LYNCHBURG, VA., July 10.—Hamilton, the erstwhile Lawmaker, won Moser's game for him this afternoon in the sixth inning by lining out one to the right field for a home run with the bases full. The game was as pretty an exhibition of baseball as one cares to see, if the rowdy tactics of the visitors could be eliminated from the mind of those who saw it. Hinton was benched and shortly afterwards placed under arrest for alleged abusive language to the umpire and for threatening him. To Long belongs the entire credit for the loss of the game to Richmond, and the sixth was his Jonah. Up to that time he pitched splendid ball, and afterwards the Shoemakers could not do anything with his delivery. In the sixth Bowen singled. Bentley flew to Sapp. Holt singled and Long filled the sacks by hitting Stewart and forced Bentley home by passing Totman. Sapp made a great catch of Walsh's pop over third, and then Hamilton sailed one far out over Hick's head, sending three runs in ahead of himself. Siebrie's home drive in the sixth, with Reeve on first, was a beautiful hit, and it brought applause from the grandstand. The third run in the eighth was the result of a single by Reeve to left, which Stewart let by, the runner making the circuit on the error. Moser pitched one of the best games of the season, and his support was gilt-edged. The score:

### LEONARD HARD HIT.

**Danville Connects With Leonard for an Easy Shut-Out.**

(Special to The Times-Dispatch.)

DANVILLE, VA., July 10.—The Tobacconists hit Leonard hard to-day, while the Crew of the Mary Jane couldn't connect with Howard, the local southpaw's curves, and consequently Danville took the contest from the visitors in a shut-out game by the score of 6 to 0. The locals gave Howard perfect support, playing an errorless game. Powell, in left garden, made several difficult catches, and Zurlage played a fast game at the initial sack. Danville landed freely on Leonard at opportune times, while the Norfolk pitcher was also slightly wild, giving several bases on balls and making a couple of wild pitches. The features of the game were a beautiful catch of a line drive by Hopkins, the batting of McMahon, Doyle, Howard, Zurlage and Reggy, and the base running of Fetzer. The score:

# PLAIN FACTS

## Superiority of Quality is the Test.

MOST BEER, no matter by whom brewed, is clean, pure and sterilized.

Cleanliness is accepted as a rule of self-preservation in every reputable brewery.

Purity signifies nothing more than the absence of foreign matter.

An experienced brewer would no more boast of the purity and cleanliness of his beer than a gentleman would brag of having washed his face.

Many pure, clean beers, however, are not good beers.

A really first-class beer must not only be free from self-evident defects, but it must combine all the positive excellencies known to the science of brewing.

For these reasons brewers who do not dare to test the substantial merits of beer harp on purity.

The true test is QUALITY which cannot be had without superior materials, perfect treatment and ample storing capacity.

Upon this issue of positive SUPERIORITY of QUALITY we challenge all competitors.

Of materials we use only the most excellent, regardless of cost. Corn, the one important substitute, which, on account of its cheapness, has been extensively adopted by many brewers, never enters our brewery.

Our facilities for brewing beer are unequaled.

Our storing capacity of 600,000 barrels doubles any other brewery in the United States, and enables us to store our beer from four to five months.

Facts speak louder than words.
Publicity is the demand of the day.
The consumer is entitled to the truth.

### CASSIDY AN EASY MARK.

**Portsmouth Would Have Shut Roanoke Out but for Error.**

(Special to The Times-Dispatch.)

PORTSMOUTH, VA., July 10.—Portsmouth found Cassidy an easy mark to-day, and won from Roanoke by a score of 8 to 1. Revell pitched a good game for the Truckers, and but for Titman's error in the seventh inning, when he let Lanham's hit get through him with a runner on first, would have scored another shut-out. Roanoke's fielding was ragged all the way through, while the Truckers put up a good, snappy game, in which the all-round work of Anthony was a feature. The Highlanders were outclassed on the bases, the Truckers stealing six and using good judgment in running. Reynolds was the only Roanoke player who attempted to steal on Edwards, and he was an easy victim at second. Cassidy took a brace in the latter part of the game, and for four innings pitched good ball. Four of Portsmouth's ten hits were made in the first inning. Score:

# BIBLE STUDENTS PLAY GOOD BALL

Two Sections of Mr. F. T. Bates's Sunday School Class Pitted Against Each Other.

An interesting game of baseball was played at West Point Monday afternoon on the occasion of the Union Station M. E. Sunday School picnic. The teams were lined up from F. T. Bates's Bible class. This class has two sections, section A and section B. The two sections have two hundred men in them, and the rooting was something fierce. The rooters' rows in section B side with Mr. Tiller leading had to leave before the game closed. It is said by some that he was rooted out by section A, chief rooter, Wilben J. Griggs. Section A came out with flying colors, defeating section B, by a good margin. Section A showed themselves especially good ball players. The features of the game were the pitching of Kidd and catching of Mitchell for Section A. Douglass Richardson, manager for section B, was substituted in the fifth inning for Dixon as pitcher, but he was caught for seven nice hits from section A side, so he retired and Dixon resumed the pitching.

The following tabulated score will tell the tale:

### SIGNS NEW UMPIRE.

**Hildeback Will Report for To-Morrow.**

Secretary E. N. Gregory, Jr., of the Virginia Baseball League, yesterday signed Irvin Hildebach, of Rochester, N. Y., as an umpire for the State League. Hildeback will report there this week, and will handle the indicator in Thursday's game. He comes well recommended and is said to be a man who knows the game of baseball thoroughly.

Umpire Danihy is now in Lynchburg and will likely get released after this week. He was thoroughly incompetent while here and in Lynchburg is not giving satisfaction. His chief fault is in the fact that he can't distinguish between a ball and a strike.

# WALCOTT WINS IN FIERCE FIGHT

**Colored Boxer Had Hard Time of It With Dougherty, but Landed First.**

Walcott's famous punch, a left-hand swing to the jaw, defeated Dougherty. Up to the final round of the bout Dougherty appeared to have outpointed the colored boxer, although Walcott did not show any marks of punishment.

In the first round Walcott sent Dougherty to the mat twice. In the second round the Milwaukee fighter came up strong and evened matters. Throughout the first and second rounds Dougherty tried repeatedly for Walcott's head and face, while Walcott used body blows to advantage.

In the third round, Dougherty changed his tactics and stalled, sending rights and lefts to Walcott's stomach. Dougherty had the advantage in the third and fourth rounds. The men exchanged punches in the fifth. At the close of the round, Dougherty landed a terrific jab on Walcott's stomach, whirling the colored man almost off his feet.

Walcott fought savagely in the sixth, but in the seventh Dougherty showered rights and lefts. When the eighth round opened Dougherty started in with a rush for Walcott's stomach. Before the round was ended Walcott began to swing wildly. One of his swings, a left-hander, caught Dougherty on the jaw and the Milwaukee boy fell on his face. He tried to rise and got to his knees before the count was up, but he could get no further.

**Walcott Still Champion.**

(By Associated Press.)

BOSTON, July 10.—Joe Walcott, of Boston, retained the welter-weight championship of the world by knocking out Jack Dougherty, of Milwaukee, in the eighth round at Lincoln Athletic Club at Chelsea to-night.
