NORFOLK, VA., August 22.—The Lawmakers, with the assistance of Umpire Black, put it all over the Tercentennials here to-day, taking the first game of a double-header 1 to 0, and the second 6 to 0. The first game was eleven innings, and the second was called at the end of the seventh on account of darkness. Otey outpitched Eckstone in the first game, yielding but three hits, while the Richmonder was touched for seven. Umpire Black was the deciding factor in the game. With what would have appeared to be a square deal to the grandstand the locals would have won the first game long before the ninth inning, and neither would Richmond have scored in the eleventh. Umpire Black doubtless tried to do the right thing, but his judgment was very much warped. In the second game Richmond was clearly entitled to win, but Black had to assist in the run-getting anyway.

Long pitched a great game. The visitor clearly outclassed Jobeson, and Norfolk had no chance to score except when Hopkins knocked out a three-bagger. With what the rooters would have called impartial umpiring, Richmond's runs would have been fewer, but after all has been said about umpiring, it is clear that the Tercentennials, every man of them, have taken a slump in batting, and until they get their batting eyes back again they will win few games. DANVILLE OUTCLASSED.

Portsmouth Played Fastest Fielding Game Seen This Season.

(Special by Southern Bell Telephone.)

DANVILLE, VA., August 22.—The Truckers defeated the Tobacconists in a rather one-sided game here to-day by the score of 7 to 2, making it two out of three of the series. The locals did not appear to be in the game, and it was easy money for Barley Kain's bunch. Danville had three of the yellow ones chalked up against her, and these were responsible for many of the runs. Pearsons did the twirling for Portsmouth. He was a star actor, and a problem the Tobacconists could not solve. The four hits secured off him were scattered, while the six secured off Evans were bunched so as to mean runs. Danville's pitcher also fielded his position badly, and let a number of line drives pass him that he should have at least checked. The visitors made their first error of the series here to-day, and this was in the ninth inning, with two men out. Danville made one run in this inning. The fielding of Portsmouth was about the best that has been seen here this season, and if they had had as good a team during the first part of the season, the standing of the clubs would probably be different. Danville's line-up was somewhat changed to-day. Doyle was absent from his usual place at second base, and was placed on third. He made two errors, the first he has made in twenty-eight games. Glaze, a new find for the Tobacconists, played second, and made two safe hits.

GAME PLAYED IN MUD.

Lynchburg Took Last Game of Season from Roanoke.

(Special by Southern Bell Telephone.)

LYNCHBURG, VA., August 22.—The Shoemakers took the fourth and last game from the Highlanders of the season here this evening in an uninteresting game to the score of 5 to 2. The game was played in mud, the result of a heavy rain here at noon, a condition which was responsible for all of the misplays. The game ended in the eighth inning on account of darkness. Manager Grim had signed Taylor, a left-handed twirler, late of the South Carolina League, and he pitched well, though the impression prevailed that he did not let himself out. He had good control, and fielded his position well. Roanoke tried Trevillian, a Richmond boy, also a southpaw, but he was so wild that he was succeeded by McKnight, with three men on bases. McKenzie opened by forcing in a run. He was fairly effective, though he was hit rather hard in the last two innings. The feature of the game was the work of McMahon, at short stop, for the visitors, as all of the eight chances he accepted were very difficult. The score:

INKSLINGERS AGAIN WINNERS

WALKER DOES FINE WORK

The Times-Dispatch Team Won Out by Superior Team-Work.

(Special to The Times-Dispatch.)

PETERSBURG, VA., August 22.—Smarting from their defeat of yesterday, representatives of the Cockade City decided to put in the field their hottest line-up against the Ink Slingers yesterday. With Leake and Folkes as battery determined to do or die, but alas! they died. Petersburg elected to take the first strike, but the first half of the first inning was unproductive. In the second half of the same inning, Gardner, first man at the bat, got a hit and landed safely at first. Gardner stole second. Flip Bauer sacrificed and brought him to third. A sacrifice from Brannan scored him. This was the extent of the scoring up to the last half of the sixth inning, when the Ink Slingers scored again with the assistance of errors. It looked at this point very much as if it was going to be a shut out for Petersburg, but in the ninth inning the first man up was passed on balls. Got down to second on an out-field fly, when Lipscomb came up and knocked a two-bagger scoring Burke. The last man up, Leake, had a chance of evening things up, but was struck out, and the game ended in favor of the Slingers, by two to one.

Taken as a whole, it was a very pretty game of baseball. The Ink Slingers undoubtedly winning out by superior team work. Their base running was infinitely superior to the losers. Walker must be congratulated on keeping his head at a very critical situation in the game, whilst Leake undoubtedly deserved better support than he received.

SAY CANFIELD WON $1,200,000 IN U. P.

(Special to The Times-Dispatch.)

SARATOGA, August 22.—The "lid" lifters finally gave up the battle yesterday and abandoned all hope of opening up the faro and roulette games. Canfield, Ullman, Westcott and other gambling-house keepers paid off their hands last evening, packed up and shipped away their paraphernalia and sealed up their gaming rooms.

All of the omen employed in them were paid for the full season, although they worked less than two weeks.

Canfield made a handsome present to each of his men. It is said that the proprietor of the club-house could very well afford to do so, as he won $1,200,000 in Union Pacific last week. Canfield was tipped off to buy this stock by some friends in Wall street last Tuesday. He was long 4,000 shares on Thursday, and closed out his holdings Monday.

Dan Patch Makes New Record for Illinois Tracks.

(By Associated Press.)

GALESBURG, ILL., August 22.—The feature of the opening of the trotting meeting here yesterday was the wonderful mile paced by the champion, Dan Patch, in 1:57¾. He was driven by his trainer, Hersey, and Charley Dean drove the pacemaker, with the wind shield, while another pacemaker brought up on the outside.

After a warming up mile in 2:12 he got the word for a slow start, and passed the first quarter in 31¼ seconds. When the timers hung out the sign for the half in 1:00, the 10,000 people in the stand raised a mighty shout. Down the back stretch came the powerful fellow, and the three-quarter pole was passed in 1:28¼. The crowd had swarmed on the track, and it took the entire police force of Galesburg to keep them from interfering. Dan came on, however, and with one of his supreme efforts crossed the wire in 1:57¾, the fastest mile ever paced on a track in the State of Illinois.
