Don't Buy a "Cheap" Piano.

Remember always that the most important part of an instrument is the mechanism, which you don't see, rather than the case, which you do see. Many really inferior pianos have very pretty cases. Durability is obtained by making good the hidden parts; that is honesty.

IN LOUDOUN COUNTY.

Death of Mrs. Belle Trussell—News from the Courts.

LEESBURG, VA., March 15.—(Special.) Mrs. Belle Trussell, wife of Dr. C. W. Trussell, formerly of Loudoun, died at her home in Iowa on Wednesday.

She had a large connexion here. She was a sister of Mr. W. F. Lynn and Major B. W. Lynn, former Superintendent of the Virginia Penitentiary, and an aunt of R. H. Lynn, cashier of the Loudoun National Bank, of Leesburg, the last named having just returned from a visit to her. She was about 50 years of age.

Mrs. Hattie V. Titus, widow of Hicks Titus, has purchased a lot of one and a half acres, of the Fadley property, adjoining the southern edge of Leesburg on the Aldie turnpike, for $900, and will build thereon.

The marriage of Miss Rhua, daughter of Mr. and Mrs. J. W. Moran, of Waxpool, in Lower Loudoun, to Mr. Bernard Minor, of the same neighborhood, will take place on Wednesday, March 19th.

The bride-elect is a sister of Mr. W. H. W. Moran, editor of the Manassas Journal.

Hon. Henry Fairfax will act as judge of hackneys and coach horses at the Boston Horse-Show in April.

Messrs. A. B. Davis, Ludwell Hutchison, Joseph M. Martin, E. W. Skinner, and Robert H. Gray, a board of reviewers, appointed by Judge Tebbs to ascertain just compensation for such part of the land belonging to F. M. Moore as must be required to make a new road near Bluemont, reported yesterday, fixing the damages at $1,365.

The litigation known as the Frazier road case, has attracted much attention and the time of two sessions of the County Court. Mr. Moore is contending against the change proposed to be made in the present road. The report of the viewers has yet to be acted on by the court, so the end is not yet.

ROANOKE COUNTY NOTES.

Several Oriental Students Attend Lectures Next Year.

SALEM, VA., March 15.—(Special.)—Roanoke College, at this place, has been noted for years for its number of students from foreign countries, as well as from a large number of States of the Union.

Korea, Japan, Porto Rico, Cuba, Jamaica, England, Newfoundland, and Indian Territory have each had native representatives as students at this institution.

Korea has had several representatives here, among whom were his Royal Highness Prince Enwah, heir to the throne of Korea, and now the faculty have recently received a letter from two young men from Turkey who wish to attend the college next session.

These students are Manong Khibichin, from Armenia, and Yani Mackipes, a Greek. They have made some progress in the English language in an Armenian college. Their intention is, to graduate from this college and then take a theological course, and thus prepare themselves as missionaries in their native country.

The college faculty are also corresponding with some more Koreans who wish to enter Roanoke College next session.

Miss Grace Wiley, after quite a stay with friends in Montgomery county, returned to Salem yesterday.

After an extended visit to relatives in North Carolina and Norfolk, Va., Miss Lueva Biggs has returned to her home, in Salem.

Miss Mattie Henderson, principal of the Cave Spring High School, is visiting her parents, on Main street.

Mr. Jackson eBal, of Scottsville, Va., arrived in Salem this week, where he will reside.

Mr. J. F. Whitsell, of New York city, is visiting his father, Mr. A. D. Whitsell, of this place.

HOT SPRINGS NEWS.

Opening of the Homestead Hotel—Many Guests—County Notes.

HOT SPRINGS, VA., March 15.—(Special.)—The Homestead opened on the 10th, as advertised. This, of course, was the event of the week here. While the officials would have preferred delaying the opening for several days, events made it inevitable.

Even as it is, the hotel people will have a good deal of difficulty in taking care of the people who are applying. Where they have wanted special accommodations some have already been turned away. The bookings show that all the accommodations here will be taxed.

The Hotel Alpine opened a few days ago, and is already doing a nice business. In some way the impression had gotten out that all the resorts in this valley were all-the-year-'round resorts, and within the past few weeks some people have come here from a great distance to take the baths at the Healing, which will not open until the last of April.

Dr. J. A. Robertson, of New York, has been here this week negotiating for a cottage with a view to locating here. It seems probable that he has bought one. He has for some time been associated with Dr. Weyth, of New York, a prominent surgeon, and president of the American Medical Association.

Dr. Robertson is originally from Texas, is a young man, and was a student at the Virginia Military Institute in 1891, where he graduated as a civil engineer. He subsequently studied medicine, and has been practicing for several years. His wife is a Virginian.

The Board of Supervisors, at its meeting on Monday last, appointed a special committee to view the roads, which were badly damaged by the recent storms, and to report to an adjourned meeting to be held next week.

The amount needed to put these roads in condition will be heavy, and it seems probable that the county may have to borrow some money for this purpose.

Dr. F. W. Chapin and his daughter, who spent the past winter in Washington, have returned to the Hot, where the Doctor will continue his practice.

Dr. C. N. Brandt will probably not return to the Hot Springs, but will practice his profession in New York city.

THE VALLEY OF VIRGINIA.

Deaths of Several Well-Known People—Woodstock Notes.

WOODSTOCK, VA., March 15.—(Special.)—After a long illness of dropsy, Mr. John Hopewell, of Mount Clifton, Shenandoah county, died on Friday; aged 52 years. He is survived by his widow and six children, of whom all are adults.

Robert Linthicum, who was sentenced to the penitentiary by the County Court, was removed to that institution on Friday evening by a guard. His term is for two years.

Walter and Nathan Miller, who were shot and dangerously wounded on Christmas-Day by Charles Cline, while defending himself from an attack by them, have been arrested upon a capias and bailed for trial. On Monday the grand jury returned a true bill against them for felony.

Mr. Allen Garber, of Flattock, Shenandoah county, son of Mr. and Mrs. Samuel Garber, died suddenly on Thursday morning. He was 36 years old, and had been an invalid for a number of years.

The stockholders of the Excelsior Canning Company of Maurertown, have decided to sell the plant, in order to lift its indebtedness, which amounts to about $1,500.

Mr. John Becler, of Mount Olive vicinity, died on Saturday at the advanced age of 83 years.

His death was very sudden, and, on account of the heavy roads, his body was placed in a wagon with four horses attached to it and conveyed to the burying-ground.

JOSEPH STOVALL'S DEATH.

Patrick Citizen Said to Have Been 106 Years Old.

MARTINSVILLE, March 15.—(Special.)—Mr. Joseph Stovall, a well-known and highly esteemed citizen of Patrick county, died at his home, near Elansville, on the 8th instant, at the age of 106 years.

The sources of information are not just now at hand to give the exact date of his birth, but the age stated is positively confirmed by a prominent and well-informed tobacco manufacturer of Martinsville, who knew him well, and his family can no doubt supply the proof.

His wife, who survives him, is more than 90 years of age. She is a daughter of the late Jesse Corn, who was also a prominent citizen of the county, and a justice under the old system of county courts.

The standard gauge trains on the Danville and Western between this point and Danville are running to-day.

The first train of the new service arrived from Danville yesterday afternoon.

The narrow gauge trains between here and Stuart will be continued for some time yet.

The recent change gives Martinsville two independent lines of broad gauge road, and puts her at once in the front rank of Virginia towns for railroad facilities.

A fire Tuesday night destroyed the kitchen of Mr. Ernest G. Penn, on Gravely street. There was no insurance.

On account of the numerous cases of small-pox in the county a rigid vaccination and quarantine ordinance was adopted by the Council Tuesday night, and is being vigorously enforced.

Mr. Robert Barbour, president of the Barbour Buggy Company, and one of the most prominent business-men of South Boston, is here, looking after important business interests.

The new pump at the water-works station has just been installed.

Southern Railway Changes.

WASHINGTON, D. C., March 15.—In a general order issued by the Southern railway to-day regarding the appointment of the new officials named last night, it is announced that the offices of traffic manager and assistant passenger traffic manager are abolished. These offices were held, respectively, by J. M. Culp, who becomes fourth vice-president, and W. A. Turk, who becomes passenger traffic manager.

Rumored Russo-Japanese Spat.

ST. PETERSBURG, March 15.—Military and naval circles here have been greatly excited by rumors to the effect that misunderstandings between Russia and Japan led recently to an exchange of sharp notes. The correspondent of the Associated Press, however, is authorized to say that the rumors are quite unfounded.

NEW YORK, March 15.—Cotton—Steady; middling, 9⅛c.; net receipts, 178 bales; gross receipts, 1,639 bales; stock, 157,040 bales.

Cotton futures opened steady and closed barely steady:

	Opening.	Closing.
March (offered)	9.00	8.89
April	8.92	8.89
May	8.81	8.78
June	8.80	8.81

August	8.67	8.64
September	8.28	8.27
October	8.08	8.03
November	7.97	7.96
December	7.97	7.96

Spot closed quiet; middling uplands, 9⅛c.; middling Gulf, 9⅜c.; sales, none.

The cotton market opened steady, with prices 1 point higher to 1 point lower, and for a time after the call was quiet, without change of consequence. The Liverpool cables were quiet, as expected, quoting futures as 1 to 1¼ points higher and spot cotton as unchanged. Port receipts were light, about 13,000 bales, against 20,294 last year. Bulls and bears alike were indisposed to materially alter their relations to the market, pending definite news from Fall River as to the strike situation. There was little in southern private advices to influence the market, and orders in the hands of commission houses were too scattering to be of much consequence. Wall street and scalpers were light buyers in the first hour, on the basis of 8.48 for July. Talk of a smaller "in-sight" than last year was counteracted by an indisposition to increase crop estimates. Futures closed net unchanged to 4 points lower.

NEW ORLEANS LA., March 15.—Cotton futures closed barely steady:

Former Confident of Commissioner's Removal at an Early Date.

WASHINGTON, D. C., March 15.—A high official of the Grand Army of the Republic is authority for the statement that the Pension Committee appointed at the last annual encampment will soon submit its report to the President, and that they feel greatly encouraged as to the result. They are confident of Commissioner Evans's removal, though not immediately, and not in a way to humiliate him.

BRUNSWICK, GA., March 15.—Washouts on the Southern railway, just above Everett City, Ga., have prevented the arrival of trains and mails over that system since yesterday.
