A SALE THAT SHALL SWEEP THE DECK.

The sons of genius--the buyers of Cohen's merchandise--have decided to make every woman in Richmond an easy patron. The settling-up day of this season has arrived, and the question of relinquishment will chronicle the release of our grasp on more than A HALF MILLION DOLLARS MERCHANDISE OWNERSHIP.

THE SALE THAT MEASURES THE WHOLE WORLD'S MARKET

Price surprises, not surface-thrown for a few items only, but the entire stock as it stands from end to end; from the basement to the fifth floor.

THE COHEN CO

As a Mint to the Richmond Public,

have prepared the whole store for a grand outlet sale. It's a fight for peace to beat the enemy of overstock--overstocks that are the monuments of great underprice buying and that have centralized at Cohen's profit prices almost the whole of Richmond trade for the past few weeks.

THE SALE WILL BE A MERCILESS AND UNSPARING RECKONING AND A SIGNBOARD OF COHEN'S SUCCESSFUL PRICE-LEADING.

When possible please take small packages with you. Where aisleways are crowded please keep to the right.

A Whole Congress of American and European White Goods Excellence

RULES A HALF-PRICE SALE.

The inviting bargain time comes with the advantage in the buying, and now they are pushed down a deep precipice for a slaughter sale.
