Will Not Drive Sweet Marie.

(Special to The Times-Dispatch.)

LEXINGTON, KY., September 21.—Robert A. Smith, of Philadelphia, driver of the trotting mare Sweet Marie, 2:06 1-4, who was ruled off at Providence, is here visiting State Treasurer Henry Bosworth. He had a talk here with Major P. P. Johnston, president of the National Trotting Association, but that official says no request was made for reinstatement. It is learned that an agreement has been reached by which Smith will not drive the mare again, and her owner will submit to the $1,000 fine imposed on Smith in the Roger Williams stake for not trying to win, and the mare will race as before, she being entered in the famous Transylvania stake here.

Glidden at Vancouver.

(Special to The Times-Dispatch.)

VANCOUVER, B. C., September 21.—Charles J. Glidden, who is making a tour of the world in an automobile, has arrived here from Boston via Minneapolis, having made an average of twenty-three miles an hour. From Boston to Minneapolis he traveled upon the highways, and from Minneapolis to Vancouver on the tracks of the Son Pacific and Canadian Pacific Railroads. His average on the highways was 18.13 miles an hour, and by rail 30 miles. He was twenty-eight days in making the run from Minneapolis to Vancouver.

Olympic Golf Championship.

GLEN ECHO COUNTRY CLUB, ST. LOUIS, MO., September 21.—Three of the eight golfers who will meet to-morrow in the third round of the Olympic golf championship hail from St. Louis. Chicago representatives to the number of three also have survived the strenuous thirty-six hole competitors, while Canada and Seattle claim the remaining contestants. H. Chandler Egan is among the survivors.

IN THE

..WORLD OF SPORTS..

"Hans" Wagner, after a long uphill fight has at last succeeded in getting in front in the National League batting list. The Pittsburg infielder has been working hard all season and is deserving of his position, as he has played in many more games than any of the men who are close to him. "Mike" Donlin and Frank Chance are only two points behind the leader. "Jack" Dunn is fourth on the list.

"Billy" Keeler is making a stiff fight to pull down Lajoie's lead in the American League, but the big Clevelander is still more than fifty points ahead of the local right fielder, and there is little chance of "Larry" being ousted from first place. The race for third place is close between Hoffman, Parent, Davis and Seybold, with Hoffman at present third, and the others close up.

PHILADELPHIA, September 21.—At the request of Manager Donovan, of the Washington American League Club, Ban Johnson has raised the blacklist on Howard Wilson, and the pitcher joined the Senators immediately. Wilson, whose home is in this city, jumped his contract and deserted the Senators when they were playing in hard luck earlier in the season.

CHICAGO, ILL., September 21.—Frank Owen has injured a tendon in his pitching arm and Connniskey may be deprived of the services of one of his best twirlers at a most critical period in the season's championship race.

How badly his salary wing is affected cannot yet be told, but at present he finds difficulty in throwing a ball at all. Complete rest for the remainder of the week it is hoped will bring his arm around again into shape.

Foot-Ball.

CARLISLE, PA., September 21.—The game of foot-ball scheduled by the Carlisle Indians with Franklin and Marshall to-day was canceled by F. and M. The action of F. and M. is deplored and censured here, as it leaves the Indians without a game on short notice.

SOUTH BETHLEHEM, PA., September 20.—Lehigh University opened to-day. Twenty-five men were out in foot-ball practice, six of whom were from the freshman class. Lehigh's chances for a winning team are much hampered, unless many new men report within the next few days. The rains softened the field too much yesterday. Catching was fair.

PRINCETON, N. J., September 21.—The Tiger foot-ball squad had a short practice yesterday afternoon. Cooney, last year's tackle, has reported, and Burke, the only other veteran now absent is expected in a day or two.

Rafferty, who was kept out of the game last fall by conditions in his studies, has worked them off and came out yesterday for practice. Neulle, who was prevented from playing last year by the one-year rule, is now eligible and will be given a trial at end. The squad yesterday was under the direction of Captain Fouke, Ralph Davis, John Dewitt and Eddie Holt.

CAMBRIDGE, MASS., September 21.—Were it not for the fact that Harry Lemoyne, the big guard failed to pass his examinations last June, Harvard's foot-ball prospects would be very bright. As a "dropped freshman," Lemoyne, is, of course, ineligible for the team, but his friends have high hopes that he can re-establish himself in the good graces of the faculty and bring his 203 hard pounds of bone and muscle to the rescue of the Crimson team.

Head Coach Wrightington expressed himself as desirous of seeing more heavy men out for the line positions, but is greatly pleased at the large number of candidates reporting.

On the Race Track.

Dan Patch has recovered from his recent illness.

Frank Jones, president of the Memphis Trotting Association, has purchased Agnus Pointer, 2:06, for $5,000.

Lou Dillon trotted a half in 58 3-4 seconds at Cleveland last Saturday, establishing a new record.

Lord Derby, 2:05 3-4, has gone wrong once more, and it is now thought unwise to attempt to train him again.

Senator J. W. Bailey, of Texas, has decided to sell all his light harness horses and abandon the breedig of trotters.

All of the horses of the late R. H. Plant, including Grattan Boy, are to be sold at auction at Lexington, Ky., next month.

Village Boy, 2:14 3-4, recently injured himself against a barbed wire fence so badly that it is doubtful if he will ever race again.

American Boy, 2:10, who recently lowered the track record at Springfield, was bred by a farmer and used in a butcher wagon eight years ago, and after changing owners several times was finally purchased by Albert Stephenson for $85.

Izetta, 2:14 1-2, winner of the $5,000 stakes at St. Paul and Milwaukee, will be sold at auction in October.

Broomstick, Stalwart and other high class three-year-olds have been entered for the Pierrepont stake at Jamaica, and will probably come together. There is plenty of good racing still in prospect.

At the meeting of the stewards of the Jockey Club held at Gravesend the application of Steve L. Hommedieu for a restoration to turf privileges was denied. L. Hommedieu and his racing methods were not in accord with the Jockey Club's ideas of fair sportsmanlike conduct, and he was politely requested to transact his racing business at other tracks.

BERLIN, September 21.—Beauchamp, of Louisville, Ky., who, with "Charley" Vanduzen, also an American jockey, has been riding most successfully at Hoppengarten meeting, has been deprived of his license by the stewards on account of an unsatisfactory ride.

ALBANY, N. Y., September 21.—The trotting stables of Samuel G. Whithead, at Coeman's, were burned yesterday morning. Four valuable horses were destroyed—Dandy Chimes, valued at $25,000; Miss Estale, $5,000; Saratoga Bill, $2,000, and Jeff Wilton, $1,000. A valuable colt was saved. The loss is estimated at $40,000.

In the Ring.

Eddie Hanlon, the crack California lightweight, has been matched to fight Terry McGovern, of Brooklyn, for six rounds at catchweights before the Industrial Athletic Club, in Industrial Hall, Broad Street, Philadelphia, on the night of October 10th.

This is the most important match made between little men in a long time. The news set Broadway buzzing with predictions of a sensational battle.

Both McGovern and Hanlon have great fighting records.

The winner has ben promised a match by James Edward Britt, of San Francisco, the winner of a decision over "Young Corbett."

Six star bouts, each scheduled for six rounds, will open the boxing season in Lancaster, Pa., to-night. George Cole, the colored middleweight, and Billy Stift, of Chicago, have been matched to meet in the star bout of the night. This will be their third meeting, they having fought two six round draws. Both men are in good shape and one of the best bouts of the year is looked for.

Mike Schreck, the Cincinnati middleweight, and Hugo Kelly, of Kansas City, have been matched for twenty rounds at catch weights on October 21st before the Century A. C., of Los Angeles, Cal. While both Schreck and Kelly are good second raters, the Cincinnati man seems to have the call on ring experience.

Philadelphia Jack O'Brien will appear in Baltimore, September 23d before the Eureka Club. He will meet Billy Stift, of Chicago, and the contest is scheduled for fifteen rounds.

Young John L. Sullivan, of Westfield, Mass., and Tommy Sullivan, of Lawrence, Mass., are both training hard for their ten round fight at Cambridge in two weeks.

The Gana-Walcott twenty round bout is to be at 142 pounds at 'Frisco, September 30th. Mike (Twin) Sullivan will box Joe Angell a ten round preliminary.

Kid Herman, of Chicago, and Kid Goodman, of St. Louis, have been matched to fight before the Spokane Fair. The prospective contest between Abe Attel and Herrera in Butte is off.

Griff Jones, the Brooklyn bantam, and Kid Gilbert, of Baltimore, have been matched for ten rounds before the Nonpariel A. C., of Baltimore, on September 26th.

Miscellaneous Sports.

F. R. Peterson, of the Riverside B. C., of Cambridge, has challenged Frank Greer to a single sculling race.

The women's Philadelphia district championship lawn tennis turnament in women's singles, doubles and mixed doubles will be held on the grounds of the Merion Cricket Club, at Haverford, commencing Monday, September 26, 1904.

An offer of a trophy, valued at $10,000 for the first motor boat to cross the ocean—made by M. Charley, of Paris—has aroused Europeans and Americans alike, and it is not improbable that a number of attempts will be made within a short time.

According to a letter just received from "Bobby" Walthour, the peerless American pace follower has won his thirty-third victory, and in a month or so will return to America for the New York six day race. Walthour captured first honors in this event every time he has competed, winning on one occasion with "Archie" McEachern, and another time with "Bennie" Munroe as his mate.

Thomas F. Kiely, of Carick-on-Suir, Ireland, who won the world's all around athletic championship at St. Louis ten weeks ago, will be the guest of his countrymen and many Irish-Americans, who have arranged a reception in his honor at Sulzer's Harlem River Casino, New York, next Saturday evening. A massive silver loving cup will be presented to this sturdy athlete on this occasion. Police Comissioner William McAdoo will preside at the reception, and State Senator John J. Frawley will make the presentation speech.

With the closing of entries, there were seven American cars on the list, including the speedy sixty-horse power Pope-Toledo, to be driven by A. C.
