Richmond and Danville broke even in the double-header yesterday, the visitors taking the morning game by the score of 2 to 0 and losing the afternoon exhibition 4 to 2. Howard, the southpaw for the Tobacconists, essayed to twirl both games, and started off by the victory in the morning, went in the afternoon game. He lost it in the first inning, three singles being made off him in succession. These, coupled with two costly errors, one by Reddy Walsh in right-field, and the other by Doyle at second, gave the Lawmakers four runs and the game.

Eckstone was the pitcher in the afternoon. He had good control and much speed. He was found for five hits, four singles and a two-bagger. And by the way, that two-bagger was the longest hit ball on this diamond this year. It went against the centre-field fence and gave many a fan the heart disease as it was sailing. It didn't come at the right time, however, and counted for naught.

Easily the stellar work in yesterday's games were Doran's catch in right garden in the morning, and Doyle's catch in the second game. The Richmond player made a wonderful run and tumbled over as the sphere struck in his mitt. In the afternoon Hinton drove a liner out down over second, and Doyle made a remarkable jump and brought the horsehide down in one hand. He was a Danville player, but there were none in the grandstand who did not applaud the play.

If Evans had gone in in the first of the game yesterday afternoon the Tobacconists might have been tied with the Lawmakers for the third position, but so long as he did not the Richmonders can think themselves lucky.

DANVILLE WON THROUGH ERRORS

In Morning Game Lawmakers Materially Aided Tobacconists in Winning.

Howard won his game in the morning by the score of 2 to 0 against Salve for the Lawmakers. The two tallies came in the second and third innings, Hinton being responsible for one of them. After two men were out in the second inning, Hessler scored from third-base on a passed ball. Howard, the next batter, fanned. Cowan's error at first-base gave the Tobacconists the second run in the third inning. Again there were two men out when the score counted.

The locals had but one chance to score against Howard, and this chance was lost in the seventh inning, when Reggy, Doyle and McKenzie figured in a fast double play, the second of the game.

Reggy opened the game with a hot one to Hicks, who handled it nicely and threw the runner out at first. Doyle drove out a clean single to centrefield, and Glaze was safe on Cowan's error. Doyle went to second, and when Hinton snapped the ball down to Cuddy, the second baseman, whipped it over to Hicks, who threw the runner out at the plate. It was fast work and brought the grandstand to their feet. Powell sent a long fly to rightfield, and Doran smothered it.

It was one, two, three with the Lawmakers in the first and second innings. The Tobacconists sent Hessler to bat in the second, and Hessler got a hit. He went to second on Benny's sacrifice, stole third-base and came home on a passed ball. Rickard went out to Reeve, who made a wonderful catch behind third-base, and McKenzie walked. Howard struck out.

Forty-Eight Innings—One Run.

When the nine innings yesterday morning had closed, Richmond had played forty-eight innings and had scored only one run. Thursday, nine innings were played without a run. Friday the same thing was done, and on Saturday there were twenty-one innings with the one run. The nine innings yesterday added up the forty-eight.

GREAT CROWD AT AFTERNOON GAME

Howard Batted Freely in First Inning and Relieved by Evans.

More than seven thousand people were in the park in the afternoon when Umpire Lally called the game and announced the batteries. A continual stream was at the same time pouring through the gates. The grandstand was crowded to overflowing, ladies standing up and crowding into the aisles. Around the field hundreds of the fair sex were seated on the grass.

Danville went to bat, and Reggy, Doyle and Walsh went out in order in the first inning. Smith: "Rube" Howard again stuck his toe in the box and pitched to Brown, the leftfielder, who fanned. Reeve sent one to Doyle, who "booted" it, and Stebrie lined one to Walsh, in right, who muffed it. Doran singled, and scored Reeve. Hicks and Cuddy singled, and the latter's hit brought home two men. Shaffer sent one to third, and it was not taken care of. Hinton got one down the third base line, and McKenzie made a bad throw to the home plate, allowing the fourth runner to tally. Evans had at this time been substituted for Howard. Walsh had been brought in from the field and placed behind the bat, and Benny had gone out of the game. Howard went to right garden. Evans held the Lawmakers afterwards.

A base on balls and two hits in the sixth inning gave the Tobacconists one run, and Brown gave them the other tally in the eighth, when he dropped a fly ball, after Powell had knocked a two-base hit.

TWO FOR GRIMITES.

Champions Take Double-Header From Roanoke.

[Special to The Times-Dispatch.]

ROANOKE, VA., September 3.—On a diamond wet and slippery, and in a game played partly in rain, Lynchburg took the first contest to-day by a score of 5 to 1. At no stage of the game was there a probability that the locals would score. Four runs were made by the visitors by a bunch of four hits and an error or two. Willis did not pitch his usual game, while Carter was in good form. The second game required a little more effort, but was also won by the Shoemakers. Both pitchers were hit freely, and several times it looked as though the locals would win out. The largest crowd of the season witnessed the game. Scores:

OUR CREW DOES WELL, BUT IT FAILS TO WIN

Coach Russell Satisfied With Their Work, Considering Lack of Practice.

[From Our Regular Correspondent.]

WASHINGTON, D. C., September 3.—The Virginia Boat Club did not carry off any prizes in the Middle States Regatta on the Potomac to-day but they made a showing in one race and finished well up in another. The Virginia crew got third place in the intermediate four-oared gig race, which was one of the hardest fought battles of the day. The crew finished last in the junior four-oared gig contest, four entries.

"The men did good work," said Coach Russell to-night. "In fact their work was superb when it is considered that they had been in training only three weeks, and when it is remembered that they have been unable to row but a few days in that time owing to high water in the James. They made a plucky fight and a better showing than circumstances justified us in hoping for. They had to go up against some of the finest oarsmen I have ever seen at work."

The crew will return to Richmond to-morrow.

AMERICAN YACHT WINS IN ROOSEVELT CUP RACE

MARBLEHEAD, MASS., September 3.—America scored a decisive triumph over Germany in the first race of the series for the Roosevelt cup off here to-day. The American yacht Auk, owned by Charles Frayers Adams, 2d, treasurer of Harvard University, won the initial contest by a large margin. Vim, owned by Commodore Clark, of the American Yacht Club, of New York, was second, three minutes 28 seconds behind. The third boat to cross the finish line was the German yacht Wannessee, owned by the Wannessee Sailing Club, of Kiel, Germany. The fourth yacht was the Caramba, owned by C. H. W. Foster, of the Eastern Yacht Club, while Tilly VI. and Glueckauf IV., two German craft, were fifth and sixth, respectively.

Practically the contest was entirely between Auk and Vim. At no time did the German craft or Caramba become dangerous, although the oft-expressed desire of the German yachtsmen for plenty of wind was granted.

The official elapsed times were as follows:

Auk (American)—2:41:45.
Vim (American)—2:45:13.
Wannessee (German)—2:54:06.
Caramba (American)—2:59:03.
Tilly VI. (German)—3:02:59.
Glueckauf IV. (German)—3:07:36.

NORFOLK WINS OVER PORTSMOUTH

BONO IN BOX FOR WINNERS

Ideal Weather Drew a Splendid Crowd to Athletic Park.

[Special to The Times-Dispatch.]

NORFOLK, VA., September 3.—The morning game of baseball between the Norfolk and Portsmouth teams in Portsmouth to-day, resulted in a victory for the Norfolk team by a score of 3 to 2.

Revelle did the pitching stunts for Portsmouth, while Bono did the slab work for the Crew. Revelle allowed eight hits, two of which were long two-baggers. The Truckers landed on Norfolk's pitcher for seven drives.

The weather was ideal for baseball, and long before the Norfolk aggregation put in its appearance, Athletic Park was well filled by the supporters of both teams.

The contest opened by Revelle allowing two of the Crew to walk. The third up singled, scoring one. A hot one to Fleishman, who threw to Cunningham, would have retired the side, but Cunningham "went in the air," so to speak, and juggled the hide just long enough for the other two runs to be made.

Norfolk held Portsmouth blank until the sixth inning, when Lohr succeeded in landing on first. He easily stole second and on a hit by Cunningham went to third. Lohr scored on a double steal between him and Cunningham. The Truckers made the other run in the eighth inning.

The Crew was unable to score after the first until the eighth inning, when two others were added to the number. These two runs, or at least one of them, was due to the Chinese ball playing put up by the Truckers. The ball was thrown around the field in such a manner as to lead one to believe that every player was trying to see how wild he could throw it.

Second Game.

The game in Norfolk this afternoon was more exciting, being won by Norfolk in the tenth inning by the close score of 2 to 1. Persons, for Portsmouth, and Otey, for Norfolk, the opposing pitchers, did good work and were about equally effective, but errors cost the Portsmouth pitcher the game. The only earned run was made by the Truckers. Manager Clarke won the game for the home team in the tenth inning. He batted in place of Otey, made a hit, and scored the deciding run.

Snowballs vs. Chinamen.

The protested game between these two teams was brought off yesterday without bloodshed, the Chinamen taking first strikes, opening up the scoring in the first innings. The Snowballs, however, brought three men in the last half of the same inning, scoring one more in the fourth, the score at the ending of the fifth standing, Snowballs, 4; Chinamen, 1. In the sixth, a hit by Houseman and a lucky home run by Rigby made things look considerably more even, and it looked as if Morgan was weakening. The Snowballs scored again in the seventh, and although the Chinamen got another man across the plate in the eighth, they were unable to draw level, and lost a good game by 5 to 4.

E. B. Taylor vs. C. & O. Offices.

The afternoon game of the Amateur League drew a good crowd out to the Hermitage ground, as something hot in the way of a game of ball was looked for. The fans, representing every club in the league, were not disappointed, for it was one of the keenest contested games of the season. The three defeats of the E. B. Taylor team practically assures the cup going to the Locos, the only team which is able to come within speaking distance of them being the Snowballs. To do this they will have to win all three of their remaining games, and the Locos will have to lose all their games.

The C. and O. aggregation won the toss, and elected to take the field, and it was a really pretty game of ball from the word go.

Nothing was doing in the way of scoring until the last half of the third, when a wild throw by Edwards and some useful stickwork by Sitterding, Miles and Fitzpatrick allowed three runs to come in. This was the extent of the scoring until the ending of the sixth, when the C. and O. boys made another tally. It looked at this point of the game that it was going to be a shut-out for the Chinamen, but in the beginning of the eighth Shelton, Layne, Stout and Houseman all got hits, bringing home three runs. The C. and O. did nothing in their half of the same inning, and Fitzpatrick, striking out all three batters as they came up in the first half of the ninth, clinched the victory for the C. and O. by 4 to 3.

The winners played better ball than the losers—there was more life in them and their base-running was much smarter. For the losers Stout showed up particularly well, getting three hits and catching an excellent game, whilst both pitchers did all they knew how to win the game for their respective sides.
