HARTFORD, CONN., August 19.—(Special.)—The Richmonds were defeated by the Hartfords to-day—score, 5 to 3. Edward Beecher, a local policeman, officiated as umpire. He did not suit the visitors, and Elberfeld kicked so hard that he was put out of the game in the fifth inning. Foster was transferred from catcher to third and Wells went behind the bat. The Hartfords made all their runs in the last half of the first inning, when they got on to Chesbro for six hits, and the visitors made three scores. The entire Hartford nine swung the stick in this inning after the first. Chesbro pitched a great game, and Cavelle was the only one who got first on a hit. The Richmonds chalked up all their runs in the fourth. After Hargrove had flown to left Elberfeld hit to short centre. Stuart walked, and the visitors rooted so loud that the umpire threatened to fine every one of them. McDonald hit to short left, on which Elberfeld scored. Kain flew to right, and Stuart and McDonald moved up a bag after the fly was caught. Foster brought them home with a beauty landed safe in Tom Burns's territory. In the eighth inning, after Hargrove had singled, Gastright struck out Wells, Stuart, and McDonald in succession.

A diamond stud was presented to Jack Thornton by his Hartford admirers. I asked Mr. Wells if he had anything to say to the readers of the Dispatch about the game. "A local umpire, that's all," he said. "You can't blame him, but a local umpire ought not to be allowed."

In regard to Elberfeld, Mr. Wells stated he had done nothing to warrant such harsh treatment. "It's the first man on the Richmond nine to be put out of a game this season," said Mr. Wells. The reason Elberfeld was put out was that he persisted in leaving his position to argue with the umpire. He was repeatedly ordered back before he was sent to the bench.

The Hartfords have scheduled double-headers with the Athletics and Readings for next week. Corbett will play first Thursday for Hartford against Reading. Score:

### BROOMS DEFEATED.

**Went Down Before Readings Superior Playing.**

READING, PA., August 19.—(Special.)—The Norfolk Brooms opened a three-days' stand in this city by falling before the superior playing of the locals. Young Bishop occupied the box, and was pounded hard when hits meant runs. The Brooms opened up savagely on McMakin in the third, when he retired in favor of Horton, who finished the game by allowing the visitors but a single hit.

The feature of the game was the batting of Carey and Minnehan, who each had four hits for a total of eight bases. The game was uninteresting until the last inning, when the Brooms made a great batting rally and gave a scare to the "rooters."

The locals scored twice in the opening inning on Stratton's hit, Leahy's error, and doubles by Carey and Minnehan. The Brooms filled the bases in their half of the inning, but failed to score. In the third Carey drove a long fly to left centre for a "homer," making the score 3 to 0. This was tied in the visitors' half, when they knocked McMackin out of the box. Kelley and Leahy doubled, and McFarlan doubled, scoring the two former. McFarlan was thrown out trying to stretch his hit into a triple. Weddige doubled to left and scored on Weihl's single over short, and Horton then took the sphere and quickly disposed of Wentz and Smith on flies. In the fifth the locals again took the lead on Carey's single and Minnehan's terrific drive for four bases. In the seventh the victory was clinched with one out. Carey and Minnehan each singled, and Carey scored on Minnehan's steal of second. McIntyre was given four balls, Heydon singled to centre, and McFarlan cleared the bases by a throw to the left-field bleachers. Score, 10 to 3.

No more runs were scored until the great rally in the ninth. Pfanmiller took Bishop's place at bat and tripled to left, but was put out trying to reach home on the hit. This lost his club the game. Kelley singled to left and Leahy fouled to Heydon. McFarlan and Weddige singled. Weihl was given four balls, forcing home Kelley. Wentz hit to centre, and McFarlan and Weddige scored. Smith was given four balls and Weihl and Wentz scored on Snyder's double. Pfanmiller then again came to bat. A single would have tied the score, but he could only send an easy grounder to Turner, and was retired at first. Score:

### NEWARK LOST.

**And Lancaster Made Her Seventeenth Consecutive Winning.**

LANCASTER, PA., August 19.—(Special.)—Newark was unable to break Lancaster's winning streak to-day, and the leaders drew further away from the Champions, their nearest competitors, defeating them after a hotly-fought battle. This makes Lancaster's seventeenth straight victory. West, who started to pitch for the locals, was withdrawn after the second inning, on account of his wildness, and Sprogel, who succeeded him, was invincible. The only error made in the game was Daley's muff of a foul fly, the batsman subsequently getting to first, but being left there. Score:

### BOSTON DEFEATS PITTSBURG.

**It Maintains Its Playing Ratio of 16 to 1.**

BOSTON, August 19.—The Bostons maintained their playing ratio of 16 to 1 in the game with Pittsburg to-day, and this just about represents the actual merits of the two clubs. Hawley was hit from the start, and his support was poor. Tannehill, who was put in the box in the sixth, did well for one inning. Then he became an easy mark. Score:

| | | R. | H. | E. |

Batteries: Nichols and Bergen; Hawley, Tannehill, and Merritt.

Umpire—Mr. O'Day. Time of game—1 hour and 46 minutes.

CLEVELAND, 3; BALTIMORE, 0.

BALTIMORE, August 19.—Cleveland today treated Baltimore to its first shutout of the season. It was a well-played game, and but for two errors on the part of the home team, neither side would have tallied. This was Amole's maiden league game. Both he and Young exhibited great speed and control. A feature of the game was Quinn's great one-hand catch of O'Connor's hot liner in the second inning. Score:

Batteries: Amole and Robinson; Young and Zimmer.

Umpire—Mr. Hurst. Time of game—1 hour and 45 minutes.

CINCINNATI, 4; PHILADELPHIA, 3.

PHILADELPHIA, PA., August 19.—The Phillies continued their toboggan act to-day, losing mainly because the visitors fielded in snappy fashion, and hit more opportunely. Attendance, 2,540. Score:

| Philadelphia | 0 0 0 2 1 0 0 0 0 | 3 | 8 | 1 |

Umpire—Mr. Kelly. Time of game—1 hour and 57 minutes.

GROOMS, 13; ST. LOUIS, 5.

BROOKLYN, August 19.—The St. Louis Browns were not in it at any stage of the game with the Brooklyns to-day. Grady, Hartman, and Cross tried to find fault with Umpire Carpenter's work, which was good. All three were fined. In the fifth inning Carpenter tacked an extra $20 on to Grady, and removed him from the game. Score:

Umpire—Mr. Carpenter. Time of game—1 hour and 45 minutes.

GIANTS, 1; LOUISVILLE, 0.

NEW YORK, August 19.—That the New Yorks pulled out a victory over the Louisvilles this afternoon is no fault of "Dad" Clark, whom the Giants released to the Louisvilles in exchange for McCreery. "Dad" held his former comrades down to six scattered hits, one of them a two-bagger by Tiernan. Tiernan was advanced to third by Dolan's muff of Bill Clarke's liner, in the fifth inning, and scored on Meekin's out to right-field. Meekin pitched a gilt-edged game, only three hits being made off his delivery. Neither pitcher gave a base on balls. Attendance, 4,500. Score:

CHICAGO, 10; WASHINGTON, 4.

WASHINGTON, August 19.—Griffith had the Senators at his mercy to-day. King, on the contrary, was fairly easy. This was not a good day for the Senators in the field, a number of errors being made at critical moments. Attendance, 800. Score:

### WHEAT AT NEW YORK.

**September Goes to Within 4 1-4 Cents of $1, But Later Loses 1 3-4c.**

NEW YORK, August 19.—Wheat gained 1 1-4 in price at one time to-day, and established another record for the year, but lost many friends thereby. Conservative traders felt that the news from Europe did not warrant such sensational jumps as the market experienced to-day, and withheld their support. The result was an irregular list of values all day, covering a wide range of prices. By putting forth all their efforts the bulls succeeded in running September up to 95 3-4, or 1 1-8 cents above the highest point, and 1 1-2 higher than last night's close.

Prominent authorities are now estimating the spring-wheat crop as low as 252,000,000 bushels. A few weeks ago 500,000,000 was considered a very conservative estimate.

The quotations for No. 1 northern afloat in this market, at one time to-day, on the nominal basis of 6 cents over September, was 101 3-4, and No. 2 red, 99 3-4 to $1 afloat, but "dollar wheat," in the trade acceptation of the term, refers to the September option, in which most of the trading now centres. At the best point to-day this option was only 4 1-4 cents away from the goal. It was found impossible, however, without constant support from all sides, and a steady European demand, to maintain this pace, and in the late afternoon prices gave 'way suddenly, losing 1 3-4 cents on September, and 2 1-4 cents on December, from the highest point, under heavy and excited selling by scalpers, foreign-houses, and others.

The close was very nervous on the basis of 94 for September and 92 3-4 for December. Still later, on the curb, September rallied to 94 1-8 cents. One of the day's features was the abundance of foreign selling orders, representing profit-taking on recent purchases, new short account sales, etc. Late private cables asked for offers, but the actual export transactions were disappointingly small—about 100,000 bushels.

Everybody on 'Change is keyed up to the idea of dollar September wheat before the end of the month, and bear operators are too timid to offer any resistance. The total future sales for the session were 8,605,000 bushels.

**An Abominable Legacy.**

A tendency to rheumatism is undoubtedly inherited. Unlike many other legacies, it remains in the family. The most effectual means of checking this tendency, or of removing incipient rheumatism, whether pre-existing in the blood or not, is to resort to Hostetter's Stomach Bitters as soon as the premonitory twinges are felt. Nullifying the influences of cold, exposure, and fatigue, the Bitters not only fortifies the system against their hurtful consequences, but subjugates malaria, liver, and kidney complaint, dyspepsia, and nerve disquietude.

STOREMONT, VA., August 19.—(Special.)—Pursuant to call, the Democratic convention for the Thirty-ninth Senatorial District met at Saluda, Middlesex county, yesterday, the 18th, to nominate a candidate to represent said district in the Senate.

After a long and spirited contest, lasting until midnight, and on the thirty-second ballot, ex-Judge Thomas F. Blakey, of Essex county, was declared the nominee of the convention, defeating the Hon. James N. Stubbs by a fractional vote only.

### FLUVANNA AND GOOCHLAND.

**G. W. Browning Nominated for the House.**

COLUMBIA, VA., August 19.—(Special.) The Democratic convention to nominate a candidate for the House of Delegates from the counties of Fluvanna and Goochland met here to-day, with Mr. A. A. Gray as permanent chairman and W. H. Talley secretary. Hon. James McC. Miller, of Fluvanna county, who represented the two counties in the last House, and George W. Browning, of Goochland, were placed in nomination, and Mr. Browning was chosen on the third ballot.

Mr. Browning is a representative of the young Democracy, and will make an active, vigorous canvass, which will unquestionably result in his election. He is in thorough accord with the Democratic platforms, State and national, and will be a most creditable representative of the two proud old counties.

The convention was harmonious, and Mr. Browning's nomination was made unanimous on the motion of Mr. Miller's delegates.

**Spotsylvania Primaries.**

FREDERICKSBURG, VA., August 19.—(Special.)—Democratic primaries were held in the county of Spotsylvania to-day to elect delegates to the senatorial and House conventions of this district. Embrey, Esq., of this city, for member of the lower branch of the Legislature.

### CLAIM AGAINST ECUADOR.

**Dr. Blanc Wants $200,000 for Alleged Ill-Treatment.**

WASHINGTON, D. C., August 19.—Lewis Jerome Edward Blanc, an American citizen, through Messrs. Dudley & Michener, attorneys, of this city, has filed with the State Department a claim against the Government of Ecuador for $200,000 for false imprisonment and ill-treatment over twenty years ago.

Between 1863 and 1881 Dr. Blanc lived in Ecuador, where he farmed, and was also engaged in the practice of medicine. He was, it is alleged, on a trivial pretext, arrested and thrown into jail, where, he states, he was badly treated and left for a long time. At last, through the efforts of this government, he was released. He filed claims against the Ecuadorian Government several years ago, but they were never pushed to final action.

Dr. Blanc was born in New Orleans, but in recent years has been living in Savannah, Ga. He has now moved to this city, where he will remain until something definite is done.

### ANOTHER BIG DAY.

**The Chesapeake Agricultural Fair—Yesterday's Racing Events.**

CAPE CHARLES, VA., August 19.—(Special.)—This was big Thursday at the Chesapeake Agricultural Fair, and the people came from every direction. The trains and boats were taxed to their capacity to handle the crowds, besides hundreds of carriages and all other kinds of vehicles that came in from the country.

The day was fine, cool, and cloudy, with a little threatening rain about noon, but not enough to mar the pleasure of the most fastidious.

The second game of ball scheduled for to-day by the Norfolk and Cape Charles clubs was a farce. As the Norfolk club having failed to strengthen their team any from the previous day, they were completely demoralized, and at the mercy of the home club from the start to finish.

The aeronaut made another ascension to-day, and landed on the other side of the creek, being carried across there by a strong wind blowing at the time.

The races on the programme for the third day were exceptionally fine, every heat being closely contested, although three straights captured first money in each race. They were close and exciting.

Below is the result of the day's races:

First race—purse $150, 4-year-old—First, Sport, by Ames, Cape Charles, 1, 1, 1; second, Edith, by Upshur, Eastville, Va., 2, 2, 2; third, Happy Tie, by Brown, Cape Charles, 3, 3, 3; fourth, Susie, by James, Jamesville, Va., 3, 4, 4. Time, 2:33.
