LESS RESTRAINT IN STOCK MARKET

Relaxation in Money More Pronounced Than Since Turn of Year.

ATTITUDE BANKING INTERESTS

Money Was Offered for Loans on Call With Considerable Freedom.

(By Associated Press.)

NEW YORK, January 5.—The strength of the stock market to-day showed less restraint than at any time this week. The relaxation in the money market was more pronounced than since the turn of the year. There was a much calmer view of significance of yesterday's remarks by Jacob H. Schiff, foretelling the greatest panic in history unless some change were effected in the prevailing currency system. There seemed to be a considerable demand to cover shorts on the part of bear operators, who sold the market hastily on yesterday's break. Something was made of the fact of Mr. Schiff's contention that the inconveniences in the recent money market were not to be attributed to excessive speculation. The active and vigorous support of Union Pacific was given special significance as a reflection of the market attitude of the banking interests from which yesterday's warning came. The Coupper stocks rebounded violently from the fierce raid made upon them yesterday and so rallied the market from one of its principal factors of depression. The forecasts of the cash houses of the week showed a very large movement of currency to New York from the interior. Money was offered for loans on call much more freely and from the early high rate of 9 per cent. was forced down after the active demand of the day had been satisfied to below 6 per cent. The easing of the money rate was followed by an advance in foreign exchange. Pending meetings for the considerations of dividend action were the grounds for some of the special movements in prices, notably in Union Pacific, Amalgamated Copper and American Locomotive. The sharp rise in the Kansas City Southern stocks was in connection with rumors of absorption for control in the interest of St. Paul. Light selling to take profits during the last hour was absorbed easily, and the final spurt in Union Pacific carried the market to a strong and active closing.

Bonds were irregular. Total sales, par value, $3,655,000.

United States bonds were all unchanged on call.

Total sales of stocks were 1,340,100 shares.

MONEY AND EXCHANGE: CLOSE—Money on call much easier, 2@9 per cent.; ruling rate, 6 1-2@7; closing bid, 1; offered at 2. Time loans, firm; 60 days, 7 per cent., including commission; 90 days, 6 and 7, including commission on latter rate; six months, 5 1-2@6.

BALTIMORE STOCK MARKET

BALTIMORE, MD., Jan. 5.—Seaboard Air Line common, 3⅝ asked. Seaboard Air Line preferred, 66 asked.

COTTON MARKETS.

NEW YORK, Jan. 5.—The cotton market today acted nervous and sensitive with fluctuations irregular and trading moderately active, business being conducted preparatory to the ginners' report expected from Washington on next Monday or Tuesday. The market closed steady at a net decline of 5@11 points. Sales were estimated at 350,000 bales. The opening was steady at a decline of 2@6 points on the old crop months, but unchanged on later positions, which was better than due on the cables. Private advices from Liverpool reported a continued good trade demand, and with news from the South claiming further strength among spot-holders and the likelihood of a bullish report from the National Ginners' Association later in the day, there was little aggressive pressure against the market, and prices soon rallied to a couple of points above the closing figures of yesterday on active months on covering of shorts and scattering bull support. In the early afternoon a message from New Orleans was circulated purporting to give the report of the National Ginners' Association, which was said to indicate a report of 9,731,000 bales ginned to January 1st, by the Census Bureau, and stating that 97.3 per cent. of the crop had been ginned. While this would indicate a yield of only about 10,000,000 bales, the amount ginned was larger than expected, and the report was followed by active bear pressure, under which prices broke about 11@13 points. The market was very nervous toward the close, but recovered 3 or 4 points of the loss on some months. Later wires from the South stated that the National Ginners' Association had not yet issued its report.

Receipts at the ports to-day were 31,256 bales against 49,530 last week and 29,576 last year. For the week (estimated) 152,000 bales against 215,370 last week and 200,000 bales last year. To-day's receipts at New Orleans 7,026 bales against 5,781 last year, and at Houston 4,509 bales against 6,037 last year.

Cotton futures opened steady and closed steady.

Lynchburg Tobacco Market.

Lynchburg, Va., Jan. 5, 1906.

The sales of loose tobacco on the Lynchburg market for the two weeks ending December 22d, furnished by John L. Oglesby, of Lynch's Warehouse, was as follows:

Sold week ending December 15th, 772,000 pounds; sold week ending December 22d, 347,700 pounds; decrease for week ending December 22d, 424,300 pounds.

Sold from September 1, 1905, to December 22, 1905, 5,320,600 pounds; sold from September 1, 1904, to December 22, 1904, 4,243,300 pounds; increase 1,077,300 pounds.

The sales of tobacco this week was quite light, caused largely by the very bad weather of the past week. The trade continues animated and prices fully up to quotations. This week closes the sales until January 2, 1906. The receipts have been considerably heavier than for several years for the first four months of the tobacco year. The condition of the tobacco has been generally quite good. The size of leaf and color of the offerings was fairly good, but the quality and texture of much of it was a little off. The prices on all grades has generally been satisfactory to the planters. If prices should continue satisfactory indications are that the crop will be sold quite early.

Short leaf	6.50 @	8.00
Good leaf	8.50 @	11.00

POLICE COURT.

Justice John Has Several Bad Negroes Before Him.

Bettie Branch, a negro woman, with a bad record, was before Justice Crutchfield yesterday morning on the charge of trespassing on the premises of another negro woman, equally as notoriously known to police fame, as Bettie. The additional charge of abusing the other woman was lodged against Bettie, and 'Squire McCarthy was the instigator of the trouble. The justice of the peace, who recently has been reminded that the First Police Station is not a place for an office and desk, heard the women jabbing at each other and went out and asked the other woman if she didn't want a warrant. Of course she did, and hence Bettie's appearance in court. Bettie was given four months at first, but later was dismissed when the whole thing came to light.

John Young, for trespassing on the property of William Reynolds, went down for ten days.

Mr. J. W. Leagge, seventy-five years old, was up for abusing Mrs. K. E. Winston. Mr. Leagge proved that he never used an oath in his life and was promptly dismissed.

Luther Harris got sixty days for stealing a ham from Kingan's, and Ivis Kent, a negress, was held until this morning, pending an investigation.

Went to Grand Jury.

The case of Luther Ellis, the young white man charged with murdering George Burch, was called in Police Court this morning and the preliminary examination was waived. The prisoner was remanded to jail without bail. He will be indicted by the present grand jury.

The funeral of Mr. Burch, who died from the result of a fractured skull caused by a blow from a slingshot in the hands of Ellis, took place yesterday afternoon at three o'clock.

Have Emancipation Parade.

A meeting was held Thursday night in St. Luke's Hall, under the auspices of the Sixth Virginia Association, and about twenty organizations represented funds for the contribution to defray the expenses incident to the emancipation parade. All the colored organizations in this city and Manchester that have not yet reported will be seen as soon as possible and invited to join in the parade. John Mitchell, brigadier-general of the colored Pythians in Virginia, has been invited to head the parade, and it is expected that he will accept the invitation.

Negro Political Party.

The colored Baptist Ministers' Conference held a meeting this week and decided that the pastors of the various flocks in Richmond should urge the male members of their congregations to register and pay their poll taxes between now and next Thursday. This is in harmony with the spirit of the Baptist Negro Congress, held in Suffolk last summer, when it was decided to organize a political party in the State, independent of the present political organizations.

Plenty of Poultry.

Consumers will have a chance to-day to secure some unusually fine dressed turkeys, poultry and ducks, as the commission merchants had yesterday a choice receipts at very moderate price. Poulty of exceptional quality is coming in now. Game also is fairly plentiful and is selling well. The commission merchants, too, are showing a fine lot of celery, which will be put on the retail market.

Chase Was Acquitted.

William Chase, a negro, was acquitted by a jury in Henrico yesterday of the charge of criminally assaulting Martha Harris. The negro was represented by Lawyers Thomas W. Gardner and N. J. Lewis.

Can He Be Convicted?

Clinton Conway, a small negro, was arrested yesterday afternoon and placed in the Henrico county jail on the charge of stealing a bath tub. He also swiped a lot of zinc and electric wires. For the time
