evidence of the popularity and interest of our commercial travellers in the association and what it is doing to advance the mercantile and manufacturing interests of Richmond.

Many of the association are expected to be present at the meeting of commercial travellers visiting the city during the coming week are cordially invited to make them their headquarters, and the old-fashioned Virginia welcome will be extended them.

Members of the Commercial Travellers' Home Association of America have spoken in high praise of the Travellers' Protective Association's headquarters. It was regretted that the president, R. S. Christian, was still confined to his home by sickness, and the members extended their hearty sympathies.

Mr. Frank Beesch, a hustling Norfolk commercial traveller, was present, and expressed his pleasure at the good work the association was doing for travelling-men in the business they represent.

Unless another, the general travelling secretary of the Travellers' Protective Association, is in the city, and will address the meeting on next week.

WILL MAKE AN INVESTIGATION.

The Management of the Industrial Home to Be Looked Into.

A meeting of the Board of Directors of the Industrial Home was held at the Young Men's Christian Association building yesterday afternoon, and some business of a rather interesting character was transacted.

President James Lyons from the Jackson Ward, stating that there was considerable suffering among the inmates of the institution, was read, as was also a letter from five of the inmates, charging cruelty, mismanagement, and asking for an investigation into his affairs.

The matter was thereupon divided to have a special board at the home to-morrow morning for this purpose.

The resignation has been presented with regret, but is without a quorum, but is without a quorum, but it was decided by the board to accept the resignation of an animal during the recess.

Mr. L. Brown was elected a member of the board, to succeed Mr. E. A. Saville.

The following resolutions of thanks to the people who have donated to the institution, the board adopted:

Donation for Pythians.

The Knights of Pythias of Charleston, Va., are organized upon holding a grand lodge, commencing October 15th, at which will go towards building a Pythian castle-hall in that city. Circulars addressed to the ladies of the committee on Donations respectfully request that you add this understanding some piece of fancy-work, either by your own hands or a friend. Any article donated in this way will be appreciated by the undersigned, to whom contributions for the fair should be addressed.

A circular addressed to the business men of this city respectfully asks a liberal contribution towards said cause, the size and value of the contribution being entirely to the judgment and generosity of the donor.

Help the Pythians out.

News of the Stations.

Willie Ray (colored) is locked up at the First Station-house charged with stealing a watch from Sylva Lucas.

Mr. Bright and his daughter, Martha, exchanged courtesies and blows yesterday, which is a violation of the law they were arrested and locked up.

Mr. H. Oliver swore out a warrant yesterday against Matilda Branch, charging the woman with stealing a suit of furniture valued at $37.

Mary Farrell, William Taylor, Hattie Hayes, Francis Taylor, Mary Hayes, and Maria Hicks were mixed up in a difficulty yesterday like corn and tomatoes in a Brunswick-stew, and they were all locked up in the Third Station.

Address on Physical Culture.

The teachers of the public schools of the city assembled at the new Central School on Saturday morning to hear a lecture on the importance of physical culture, as adapted to the city schools.

Superintendent Fox, in a few well-chosen remarks, introduced Miss Katharine C. Jones, of Ohio, who has for several years been a successful teacher of physical culture. Miss Jones delivered a very interesting and practical lecture on the subject, illustrating her remarks in a very impressive manner. She spoke of the value of practical gymnastics, as adapted to every-day life, and the school-room particularly. She said that the aim is three-fold development of the physical, mental, and moral being. Too much time is given to educating the brain at the expense of the body, which becomes cramped and undeveloped.

The lecture was greatly enjoyed by all present, and Miss Jones will teach several classes, composed of the teachers of our schools, who are always foremost in securing all advantages for the successful prosecution of their work.

St. Patrick's Church Auxiliary.

The united meeting of St. Patrick's Church Auxiliary on last Thursday evening was so large and enthusiastic as to give unbounded encouragement for a brilliant career. A short programme, embracing some fine selections of music, vocal and instrumental, was charmingly rendered by well-known ladies and gentlemen, and reflected much credit on the Entertainment Committee, to which also is due the pretty and tasteful decorations of the hall. The whole affair was decidedly enjoyable, but the features of the evening were the beautiful impromptu addresses by the Rev. Fathers Wilson, of Petersburg, and Tiernan, of this city. Councilman Diaconi, an invited guest, by special request entertained the audience for a while. One hundred new names were added to the roll, and the society, though not organized, now numbers about 240 members. Its object is to help the Church—to go hand in hand with the pastor in his arduous work of love, as the "Good Shepherd," and to create a more fraternal spirit among his flock. Conspicuous among the many benefits are twelve masses during the year for the members (gift of the pastor), while once a year (in March) every member will receive holy communion with him. The officers for the ensuing term are Mr. Thomas Edgar, president; Miss Mary O'Dwyer, vice-president; Mr. Davis, recording secretary; Mrs. James Shervin, treasurer, and Miss Blanche Epps, financial secretary. This young lady was elected to fill the place of Miss Ida Marks, who resigned. Misses Annie Lynch, Gussie Campedonica, Blanche Epps, Messrs. F. J. Parates, J. J. Blake, and Thomas Sheahy form the Committee on Entertainment.

The "Auxiliary" is something new in Richmond, having been introduced by Mr. Thomas Stanly Edgar, formerly of Sacred-Heart church, Brooklyn, N. Y., who though a convert, has manifested boundless energy in all the Church interests since locating here. The next meeting will take place on the first Thursday evening in November at St. Patrick's Church Hall. All Catholics are eligible to membership.

Army of Northern Virginia.

At a meeting of the officers and Executive Committee of the Virginia Division of the Association of the Army of Northern Virginia, held at the Chamber of Commerce yesterday, it was decided to postpone the annual meeting of the association until December 12th, when Senator Daniel will deliver an address on the Valley campaign of General Jubal A. Early. The postponement was made necessary because of Senator Daniel's many pressing engagements in the canvass.

Is Death the End?

Hon. George R. Wendling, of Washington, D. C., will lecture on this interesting subject Monday night at the Young Men's Christian Association Hall. Mr. Wendling, who lectured here last winter, is an orator of the highest order, and his subject, "Is Death the End?" is said to be his best, and a rich treat is in store for those who hear him.

McGill Catholic Union.

A social meeting of the McGill Catholic Union will be held on Monday evening at Cathedral Hall, at which a fine musical programme will be rendered by some of Richmond's best-known ladies and gentlemen. The lady friends of the union are cordially invited to grace the occasion with their presence.

ACROSS THE JAMES.

THE SPEECH OF MAJOR DANIEL AROUSES GREAT ENTHUSIASM.

How an Officer and Several Other Persons Were Deceived—News of the Courts—Personals and Briefs.

Manchester Democrats are well pleased with the result of Major Daniel's speech in Leader Hall Friday night, and say that it will result in a large number of faint-hearted and backsliding ones coming back into the fold. The distinguished senator's brilliant address was the subject of much comment yesterday, and it is said the list of the Major's friends was greatly augmented.

The City Committee has begun work in real earnest, and the members say that the full Democratic vote of the city will be polled. The Republicans have no organization whatever, and the "Pops" are very little better off, and thus far in the campaign the cold-water people have not been heard from at all.

Constable John A. Burke, of Swansboro', was the victim of a good joke Friday night, and in getting himself in the predicament he took along Mr. B. H. Morrisette and the latter's two sons. The Swansboro' official noticed that the light in a store across the street from his house did not burn with the steadiness that it should, and thinking burglars were about he equipped himself with several weapons of defence and proceeded to arouse his neighbors, the Messrs. Morrisette. The latter, armed with shotguns, pistols, etc., followed the constable across the street, and the house in which the robber was supposed to be was surrounded. Mr. Burke went boldly and boisterously up to the door, but returned very quietly, and in a meek and subdued voice said: "I wish people would fill their lamps at night, so that they will not flicker and worry other folks."

Rev. Mr. Haight, pastor of Clopton-Street Baptist church, was given a surprise by his congregation Friday night, and his storeroom and wood- and coal-houses were filled with good things and comforts of life. The popular pastor acknowledged the compliment in a most grateful and happy little speech.

In the Police Court yesterday morning four white tramps were ordered to leave the city at once. Willie Rollins, a colored youth, was fined $1 for casting stones upon the highway.

A marriage-license was issued in the Clerk's office of the Hustings Court yesterday to Mr. John J. Haverty, of Richmond, and Miss Maria C. Fitzgerald, of this city.

The Penny Society of Cowardin-Avenue church will meet this afternoon at 3:30 o'clock. The programme will consist of singing and recitations by the children, and the pastor, Rev. J. A. Spencer, will make an address. Master Waverly Brown will sing a solo.

Dr. William P. Mathews and wife will leave this afternoon for Avondale, O., to attend the marriage of the latter's brother, Mr. J. Watt Graham, and Miss Anna Gilpin Smith, which will occur next Thursday. Mr. Graham formerly lived at Granite, in Chesterfield county, but is now a resident of Cincinnati.

Mr. C. H. Kerr, the new secretary of the Railroad Branch of the Young Men's Christian Association, who succeeds Mr. Michaels, will take part in the Leader-Hall services this afternoon.

Miss Florence Holland has returned from a visit to the Natural Bridge and Lexington.

Miss Mattie Gillock, of Lexington, is visiting Miss Susie Holland, at "Holland Hill," in Chesterfield, near Manchester.

Mrs. James Buchanan and daughter, Mrs. J. D. Jackson, and little son, Harold, of Roanoke, are the guests of Mrs. J. C. Donnelly, on Perry street.

Miss Laughton, of the Second Baptist church choir, will sing a solo at the services at Clopton-Street church this evening, when Mr. Haight will preach to Liberty Council, No. 13, Jr. O. U. A. M.
