A TEXAN AS PRESIDENT.

Officers Elected by the Southern Philatelic Association.

The second session of the Southern Philatelic Association was called to order at 8 o'clock last evening in the lecture hall of the University College of Medicine by Vice-President August Dietz.

The following officers were elected for the ensuing year: President, Roy B. Bradley, Waco, Tex.; Vice-President, Oscar Jaunasch, Waco, Tex.; Secretary and Treasurer, Walter C. Lowery, Hillsboro', Tex.; International Secretary, R. S. Nelson, Birmingham, Ala.; Sales Superintendent, Charles Waring, Knoxville, Tenn.; Librarian, Henry Schott, Richmond, Va.; Counterfeit Detector, Frederick Noyes, Alice, Tex.; Trustees—Emil Gerlich and Robert Kessler, New Braunfels, Tex.; Official Journal, the "Virginia Philatelist," Richmond, Va.

A vote of thanks was unanimously tendered the Valentine Museum for the use of a room for the exhibition of stamps, and the University College of Medicine for the use of their lecture hall.

A diploma was awarded Mr. H. E. Deats, of Flemington, N. J., for the best exhibit of Confederate stamps, and a number of others received honorable mention.

Yesterday afternoon the visitors were driven to the various points of interest in the city, and the Virginia Philatelic Association will tender them a complimentary banquet at Murphy's Hotel tonight at 9 o'clock.

The fine exhibition of stamps at the Valentine Museum will close to-night.

DIVORCE PROCEEDINGS STOPPED.

Mr. James B. Hughes Believes His Wife Has Reformed.

Mr. James B. Hughes, the sectionmaster of the Chesapeake and Ohio at Elko, who on the afternoon of Sunday, August 13th, shot at his wife and Patrick Dempsey, against whom he claimed to have secured evidence of undue intimacy, has withdrawn the suit for divorce which he filed against his wife shortly after the shooting, and the two have settled their differences.

Mr. Hughes visited his lawyer yesterday and instructed him to quash the divorce proceedings, and told him that his reason for taking that action was that he believed his wife had reformed.

Rosa Robinson (colored) was before Justice Lewis at the county court-house yesterday, and was fined $10 and sent to jail for six months for beating her mother.

The case of Thomas Carter, charged with running a mule cart into an electric-car and injuring L. O. Parrish, was called, but the doctors stated that Mr. Parrish was still unable to attend. The case was continued until October 22d.

Have a Musical Service.

There will be a musical service at the First Baptist church to-morrow night at 8 o'clock. The following is the programme: 1. Andante Cantabile, from sixth organ symphony (Widor.) 2. Still, Still With Thee (Gerrish.) 3. Invocation. 4. Hymn, by congregation. 5. Scripture reading. 6. Tarry With Me, choir (Pinsuti.) 7. Prayer. 8. Offertory, solo by Mr. Munson, of Boston. 9. Hymn, by congregation. 10. Sermon, by pastor. 11. Solo, Captain Cunningham. 12. Prayer. 13. The King of Love, choir (Shelley.) 14. Benediction. 15. Fantasie, for organ (Tschirch.)

Music at Second Baptist Church.

The following musical programme will be sung at the morning and evening services at the Second Baptist church tomorrow:

Morning Service—"There is a Green Hill, (Gounod); offertory, solo, "Just As I Am," (Gotze,) Miss Ragland.

Evening Service—Gloria in Excelsis, Bb., (Wilson); offertory, solo, "The Lord Is My Light," (Allitsen,) Miss Ragland.

Suitable anthems will be sung after the sermons at both services. Miss Ragland's solo at the night service is one of her best, and is well calculated to show to advantage the dramatic quality of her voice.

The Lutherans' Fall Communion.

The regular communion of the First English Evangelical Lutheran church will be celebrated on October 1st at [illegible] services morning. The sermons will be very attractive, and the attendance is invariably large on such occasions.

MONEY FOR MILITARY.

VIRGINIA HAS $18,500 DUE HER FROM GENERAL GOVERNMENT.

THE CELEBRATED ELLINGER CASE.

Attorney-General Montague to Go to Accomac Next Thursday to Argue It—Dr. William H. Ruffner at the Capitol.

There is now due Virginia from the National Government $18,500 for military purposes.

The General Government gives to each State for the support of volunteer military a sum equal to that appropriated for the purpose by the State Legislature. Virginias quota has been accumulating for some time. The State is now in better condition to maintain its volunteers, so far as the military fund is concerned, than at any time since the war.

The new military will also be better armed and equipped than the old. The arms in the hands of the troops when they enlisted at the beginning of the Spanish-American war were old and more or less behind the times. The men will now have Krag-Jorgens, the rifle used by the regulars. They will also have new and modern equipments of every character.

Some little difficulty is now being encountered in securing arms and equipments from Washington. The War Department officials insist upon sending all the arms due this State at one time, whereas, Adjutant-General Nalle wants them sent as companies are reorganized. There is no suitable place in this city for the storage of arms, or, at least, for so many. This difficulty, however, is not an important one, and General Nalle hopes soon to have it overcome.

THE ELLINGER CASE.

Attorney-General Montague is now in King William county on legal business, and will hardly be in the city again before going to Accomac county, next Thursday, to appear in the case of the Commonwealth vs. William Ellinger, which comes up in the Circuit Court of that county on the day named. Mr. Montague and Mr. B. T. Gunter, Commonwealth's Attorney of Accomac, will represent the Commonwealth, and Mr. C. V. Meredith, of this city, and Mr. Fletcher, of Accomac, will represent Mr. Ellinger.

This litigation is brought under the direction of the last General Assembly. The Commonwealth sues to recover oyster-lands in Pocomoke sound now held by Mr. William Ellinger, the proprietor of Fox Island. It is claimed by the State that the oyster-grounds are not rightfully Mr. Ellinger's. He is defending the title.

State Treasurer Harman had masons at work yesterday putting in an open fireplace in his office.

Mr. Harman thinks the glow of coals much more cheerful than the colorless steam heat. The addition of the fireplace will greatly add to the attractiveness of the Treasurer's office.

AN HONORED VISITOR.

Dr. William H. Ruffner, of Lexington, the first Superintendent of Public Instruction Virginia ever had, was at the State Library building. Dr. Ruffner was one of the ablest State Superintendents Virginia has ever had. He filled the position in the days when public schools were an untried experiment in Virginia. He organized the system and set the machinery going. The present flourishing condition of the schools of Virginia is realized to be in large measure due to that wisdom displayed by Dr. Ruffner in the days when they were established. Dr. Ruffner is at present much interested in stock raising.

CAPITOL NOTES.

Colonel William Henry Mann, of Petersburg, a candidates for the position of Clerk to the House of Delegates, was at the office of the Secretary of the Commonwealth yesterday. Mr. Mann says the outlook for his election is bright.

Secretary Lawless is not getting well as rapidly as his friends hoped for. He is at his desk every day, but is thinking of going away for a week or two and trying to find in absolute rest complete health.

The Secretary of the Commonwealth, on the approval of the Governor, has issued commissions to the following as notaries public: Cary Breckenridge, Fincastle; John Roberts, Abingdon; Daniel P. Conner, Simpson's; George W. Shepherd, Jr., and Edgar M. Young, Jr., Fredericksburg.

Mr. W. H. Chisholm, the Hanover county jailer, was at the Capitol yesterday.

MR. ZIMMERMANN'S BIRTHDAY.

Many Friends Pay a Surprise Visit to the Ex-Alderman.

Ex-Alderman W. H. Zimmermann celebrated the fifty-fourth anniversary of his birth on Thursday. It had been his intention to mark the event quietly in the bosom of his family, because his private apartments at his hotel on Broad street are not large enough to accommodate all his friends, and Sanger Hall, where he wished to observe the anniversary, was in the hands of the State Liquor-Dealers' Association.

A large number of Mr. Zimmermann's friends, however, met in the rooms of the Gesangverein Virginia and proceeded to Mr. Zimmermann's apartments. They numbered over sixty, and included the famous German Singing Society and Mr. Baseler's orchestra. The first intimation Mr. Zimmermann had of their presence was when the folding-doors that divides his private parlors were thrown open, and the guests sang their salutation to the accompaniment of the orchestra. A very delightful evening was spent, and it was past 4 o'clock when the last batch of guests departed.

The genial host furnished a royal entertainment for his visitors, and the climax of merriment was reached when the dignified Alderman, with a saucer of ice-cream in one hand, went through all the contortions of an up-to-date cake-walk for the amusement of his friends.

ELECTROLYSIS INVESTIGATION.

Pipes Found in Very Bad Condition by the Power-Houses.

The investigation into the effects of electrolysis on gas- and water-mains is still being continued. The Richmond Traction Company has done everything possible to facilitate the work of the expert employed by the city.

The pipes of both gas and water departments have been found in very bad condition in the neighborhood of both power-houses. It is understood that some plan will be adopted to connect the service wires with the rails at the end of each line in order to form a complete circuit for the current.

TROUBLESOME GANG BROKEN UP.

Police Think the Lead-Pipe Thieves Are All Accounted For.

The police believe that the gang of lead-pipe thieves, which has been doing considerable damage in vacant houses for months past, has been broken up.

Six young negroes have been arrested for this offence, and while three are yet to be sentenced, the others have all been condemned to serve long terms in the penitentiary.

It is a significant fact that since these arrests were made no further complaints of lead-pipe robberies have been received at headquarters.

Gentlemen:—I write you a few lines of gratitude. I think your **Grove's Tasteless Chill Tonic** is one of the best medicines in the world for Chills and Fever. I have three children that have been down with malarial fever for 18 months and have bought Chill medicines of all kinds and Doctor's bills coming in all the time until I sent to town and got three bottles of **Grove's Tonic.** My children are all well now and it was your Tasteless Chill Tonic that did it. I cannot say too much in its behalf.

WERE EASY ON 'SQUIRE LONNIE.

Sinners Knew Yesterday Was His Busy Day and Didn't Come.

The proceedings in the White Temple were rather tame yesterday morning. The legal offenders knew that yesterday was the day when the long civil docket was to be disposed of, and they felt inclined to be easy on him.

J. J. Dolan furnished some entertainment. He was charged with stealing a silver watch valued at $15, the property of R. W. Pateat. Dolan said he was drunk. 'Squire Lonnie said, "'twas pity 'twas true," and gave him ninety days in jail.

David Robinson (colored) was a suspicious character. He was required to give security in $100 for sixty days.

Mary Lewis and Blanche Lee (both colored) were up for keeping a disorderly house. Their hearing will take place on next Thursday.

George Allen, a colored man, was charged with entering Caboose Car No. 566, of the Chesapeake and Ohio, and stealing a lot of journal brasses. His hearing was also continued until the 28th.

The remaining cases were small ones.

DR. HAWTHORNE TO YOUNG MEN.

"The Dignity, Strength, and Glory of God's Ideal Man," His Theme.

Dr. J. B. Hawthorne, of the Grove-Avenue Baptist church, will preach a special sermon to young men to-morrow morning. His theme will be "The Dignity, Strength, and Glory of God's Ideal Man."

Every one recognizes in Dr. Hawthorne one of the most effective and eloquent speakers in the land. When he is talking to young men he is always at his best. He sympathizes with the young.

Dr. Hawthorne's subject at the evening hour will be "Self-Culture."

The music of this church is of the very best.

Children Enjoy an Outing.

The children of Bethany Home, near Bon Air, spent a most delightful day yesterday at Lakeside Park. The Richmond Railway and Electric Company very kindly gave them a free ride from Forest Hill, without change of cars, on a special car, and Mr. Thomas F. Jeffress gave them a pass to the park and the zoo. The long and very pleasant ride of over ten miles was greatly enjoyed by the children, singing their happy songs along the route. Roaming over the beautiful grounds and visiting the large and rare variety of animals filled them with the greatest delight. It was a day long to be remembered by them, with gratitude to those who so kindly made it possible for them to enjoy it.
