LONG TWIRLS A GREAT GAME

Pitted Against Shumann, He Stayed for Eleven Innings and Didn't Allow a Run.

Long was pitted against Shumann in the second game, and for eleven innings there was nothing doing in the score column. The two big twirlers did good work, Long, perhaps, having a little the best of the argument. He pitched a remarkable game, and the Truckers didn't have a chance to score. Shumann, considering the fact that he had just pitched ten innings, did great work in the box. He held the locals for the eleven innings, and the hits that he allowed were so scattered that they didn't count.

In the third, fifth, tenth and eleventh innings the Truckers connected with the balls from Long's delivery. Richmond hit in the first four innings, again in the fifth and another scant once in the ninth, but he kept the hits so well scattered that there was no chance of a score.

The score of the game tells the story:

VIRGINIA TEAM OFF FOR REGATTA

Williams and Christian will row in both races, but as there is two hours between the events they are to enter, there will be no trouble about resting our oarsmen. The results begin in the afternoon, but as there are some entries were speedy as races in the morning will start as well.

Mr. Emmett, who went with the Virginia Boat Club, will remain with the end of the regatta. He is considering several offers to coach college football teams, but will probably coach the Georgetown crews instead.

DANE WILL KNOCK OUT IN FOURTEENTH ROUND

(Continued from First Page.)

is not the least bit disturbed in the swift, continued exercise. His eyes are full of sleep, and he shows no signs of enduring much fatigue.

Goldfield's streets are already thronged with strangers and every train that arrives adds to the congested condition of affairs. Salt Lake and Denver appear to be particularly well represented.

Nolan Still Nasty.

A statement made by Billy Nolan, who turned President Riccard down for taking a journey to Gans's quarters was made of warning and advice. Gans said he would make 133 pounds, as some people are wondering whether in the event of Gans's being slightly overweight, he will demand his forfeit and proceed with the fight.

"I want it to be understood that there will be no fight if there is the slightest overweight of any kind. If he is more than 133 pounds at the hour set for weighing at noon we will take the forfeit of $5,000 and give him, besides, a chance at 133 pounds, providing he puts up a fresh forfeit. In other words, we will demand a forfeit every time he weighs in overweight."

As there are to be three weighings this means that it is possible for Gans to forfeit $15,000 and then not get a fight. Gans told President Riccard not to worry for a moment, as there was not the slightest chance of a hitch in the matter of weight.

All Details Arranged.

Everything seems to be in order to stand for the fight. Nelson transferred his quarters to the arena this afternoon and he will taper off his condition at the ringside.

The following men have been selected to act in Nelson's corner: Tim McGrath, Johnnie Reid and Eddie Lenny. Nolan will act as chief adviser to these men.

Joe Gans to-day sent a message to John Kelly, in New York, to bet all he could at the prevailing odds, that he would defeat Nelson on Monday.

The colored man supplemented this message with the statement that he was absolutely within the weight and that his condition was perfect. Gans to-day borrowed $1,000 from the club president and sent the money to town to bet on himself. The wager was placed at odds of 10 to 8.

LEADERS BREAK EVEN IN DANVILLE

They Take First Game by Close Shave, While Locals Take the Second Easily.

STEWART PROVES A PUZZLE

The Tobacconists Unable to Do Anything With Him—Shoemakers Are Shut Out.

(Special to The Times-Dispatch.)

DANVILLE, VA., September 1.—Lynchburg and Danville broke even in the double-header pulled off here to-day, the visitors winning by a close shave in the first, while the locals had an easy thing of it in the second.

Stewart was the puzzling proposition in the first game, and had almost perfect control. Evans, for Danville, allowed only six hits, but this was not enough to win the game. One of the runs of the Shoemakers was caused by a costly error on the part of the Tobacconists. Walsh caught an excellent game for Danville; Holt, for Lynchburg, did clever work, both with the stick and at the initial sack. The fielding of the two shortstops, Darringer and Reggy, was brilliant.

Hube Howard, who has won more games than any other pitcher in the league, delivered the package in the second game. Only three hits, and these of a scratch variety, were secured off of him. Besides this he did not allow a single pass, or make a wild pitch or hit a batter. Stewart, for Lynchburg, was put in the box in the second game, but before the second inning, had to be substituted on account of his wildness. Taylor, who was substituted, proved as easy as Stewart and nine hits, two of which were doubles, were secured off him. Catcher Bentley, who has been off for the past several days, was behind the bat to-day, and his return was hailed with enthusiasm. He celebrated it by playing probably the best game behind the wind-pad here this season. Three runners who tried to steal second, were caught by perfect control, and the way he handled the bunts was all that could be expected. The visitors pulled off a pretty double in the second inning. Powell was on second, and Hessler hit to Darringer, who throws him out at first, and catches Powell in his effort to go to third. Score:

NORFOLK WINS ONE AND TIES THE OTHER

Clearly Outplays Roanoke, Both in the Field and at the Bat.

(Special to The Times-Dispatch.)

NORFOLK, VA., September 1.—The Tidewaterians took the first game of the double-header from Roanoke by the score of 4 to 0 and tied the second 1 to 1 to-day.

The locals clearly outplayed the visitors in the first game, both in the field and at the bat. While they did not pile up a great number of runs, they won the game in easy fashion. The battery work of Jordan and Foster in the first game was especially good. Foster is doing the best catching in the league at this time, and he will get better work out of a pitcher than any other in it. He has his batting eye back, too. The second game, while well played, was devoid of sensational features. The battery work of both teams was good and the game was errorless. It was stopped by darkness at the end of the ninth inning. INKSLINGERS WIN FROM CHINAMEN

(Continued from First Page.)

fifth Rees retired in favor of Winston. Neither side scored in the sixth, but in the first half of the seventh Walker was hit three times, letting three men cross the plate, but in the last half of this inning Gardner, first up, got his third hit, stole second, third and home. Two more hits in this inning accounted for another tally, making the score 9 to 4. This was the extent of the scoring by the Chinamen, but the Slingers scored again in the eighth, getting into double figures.

Walker's pitching was splendid, the whole team supporting him as well as they knew how. Gardner has improved greatly in hitting since the commencement of the season, his performance with the willow and base-running went a lot of batting. Fry retrieved his error by making an unassisted double in the eighth, retiring the side with the bags full. The base-running of the Slingers was fine, and although having to shift around their infield on account of the absence of their regular third-baseman, combined well.

It was in the fifth when Rees was replaced in the box by Winston, but the Chinamen's support was weak, especially on third, and, although they got eight hits off Walker, they were well scattered and ineffective.

C. & O. Offices vs. Locos.

What was expected to be a battle royal yesterday in the ball game between the Locos, the leaders of the league, and the C. & O. Offices, proved to be a rather tame affair, the Office team walking away with the game by a safe score of 9 to 1. At no time during the game was there any danger of the Locos overcoming the lead secured by the C. & O. Office team in the first inning. Wilkinson was at his best and the inability of the Locos to successfully solve his delivery proved to be the main cause of their defeat. In fact, however, the Office team had their batting clothes on and when hits were needed they were forthcoming. The game was marked by unusually clean playing on both sides, the umpire giving as a whole very fair decisions, and not many kicks were registered.

BROWNIES BEATEN BY THE RIVERSIDES

Largest Crowd of Season Witnesses This Interesting Contest.

(Special to The Times-Dispatch.)

PETERSBURG, VA., September 1.—Before the largest crowd of the season, Riverside defeated the Brownies this afternoon in a game of the heart-disease variety. At the beginning of the ninth inning the Brownies were two runs ahead, but a base on balls, a two-bagger by Leake, a single by Martin and an error by Eacho netted the Riverside three runs, and the Brownies were retired in one, two, three order.

JANOWSKI AND BROWN TIE

Darkness Coming on, a Coin Was Flipped to Decide the Contest.

There was more interest and enthusiasm displayed at the regular Saturday meet of the Richmond Gun Club yesterday than the making of good scores, and yet several got a good score in the regular or extra events. Eighteen shooters faced the traps. Mr. William Harris tied Mr. Brown for high gun honors, each accounting for eighty-six out of one hundred, while "Browny" easily won the weekly medal, with forty-four out of fifty.

There was an exciting race for the Hotel Lawrence medal. Brown, Janowski, Payne, Martin and Walsh, with their handicap, made perfect scores. It was any one's race until the last twenty-five was shot at, Payne failing to tie Brown and Janowski by one target. The final tie between Brown and Janowski was decided by flipping a coin, as darkness prevented them from shooting off the tie. Janowski won another leg on the much coveted medal.

Owing to the lateness of the evening, the contest for the Hunter Arms Company medal was postponed until next Saturday.

The scores follow:

The club will have a strong three-man team to enter for the handsome silver cup at Lynchburg Monday, and probably these three men will help to compose the ten-man team to represent Virginia against North Carolina.
